BRIGHT EYES GLOBAL ACTION PROJECT

REPORT OF THE DIRECTORS

The Trustees present their report together with financial statements for the period ended 23 September 2025.

Principal activities

Bright Eyes Global Action Project (BEGAP) is a secular charity working in partnership with grass roots organisations and marginalised communities

Trustees Report

Support continues to be given to the Totopara. This is specifically relevant following the growing unrest within the world and specifically the Indian border where the school is based. Amendments to FA2010 continues to impact upon the ability to pass donations to the project. The permaculture project has proven to be a success within the community and food grown by the school is sold at market and funds are then used within the school. The two new classrooms have been completed and have greatly eased the former congestion. Additional works, such as a new entrance and storage, have been completed. Fund raising continues to be difficult but the school is thriving.

Trustees Report

Support continues to be given to the Totopara. This is especially relevant following the impact of Covid 19 and the amendment to FCRA 2010 which has restricted the ability to pass donations to the project. As previously reported two teachers were funded and successfully completed training to achieve a Permaculture Design Certificate. Following the successful completion of the training, the community commenced the redevelopment of sapper land on the school site which is now providing a variety of fresh produce both for the school and the surplus to raise additional income to support further redevelopment of the school. The school has produced plans to further expand the school and build two new classrooms. This work is expected to commence in 2023. Additional fund raising is being planned to help towards these additional costs. Fund raising has been negatively impacted in 2022 and is expected to continue into 2023.

BRIGHT EYES GLOBAL ACTION PROJECT

REPORT OF THE DIRECTORS

The Trustees present their report together with financial statements for the period ended 23 September 2021.

Principal activities

Bright Eyes Global Action Project (BEGAP) is a secular charity working in partnership with grass roots organisations and marginalised communities

Trustees Report

Support continues to be given to the Totopara. This is especially relevant following the impact of Covid 19 and the amendment to FCRA 2010 which has restricted the ability to pass donations to the project. However we have additionally funded the training of two teachers to complete a Permaculture Design certificate.

The training has enabled the community to commence redevelopment of spare land into new growing areas which will sustain the school and potentially produce additional income from the sale of food produce.

The pandemic has also restricted the UK funding and this year the project suffered a loss as a result.
