**TRUSTEES' REPORT**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

---

The Trustees present their annual report together with the financial statements of the charitable company for the year ended 31 August 2021. The Annual Report serves the purposes of both a Trustees' report and a directors' report under company law. The Trustees confirm that the Annual Report and financial statements of the charitable company comply with the current statutory requirements, the requirements of the charitable company's governing document and the provisions of the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2019).

Since the charitable company qualifies as small under section 382 of the Companies Act 2006, the Strategic Report required of medium and large companies under the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013 has been omitted.

**Objectives and activities****. Policies and objectives**

The principal object of the Charity is to promote, assist and encourage the protection, conservation and enhancement of Northumberland National Park and its environs and to advance the education of the public regarding the same.

Northumberland National Park Foundation wishes to raise money to support activities and projects that are able to demonstrate that they support the objects above. Examples might include:

- **Activities or projects that enhance the protection or conservation of the natural or historic environment.**  
This includes initiatives that assist the protection or conservation of either natural or man made heritage features. It also includes activities that help members of the public to become constructively involved in conservation and heritage, through volunteering for example.
- **Projects or activities that enhance education and training opportunities for people of all ages.**  
Examples might include facilitating visits to Northumberland National Park and its environs by school parties, encouraging the use of the Park and its environs as the base for field trips by school or university students, or providing high quality vocational training courses in appropriate subjects such as traditional or heritage skills, conservation, geology or countryside management. Suitable research activities may also be considered where it can be robustly demonstrated that the outcome of the research is likely to lead to benefits that meet the Foundation's objects.
- **Initiatives that enhance employment opportunities and economic and social conditions for local people.**  
This might include activities such as the creation and support of rurally based workplaces or enhanced opportunities for the creation or sale of locally produced crafts, foods or drinks, for example

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

**Objectives and activities (continued)****Activities undertaken to achieve objectives**

The Foundation wishes to support projects or activities that make Northumberland National Park and its environs more accessible to people of all ages and abilities for the purposes of leisure and recreation. This could include activities such as family "taster days", led walks, encouraging the use of open access land, star gazing events, improvements to community facilities, the provision of accessible/sustainable transport and so on. This also includes supporting The Sill: National Landscape Discovery Centre and Sill related activity.

**Achievements and performance****Review of activities**

The Trustees have continued to concentrate on the fundraising activities relating to The Sill as well as seeking to raise funds for wider projects throughout the National Park. In the year ended 31 August 2021, £30,000 was successfully raised towards The Sill Education programme and £10,000 was raised towards the family wellbeing programme. £8,952 was raised to fund peatland restoration works and a further £1,948 was raised to support the charitable objectives of the Foundation.

**Investment policy and performance**

The Foundation has resolved to focus its support on protecting, conserving, enhancing and educating people from all ages and backgrounds about Northumberland National Park. This includes supporting The Sill National Landscape Discovery Centre and Sill related activity.

The Charity resolved to select and make investments, including in the form of grants that comply with its charitable objectives. Any grants made by the Foundation will be monitored to ensure compliance. The Foundation has a grant making policy, which is summarised below:

The Trustees of Northumberland National Park Foundation meet formally twice a year and are in frequent informal contact in between meetings. Detailed proposals relating to projects or activities that the Trustees may wish to support will be circulated to all trustees at least two weeks before the date of the next formal trustees' meeting. In order to be considered for support, proposals will require, as a minimum, the following details:

- A brief description of the applicant organisation including its legal status, its purposes, its objectives, its track record, and its regular activities;
- A description of the project or activity for which funds are being sought including where the project will be delivered, a description of who or what will take part in or benefit from the project, when it will take place and for how long, and the expected benefits/outputs/outcomes of the work;
- A fully costed budget for the proposed project or activity;
- A description of funds raised to date, including details of any remaining shortfall and the amount requested from Northumberland National Park Foundation. Applicants should present their figures in such a way that capital and revenue requirements may be easily identified by the trustees.
- A copy of the organisation's most recent audited accounts.

**Achievements and performance (continued)**

Trustees expect to make their own enquiries regarding all proposals that are being considered, and this may include visits to sites/organisations and all other necessary steps that the trustees consider essential in carrying out their own due diligence enquiries. Successful applicants will always be notified in writing by the Foundation. Individual discussions will take place with all organisations that receive support to determine the exact nature of the reporting and monitoring requirements associated with each grant made. Once a grant offer has been accepted by an organisation, any variation in the nature of the delivery of the work from that which was described in the original application must be first discussed with the Foundation's trustees.

**Financial review****Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. The Trustees have considered the impact of the Covid 19 pandemic on the Charity's resources both for the current and future years. The Charity has continued to receive donations throughout the pandemic and the Charity constantly reviews and manages costs to ensure that its future liabilities can be met. The Trustees do not consider that the pandemic has had any impact on the adoption of going concern as an appropriate basis. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

**Reserves policy**

The aim of the reserves policy is to ensure that ongoing and future activities are reasonably protected from unexpected variances in income and expenditure. Due to the level of activity envisaged by the Foundation and the support in staff time provided free of charge by the Northumberland National Park Authority to administer the financial and administrative duties of the Foundation, the Foundation has initially adopted a 'minimum level' reserves policy.

Unrestricted funds held are £890 at the end of 2021 financial year and are considered sufficient to cover liabilities for the coming year due to costs being closely managed by an experienced board of trustees. This policy will be reviewed by the Trustees when activity levels increase. A commitment has been made by Northumberland National Park Authority to grant £1,500 to the Foundation to support its ongoing administrative costs. Restricted funds amount to £182,985 at the end of the 2021 financial year and will be carried forward for use in future periods.

**Structure, governance and management****Constitution**

The Northumberland National Park Foundation [the Foundation] is registered as a Charitable Company limited by Guarantee, dated 18 August 2014 and registered with the Charity Commission for England and Wales under charity number 1161156, with effect from 02 April 2015.

**Methods of appointment or election of Trustees**

The Trustees as charity trustees have control of the Charity and its property and funds.

The minimum number of Trustees is three, the maximum is seven. Save for the first Chair, each Trustee shall be appointed for a fixed term of three years.

Antony Braithwaite, stood down from the position of Chair at the Trustees meeting of 22 September 2021 and Lady Sarah Riddell was appointed to this role. Future Chairs will be Trustees appointed by way of a resolution of the Trustees from time to time for such a term of office as the Trustees think fit. , The power to appoint new trustees rests with the Board of Trustees. Trustees do not receive any remuneration.

Every Trustee has one vote on each issue, but, in case of equality of votes, the Chair shall have a second or casting vote.

The Trustees must hold at least two meetings each year. A quorum for a meeting is two Trustees.

Trustees are required to disclose any relevant interests and register them with the chairman and withdraw from any decisions where a conflict of interests arises. The Foundation has a conflict of interests policy.

**Organisational structure and decision-making policies**

Administrative support for the Foundation is provided by the Northumberland National Park Authority. The undertaking was accepted on behalf of the Northumberland National Park Authority by Tony Gates (Chief Executive) at the Foundation's board meeting on 21st November 2014 and continues in operation. No powers to commit the Foundation to any financial transactions were delegated to the Northumberland National Park Authority; these remain solely under the control of Trustees of the Foundation.

The Charity currently operates with four Trustees and an Honorary President. Two of the Trustees were nominated and unanimously elected to be the signatories to the Foundation's bank account.

**Plans for future periods**

The future plans for the Foundation are to support the charitable work of Northumberland National Park. This includes helping to educate people of all ages and backgrounds about Northumberland National Park, support the National Park's ambitions around nature recovery and climate change, and to promote and encourage the social and economic well being of the communities in and around the area.

**Statement of Trustees' responsibilities**

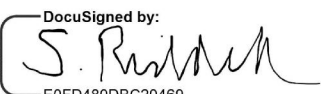

The Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT**  
**FOR THE YEAR ENDED 31 AUGUST 2021**

---

**Independent Examiner's Report to the Trustees of Northumberland National Park Foundation**  
**('the charitable company')**

I report to the charity Trustees on my examination of the accounts of the charitable company for the year ended 31 August 2021.

**Responsibilities and Basis of Report**

As the Trustees of the charitable company (and its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the charitable company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charitable company's accounts carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiner's Statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charitable company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
