Christ Church Walkley
Trustees' report
For the year ended 30 November 2024

The Trustees have pleasure in submitting their annual report and the financial statements for the year ended 30 November 2024.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

The Trustees listed in the Charity Information section all served throughout the year and continue to do so at the point of signing, except as indicated in the charity information.

Objects of the charity

Christ Church Walkley (CCW) was 'born' in September 2012, as a result of a partnership with our sister churches, Christ Church Fulwood and Christ Church Central, with the specific vision of sharing the Christian Gospel message to those who haven't heard it, and the growing maturity in faith of existing believers in Walkley. On 16 April 2015 CCW became its own Charitable Incorporated Organisation. In January 2021, following discussions by the elders and leadership team, we refreshed our vision and values to better suit our current location and goals as a church.

Christ Church Walkley exists to **Know God, Reach Others, and Build the Church**. This three-fold purpose is given expression in our seven values as follows:

Know God

We exist to know and glorify God the Father, Son and Holy Spirit, which is humanity's highest calling and the essence of true and eternal life. We aim to know and glorify God by being a Biblical, Prayerful and Thankful church.

Biblical: The prayerful preaching of the Scriptures is central to our life and mission as God's people. We believe that all the Scriptures testify to Christ and search them in order to encounter him. We aim to be shaped by the Scriptures in all that we do, and to trust them as our final and ultimate authority in all matters of belief and behaviour. We want our whole lives to be saturated in the word of God.

Prayerful: Prayer is vital to our relationship with God as his people. At the same time prayer is a thoroughly missional activity. We aim to depend on God through regular, disciplined & spontaneous, corporate & individual prayer.

Thankful: Celebration and praise of the God who has richly poured out his grace on us in Christ is the motivation for and the goal of our mission. God calls on us to rejoice in his salvation in every circumstance.

Reach Others

We exist to proclaim the good news of the Lord Jesus Christ to the world around us. We aim to reach others by being a Community in and for the communities around us.

Objects of the charity (continued)

Community: We are committed to loving service of the communities around us, taking part in their life and culture through a distinctive Christian presence. We believe that the ultimate good of all people is bound up with the gospel of the Lord Jesus Christ, and that this gospel is best proclaimed by a community seeking to live under the gospel's authority and power.

Build the Church

Our essential task is to make and grow disciples of the Lord Jesus Christ, in, through and for the corporate life of God's church. We want to build a church that is Wide, Broad and Deep.

Wide (all people): The call of the gospel is addressed to and needed by all people. We aim positively to grow by conversion growth rather than by transfer from other churches. We are committed to multiplying by planting churches and seeking meaningful partnerships with others in Sheffield, the UK, and the rest of the world.

Broad (all of life): The Lordship of Jesus Christ extends over all areas of life. Nothing is off limits from his authority and transforming power. Consequently, the life of discipleship is a life of change under the direction and authority of Christ through his word and by his Spirit.

Deep (all of ourselves): The life of discipleship involves the entirety of who we are as people, in all of our dimensions. We aim to be constantly growing like Christ as his word informs our minds, engages our affections and emotions, and changes our wills. We will seek therefore to engage with and respond to the gospel with our heads, hearts and hands.

Our Doctrinal DNA comes from the heritage given to us by our two sending churches. CCW is therefore a Christian, Evangelical, Reformed and Anglican church. We appreciate and seek to remain faithful to the ancient creeds, to the 39 Articles of Religion, the doctrine of the Prayer Book and to the GAFCON Jerusalem Declaration.

Structure, governance and management

Christ Church Walkley is a Charitable Incorporated Organisation (CIO), incorporated on 16 April 2015.

Our Constitution requires at least three trustees to manage the affairs of the charity in order to further the purposes of CCW. Trustees have the power to appoint new trustees. Currently there are five trustees appointed. All trustees are required to assent annually to the church's statement of belief. The responsibility for the overall strategy, policy, finance and appointments of the charity rest with the trustees, who meet regularly to monitor the activities of the charity.

There were three meetings held over the year. The church council, which meets monthly, has operational oversight of all the church's activities and reports to the trustees. New charity trustees must be appointed by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Structure, governance and management (continued)

The trustees agreed on the 10th Sept 2024 to invite Nicky Sandell to join the trustee board. She joined on 2nd Dec 2024.

In planning the activities, the Trustees have had regard to the guidance on public benefit issued by the Charity Commission and, in particular, the specific guidance on charities for the advancement of religion.

Review of Activities

During the financial period the church was led by the pastor, Pete Jackson, ably supported by our Associate Pastor, Kenny Larsen. The staff team are also joined by Gareth Wroe, who is on assignment until August 2024, overseeing families and children's ministry in a self-funded capacity. We also employ one part-time administrator who provides support to the church to enable the day-to-day running and in communications and publicity. The focus of church activity remains the sharing of the Christian Gospel message to those who haven't heard it (Gospel growth) and the growing to maturity in faith of existing believers (Christian growth).

The church meets every Sunday at 4pm. This remains the main focus of regular activity, together with a monthly church family prayer gathering. Small groups are the building blocks for church family life and these meet most weeks in the homes of church members for bible study, prayer, fellowship and outreach.

Achievements and performance:

We have continued to see new people on Sundays with some joining our weekly small groups. We have had a few people over the year exploring Christianity through various courses and bible reading. Our current membership stands at 61 adults and 43 children. We have an additional 13 adults who are regularly involved in the church family but are not signed up members.

Our Sunday gathering remains the focus of fellowship in the week. We are thankful to the many church members who serve to make our Sunday gatherings a reality. The majority of those who attend the church regularly are also involved in weekly 'small group' meetings, which are an opportunity for further fellowship and discipleship. Our regular monthly prayer meeting continues to meet on a Sunday morning at our church building. We met together as a church family at Christ Church Fulwood for our annual "Day Away." We spent the day thinking about being "Different, because of Jesus."

Our midweek group for parents with toddlers has continued to be very popular and enables members of the church to build relationships with those in the local community. A number of men have been involved in mid-week football which provides fellowship for those inside the church as well as connecting with those outside the church family. We have also started a monthly 'Dad Club' with a few Dads from church meeting on a Saturday morning. This has provided an opportunity to build relationships and to get to know local men.

Our women's ministry continues with our bi-weekly ladies' bible study. This year we have had two ladies' walks which have given us an opportunity to spend time getting to know one another better, particularly the newer members of the church. Our men have also met for a men's breakfast once this year.

Achievements and performance (continued):

Our families, youth and children's ministry has continued this year, with opportunities to provide events for parents where they have time and space to discuss a particular area of parenting. We've also run "marriage chats" for married couples.

During the Easter holidays this year we held a holiday club for kids' from our church family and their friends. We have also continued to develop our links with local schools, providing support with an after-school club and assemblies. Our youth group continues to be popular with a weekly group meeting, opportunities to connect with other church youth groups and an annual weekend away.

As part of a greater focus on the traditional church calendar this year we ran a mid-week Lent series on the Song of Songs. In other terms we complemented the mid-week small groups with our monthly seminars on Church and Government (in the summer) and on aspects of the doctrine of sin (in Autumn). These have been popular with our church family as they provide opportunities to deliver teaching in a different format.

We have continued to provide opportunities for individuals to investigate the Christian faith, which has included events at Christmas and Easter, a Hope Explored and a '321' course. In the Autumn term we did a John's Gospel Giveaway project, with church members being encouraged to ask people to "Meet the Word in the Word."

Our small groups were reshuffled in September which has worked well and given opportunities for developing new relationships. Our Mercy Ministries team has also been formed, with partnerships growing with 3 local charities. Additionally, we have sought to strengthen the relationships we have with our mission partners, regularly praying for them on a Sunday and during prayer meetings. In October the church council agreed to the addition of a fourth mission partner.

The Memorial Hall continues to provide a suitable and secure venue for Sunday gatherings and increases opportunities for other activities as well as stabilising the church's presence in this area. However, we have also recognised some limitations with the space which we are considering plans to address.

Partnerships

We are a member of, and partner with, Anglican Mission in England (AMiE) and have a number of other informal partnerships locally and nationally. We financially offer support to AMiE and others involved in Christian ministry, including gifts to other churches. Giving to others is reviewed every year as part of our budgetary planning.

Future Plans

We have appointed an architect and consulted with the church family to develop our building, the Memorial Hall. Plans have been drawn up by our architect to adapt the space, which we have shared with the church family who have pledged to give towards the project. We are now seeking to raise further funds from external sources.

Our youth have an opportunity to serve one of our mercy ministry charities in the New Year. We plan to continue growing and strengthening our relationship with local charities over the coming year with a plan to support each charity at points through the year.

For the year ended 30 November 2024 (continued)

Future Plans (continued)

We are involved in the "Marriage Matters" conference in March, this will be the first time this conference runs in Sheffield, offering an opportunity for local couples to spend time investing in their marriages.

We will continue our monthly seminars, with our next series helping us to think about how to apply scripture to life to allow us to better care for one another.

Financial Review

The charity is in a strong financial position at the end of the period, with total reserves of £294,657 (2023: £274,880) which includes free reserves (general funds excluding tangible fixed assets) of £16,450 (2023: £54,964). While the Trustees are grateful for this strong foundation, we also acknowledge the aims included within our future plans outlined above will require investment.

Reserve Policy

The Trustees have a policy of holding free reserves to the value of £20,000 due to the reliance of the charity on uncertain donations. The actual position at the end of the financial year is £16,450 (2023: £54,964), which is just below this target amount.

The Trustees have prepared these financial statements on a going concern basis, having made due assessment to the resources available and reviewed cashflow forecasts for the foreseeable future.

Trustees' Responsibilities

The charity trustees are responsible for preparing a Trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the applicable Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Trustees' Responsibilities (continued)

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements.

Mr A R Fehler – Chairman

Independent examiner's report to the Trustees of Christ Church Walkley ('the CIO')

I report to the charity Trustees on my examination of the accounts of the CIO for the 12 months ended 30 November 2024.

Responsibilities and basis of report

As the charity trustees of the CIO you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the CIO's accounts carried out under section 145 of the Act. In carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination.

Your attention is drawn to the fact that the charity has prepared the accounts (financial statements) in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn. We understand that this has been done in order for the accounts to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Christ Church Walkley
Notes to the Accounts

1 Accounting Policies

(a) Basis of preparation

Christ Church Walkley is a Charitable Incorporated Organisation registered with the Charities commission in England and Wales on 16 April 2015 (registered number: 1161307) The principal address is given in the company information on page 1 of these financial

The accounts (financial statements) have been prepared in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Accounting Practice. The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The charity meets the definition of a public benefit entity as defined under FRS102. The financial statements are presented in sterling which is the functional currency of the charity.

(b) Income

Income is recognised in the SOFA when the charity has entitlement to the funds, any performance conditions attached to the monies have been met, the receipt of the income is probable and its amount can be reliably measured.

Income received in circumstances where a claim for repayment of tax has been or will be made to HM Revenue & Customs is grossed up for tax recoverable. Any amount of tax recoverable from HM Revenue & Customs but not received at the year end is shown within the charity's debtors.

The charity has relied significantly upon volunteers in carrying out its activities during the year. In accordance with paragraph 6.18 of the SORP, the role of volunteers has not been recognised as income from donated services in the accounts.

(c) Expenditure and liabilities

Expenditure is recognised where there is a legal or constructive obligation to pay a third party, it is probable that settlement will be required and the amount of the obligation can be reliably measured. All expenditure is reported gross of irrecoverable VAT.

(d) Grants payable

Grants payable are provided for at the earlier of when they are paid or become constructive obligations.

The charity supports mission partners in the UK and around the world. Where a particular mission partner has been supported by the church for a number of years, strict compliance with the Charities' Statement of Recommended Practice (SORP) may regard some arrangements as constituting constructive obligations such that future years' support is accounted for in these accounts as a liability. Whilst the support has no final end date, the trustees assess mission partner funding on an annual basis and is confident that the mission partners would not view their support as an open ended obligation on the part of the charity. The annual commitment only is accounted for in these financial statements.

(e) Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost, net of depreciation and any impairment losses. Depreciation is provided on all tangible assets at the following rates calculated to write off the cost less estimated residual value, over their useful economic lives:

Freehold buildings	Over 25 years
Freehold land	not depreciated
Fixtures and fittings in leasehold property	Over the length of the lease
Equipment	33% straight line

(f) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

(g) Trade debtors

Trade debtors are amounts due from customers for services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the company will not be able to collect all amounts due according to the original terms of the receivables.

Christ Church Walkley
Notes to the Accounts - continued
for the year ended 30 November 2024

(h) Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

(i) Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

(j) Fund accounting

Unrestricted funds are donations and other income receivable or generated for the objects of the organisation without further specified purpose and are available as general funds.

Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose.

Restricted funds are either donations which the donor has specified are to be solely used for particular areas of the charity's work or grant income sought for specified activities.

(k) Taxation

As a charity, the organisation is exempt from tax on income and gains falling within the available tax exemptions to the extent that these are applied to its charitable objects. No tax charges have arisen in the charity.

(l) Pension obligations

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

(m) Operating lease rentals

Rentals under operating leases are charged to the Statement of Financial Activities on a straight line basis over the lease term.

(n) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist about the charity's ability to continue. Based on the adequacy of the charity's reserves as at the balance sheet date, along with the knowledge of the charity's ability to meet bills, payments and other liabilities as they fall due, the trustees have a reasonable expectation that the charity has sufficient resources to continue in operational existence for the foreseeable future. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.
