Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	For the benefit to the public to relieve the suffering of abandoned and ex-racing greyhounds and to promote humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage. • To re-home/foster the greyhounds in line with Makants' strict re-homing/fostering policy. • To educate the public regarding responsible dog ownership and to offer comprehensive help to all adopters/fosterers of ex racing greyhounds
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	In order to maintain the day-to-day care for its rescued ex-racing greyhounds, Makants' charitable trustees supported by a team of exceptionally dedicated volunteers raise funds by way of store and street collections, car boot sales, auctions, raffles and other activities, such as summer and Christmas fairs and local dogs shows. In addition, a raft of other tasks are undertaken by the trustees and volunteers such as administration, social media communications/updates, re-homing checks, fostering dogs, transporting dogs for veterinary care and attendance at fund raising events. Raising awareness of the plight of racing greyhounds and educating the public about responsible dog ownership with an offer of comprehensive help to all adopters/fosterers is an integral part of Makants' work and this is woven into all its activities. By way of example, volunteers are welcomed each day to assist with the collective group walk which ensures each kennelled dog receives appropriate daily exercise, can be assessed in a group situation and allows individuals to 'get to know' the breed and the work undertaken by Makants; this

		<p>support is invaluable on many levels. Experience to date has shown that in many instances, the rescue of an ex-racing greyhound is an acute situation whereby third parties will make the dog available to Makants at short notice with no financial donation. Dogs that are taken in are often in need of basic care and veterinary treatment, with some inevitably having more complex medical needs such as epilepsy, impacted vertebrae, gum disease, chronic fracture injuries or amputated toes giving rise to joint/mobility issues and tail injuries; all of which Makants has experienced and dealt with. Makants implements a strategy of spaying and neutering all greyhounds within two weeks of rescue unless the dog is prior neutered, in season or the veterinary surgeon advises otherwise, in which case spaying or neutering will be undertaken when advised by the veterinary surgeon irrespective of whether the dog is kennelled, fostered or adopted. A positive focus is placed on assessing and rehabilitating each dog received so they may be successfully rehomed and enjoy a normal life – a healthy dog is never euthanized, and this is Makants’ promise to each and every dog that it receives. Each dog’s adoption is conditional and subject to the new owner entering into a written adoption agreement with Makants, whereby the new owner agrees:</p> <ul style="list-style-type: none"> • to guarantee the health and wellbeing of the dog. • to maintain yearly vaccination boosters. • not to allow the dog to stray unsupervised. • to ensure the dog wears a collar at all times with owner’s details and the disc Makants provides. • not to pass the dog to any third party without Makants’ written consent. • to abide by Makants’ spaying & neutering policy. • to allow a representative from Makants to visit to ensure the dog’s welfare and care is appropriate. • any breach of the contract allows Makants to reclaim the dog. <p>Each adoption is subject to the satisfactory completion of a vetting process to ensure the prospective home offered by a new owner meets the needs of the dog. Makants’ charitable trustees are aware of the statutory declaration and guidance issued by the Charity Commission on public benefit.</p>

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Makants has been able to maintain a highly motivated team of volunteers who have ensured that the care of its rescued ex-racing greyhounds has been of prime importance and a consistent achievement during the past year. During its financial year 2021/22, Makants has:</p> <ul style="list-style-type: none"> • rescued and rehomed 76 ex-racing greyhounds in line with its strict re-homing/fostering policy and been able to offer comprehensive help to all adopters/fosterers. It is to the credit of all those who volunteer their support that Makants' was able to achieve this rehoming rate. • This demonstrates (despite the continuing pandemic) a consistent, positive annual rehoming rate from 2020/21 (74 rescued and rehomed ex-racing greyhounds), 2019/20 (73 rescued and rehomed ex-racing greyhounds), 2018/19 (83 rescued and rehomed ex-racing greyhounds), 2017/18 (91 rescued and rehomed ex-racing greyhounds which included by exception the rescue, vaccination etc and successfully rehoming of a brooding bitch and all of her litter of 9 greyhound puppies (4 weeks old)), 2016/17 (72 rescued and rehomed ex-racing greyhounds) and 2015/16 (57 rescued and rehomed ex-racing greyhounds) which reflects the dedicated commitment supporting this charity. • made continuous necessary maintenance improvements to its existing kennel facilities. This included the upgrading of all kennels , the

		<p>inclusion of an enrichment room to enhance our rehoming process , ensuring our rescue greyhounds have the best possibility of being rehomed , the carpark facility was upgraded and the new drainage system was completed in order to comply with kennel regulations • promoted humane behaviour towards the greyhounds by providing appropriate care, protection, treatment and security for the dogs in need of attention by reason of retirement, abandonment, mistreatment or ill usage. • been able to educate the public regarding responsible and safe dog ownership, not least by its attendance at many public events where information has been made available and members of the public have been able to seek guidance and advice and necessary equipment such as leads, harnesses, coats and muzzles (if required) but also online.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Makants, as a growing voluntary charity working directly to improve the welfare of ex-racing greyhounds, aims to achieve its objective to at least maintain and, if possible, increase its cash reserve of c £203,635 to ensure: • it can maintain an appropriate contingency fund (equivalent to 12 months' operating costs) is maintained to support, sustain, improve and assure continuity of future operations. • it can fund any exceptional and urgent welfare rescues which may require exceptional and costly funding for veterinary treatment and feeding care. • it can continue to accept more complex rescues where the ex-racing greyhound may require extended rehabilitation and kennelling rather than selecting only those greyhounds that may be more easily rehomed. • it can accumulate (in a high interest deposit account) a cash deposit towards its long-term strategic aim to purchase of a suitable property for Makants' kennels to be permanently located at.
