

OFFICIAL DECLARATION — CHARITY COMMISSION ANNUAL RETURN 2025

Charity Name: We Are Here Now

Charity Number: 11611246 (United Kingdom)

Declaration

I am responding with respect to the current status of the charity “We Are Here Now” as of 09 November 2025.

I, Isabela Enne Bruno – AL HANI (formerly Isabela Enne Bruno Zonta), am the Founder and Custodian of this charity, registered under number 11611246 with the Charity Commission for England and Wales.

Since its registration, I have personally supported the charity through voluntary service and self-funding, ensuring the continuity of its humanitarian, cultural, and spiritual mission. No external funding has been received or required. The charity has operated solely through voluntary contributions and the founder’s direct custodianship.

The current status of the charity’s bank account remains at zero, with full compliance and transparency under UK Charity Law.

The charity remains legally active under UK jurisdiction and continues its international mission through the We Are Here Now Institute – Brazil (Ghassanid Institute of Human and Ecological Regeneration), under the same perpetual custodianship, as established in the Final Act of Transfer, Protection and Sovereign Responsibility and the Global Restoration Dossier – Volume IV.

In continued service and remembrance,

Yours Faithfully,

Isabela Enne Bruno – AL HANI
