### **Trustees' report**

**For the year ended 31 August 2022**

---

The trustees present their report of the charity for the year ended 31 August 2022. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice" applicable to charities preparing their accounts in accordance with the Financial Reporting Standard.

### **Objectives and activities**

The objects of the CIO are the promotion of community participation in healthy recreation, in particular by the provision of facilities, encouragement and instruction in the sport of rowing, for the benefits of the inhabitants of Newcastle upon Tyne and surrounding areas.

We aim to further the sport of rowing by providing facilities for exercise, competition and recreation on the water and on land, safely.

Main activities include:

- Rowing in a variety of boats on the Tyne and at competitions elsewhere
- Learning to row and handle boats safely
- Training coaches and coxes
- Coaching at all levels of the sport
- Launch handling and safety
- Maintenance and repair of boats and other equipment
- Pilates and related exercise classes
- Weight training, Strength and conditioning
- Cross training – running, circuits, cycling.
- Social and fund-raising activities
- Volunteering in a wide range of activities essential to successful management and operation of the club, including governance, fund-raising, catering, competition and event organisation, grounds, boat, and building maintenance, trailer and launch driving; safety, welfare and assisting crews and coaches.
- Venue for training events and local community activities (E.g. local book club, award ceremonies)

Trustees have had regard to the guidance issued by the Charity Commission on public benefit (PB1, PB2 and PB3).

Volunteers are essential in helping with managing and supporting the club. Without volunteers the club could not exist. Volunteers contribute to the following:

- Governance of the club
- Maintaining premises, equipment and property, day-to-day
- Coaching the sport of rowing and related training activity at all levels of participation
- Supporting events, competitions and competitors
- Planning and organising social and sporting events
- Safety on and off the water
- Welfare
- Catering
- Fund-raising

**Achievement and performance**

- Participant and volunteer numbers at all levels and in all activities have returned to pre-pandemic levels, securing the club as a viable organisation including premises, equipment, and above all membership.
- A full regatta season following the lifting of Covid restrictions in Spring 2022, enabling competition to take place at all ability levels.
- Land-based activities resumed, allowing the club to offer a full range of exercise, and training options, including the expansion of daytime Pilates and yoga classes, whilst resuming body -weight training, strength, and conditioning, ergos, static bike and spinning classes.
- Summer 2022 saw an increased number of rowers competing in local and national competitions, with some juniors achieving success at Home International level for both England and Scotland. Masters and seniors continued successful campaigns both locally and nationally.
- Community rowing has increased and successful Adult and Junior "Learn to Row" programmes took place during the summer months.
- Volunteer numbers are a little slow to recover post pandemic, but are gradually increasing
- Sale and purchase of boats, with a rigorous programme of boat maintenance has enabled rowers of all abilities access to water training, facilitating progress in all squads.
- Increased diversity is evident, especially in the junior squad with the integration of refugee children organised in partnership with Newcastle University Student Union
- Retention of paid coaching staff and development of volunteer coaches
- Continued partnerships with neighbouring clubs, other charities, and related organisations
- Newcastle Schools Games (indoor rowing)
- Partnerships with local clubs and organisations, including Red Seal Rescue, Sea Cadets, School and University rowing clubs for local rowing competitions and water safety
- Community support includes use of premises by local sports clubs for charity events, particularly walking, running, and cycling e.g., Newburn running club, Elswick Harriers, Blaydon Youth F C, Walbottle junior F C, and Method Fitness
- Use of facilities by Physio Smart, Pilates instruction classes, Barre and Yoga classes, a wreath making workshop, Local community book club, Sword Dancing, and Interfaith Spiritual Ceremony Exchange Indentureship
- Other water-based activities e.g., Canoe launching and training, paddleboard events
- Partnership with University of Northumbria who use the club's facilities and are provided with coaching

---

#### **Financial review**

Whilst still recovering from the pandemic, there is evidence that member numbers at all levels are returning to pre-pandemic levels. Fund-raising and a programme of events and social activities have resumed.

Principal sources of funds are:

- Membership fees
- Grant applications
- Sponsorship
- Donations and bequests
- Fundraising through sporting and social events
- Food and refreshment sales
- Committee room rental
- Exercise space rental
- Treatment room rental
- Racking fees for boats and payments from partner organisations sharing our facilities
- Income from the bar and hospitality generated by the wholly owned subsidiary company Tyne 1852 which has two directors who are Trustees of Tyne ARC

The club reinvests all surplus revenue into its rowing and associated health and fitness activities and the facilities and equipment required to support them.

#### **Principal risks the charity faces**

- A decline in interest in the sport of rowing and associated activities, leading to a fall in club membership and thus reduced subscription income
- Insufficient boats, coaching and equipment for those who wish to participate in the sport of rowing, leading to a fall in club membership
- Cancellation of events through adverse weather, low take-up, lack of volunteers and support
- Withdrawal of key sponsors, partners, and donors
- Cancellation of some or all club activity because of unforeseen events e.g., pandemic, policy decisions by government, or the national sporting body (British Rowing), resulting in loss of members and income
- Impact of inflation on operating costs, individual member and income generating activities

#### **Structure, Governance and Management**

##### **Governing document**

The Charitable Incorporated Organisation (CIO) was incorporated on 13 April 2015 and is registered with the Charity Commission under number 1161250.

##### **Organisational structure**

Trustees are elected at the AGM. All trustees must be full members of the club.

All trustees are provided with essential guidance documents including constitution, code for meeting, charity commission publications particularly "The essential Trustee" and Public Benefit guidance. (PB1,2&3).

Trustees review annually the list of delegations, alongside terms and conditions which give a Rowing Committee responsibility for the day-to-day organisation of the sport, including the welfare of members, all training schedules and maintenance and care of equipment.

On 14 March 2018 Tyne ARC established the wholly owned subsidiary company Tyne 1852 Limited for the purposes of fund raising. A servicing undertaking is established between the two bodies with all profits of Tyne 1852 Limited directed to its parent company.

To assist in fulfilling a key role managing the venue, the full time Club Manager is supported by a management group consisting of the Chair of Trustees, a Trustee, Directors of Tyne 1852, the Chair of the Rowing committee, the Treasurer, and secretary. The group meets fortnightly.

## Tyne Amateur Rowing Club

### Trustees' report (Continued)

For the year ended 31 August 2022

The management group also met with officers regularly to ensure all Covid regulations and British Rowing guidance was followed until restrictions were lifted in Spring 2022.

To assist in fulfilling her role managing the venue the full time Club Manager organises a regular meeting (every 2 weeks under normal circumstances) with a combination of Trustees and officers of the Club. The agenda is set by the Club Manager and the group includes the Chair of Trustees, Directors of Tyne 1852 Limited, the Chair of the Rowing Committee, and the Treasurer. All attendees (including the Directors of Tyne 1852 Ltd) are either elected member of the Rowing Committee or Trustees.

During the Covid-19 pandemic, the Management Group met regularly with officers to ensure that any necessary regulations were adhered to and mitigating precautions (including British Rowing Guidance) put in place when the facilities were allowed to open.

### Related parties

The CIO works with or has hosted the following groups and organisations:

- The club is an affiliate of British Rowing, the sport's national body and with the Northern Rowing Council, the regional liaison body between local clubs and the national body.
- Sport England
- Newcastle PE and School Sports Service (Indoor Rowing)
- British Universities and Colleges Sport (BUCS) hosting their annual national long- distance fours and eights head.
- Partnerships with local clubs and organisations (Sea Cadets, amateur, school and university rowing clubs, Red Seal Rescue) for local water safety and local rowing competitions
- Support including use of premises for local sports clubs and charity events particularly walking, cycling & running. e.g., Newburn running club, Elswick Harriers, Blaydon Youth FC, Walbottle junior FC, Method Fitness, Jewish community group, and Charity cycle rides
- King's School, Chester junior rowing camp
- Use of facilities by sports physio and massage therapists, Pilates instruction classes and other health and fitness opportunities, which are open to non-members
- Other water -based activities (e.g., Canoe launching and training, paddleboard events)
- University of Northumbria who use the club's facilities and the CIO provides coaching
- Developing use of venue by local businesses and organisations for training sessions
- An experienced club member is training to row the 2000 - mile Arctic Northwest Passage connecting the Atlantic and Pacific oceans, raising funds for conservation charities ("The Big Ocean Clean-up") and carrying out scientific sampling and observations en route.

A community novice rower is planning to row the Atlantic to raise funds for charity

**Independent Examiner's Report to the Trustees of Tyne Amateur Rowing Club  
For the year ended 31 August 2022**

---

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 August 2022 which are set out on pages 7 to 18.

**Responsibilities and basis of report**

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

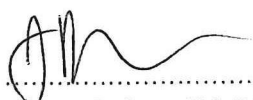

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**1. Accounting Policies**

**Accounting convention**

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2020, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

**Going concern**

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. Annual budgets take into account. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

**Fund accounting**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes.

**Notes to the financial statements  
for the year ended 31 August 2021**

---

**Incoming resources**

All incoming resources are included in the Statement of Financial Activities (SoFA) when the charity has entitlement to the funds, any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

**Resources expended**

All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Expenditure is recognised where there is a legal or constructive obligation to make payments to third parties, it is probable that the settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged against the activity for which the expenditure was incurred.

**Tangible fixed assets**

Tangible fixed assets are stated at cost including any incidental expenses of acquisition.

Depreciation of tangible fixed assets is provided by equal annual instalments so as to write off the cost of the assets over their estimated useful economic lives as follows:

Land and buildings exc. steps	2% straight line
Steps	5% straight line
Boats	10% straight line
Plant and machinery	10% straight line
Motor vehicles	25% straight line
Gym equipment	20% straight line

**Debtors**

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**Cash at bank and in hand**

Cash at bank and cash in hand includes cash and short term highly liquid investments with instant access from the date of opening of the deposit or similar account.

**Creditors and provisions**

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement after allowing for any trade discounts due.

**Financial instruments**

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**Taxation**

The charity is subject to tax on its trading activities in accordance with UK tax legislation.
