What it is set up to do. The VMMF sends funds for the advancement of the Christian faith, the promotion of health, and for the relief and prevention of poverty in Vinukonda, Andhra Pradesh, India, and its surrounding area.

Coronavirus. From March 2021 the situation in India was severely affected by the Coronavirus pandemic, with shortages of oxygen, ventilators, and hospital beds causing fear and panic. Church Services could not be held and visits to the villages had to stop. Donations of money for relief were received and passed on to meet the needs of those unable to work. Church Services were held online for those with access to the technology. By March 2021 the Services were once again able to be held, with people able to meet and encourage each other.

The Bible Training Institute closed for a time, due to the pandemic, but has now re-opened. The eight Pastor/ Evangelists, and other interested persons, attend the monthly Teaching and Training sessions.

The Training of young people for responsibility and leadership has also been taking place.

Medical Work has continued, where possible, chiefly supporting individuals with medical fees. **The jeep** is now paid for, and is available for support work in the villages.

VINUKONDA MISSIONARY AND MEDICAL **FELLOWSHIP**

Registered Charity No. 1161090

Trustees Report to the Charity Commissioners for the **year ending 31 March 2021**

How the VMMF meets its aims.

The VMMF sends funds to meet an agreed budget, which supports the work of two Indian Pastors who are based in Vinukonda, Andhra Pradesh.

Their work has included, leading a Vinukonda Church and overseeing the work of 8 local Pastor/Evangelists, who are based in surrounding villages.

The Coronavirus Pandemic has impacted the work they have been able to do. On 31 March 2020 pictures were received of a Pastor queuing outside a Supermarket. All present were wearing masks. Specific donations have been received and forwarded for coronavirus relief. This money has been spent on rice and groceries for the day labourers who lost their livelihoods. Some were Christians and some non-Christians.

Restrictions on travelling meant that they could not reach some of the villages where their churches are located.

The Bible Training Institute, which gives monthly training sessions to the Pastor/Evangelists and other interested persons, has had to close for some months, but has operated where possible.

During Lockdown Church Services were held online. The village churches have had fewer restrictions and have met when government rules have permitted. Online Services have reached a wider audience.

The After School Classes have also been affected by the restrictions.

The Medical/Social work. The provision of medicines for individuals has continued where possible.
