BRIGHT EYES GLOBAL ACTION PROJECT

REPORT OF THE DIRECTORS

The Trustees present their report together with financial statements for the period ended 23 September 2021.

Principal activities

Bright Eyes Global Action Project (BEGAP) is a secular charity working in partnership with grass roots organisations and marginalised communities

Trustees Report

Support continues to be given to the Totopara. This is especially relevant following the impact of Covid 19 and the amendment to FCRA 2010 which has restricted the ability to pass donations to the project. However we have additionally funded the training of two teachers to complete a Permaculture Design certificate.

The training has enabled the community to commence redevelopment of spare land into new growing areas which will sustain the school and potentially produce additional income from the sale of food produce.

The pandemic has also restricted the UK funding and this year the project suffered a loss as a result.
