OBJECTIVES AND ACTIVITIES

Objectives and aims

Llanelli Mind is one of a network of local Minds in Wales, working to improve the life of people affected by mental distress. We are an independent charity in our own right and we welcome the involvement of people who themselves experience mental health problems participating as Trustees, staff, volunteers or fund-raisers.

Vision:

We will not give up until everyone experiencing a mental health problem gets both support and respect.

Our Mission:

We provide advice and support to empower anyone experiencing a mental health problem. We campaign to improve services, raise awareness and promote understanding. We work to create a better life for everyone with experience of mental distress including carers, family, friends and supporters.

Goals:

Staying well : Promoting good mental health and wellbeing.

Empowering Choice: for people who experience a mental health problem, to make informed choices about how they live and recover.

Improving services and support: ensuring that people receive the appropriate services and support at the right time to help their recovery and to enable them to live with their mental health problem.

Enabling social participation: opening the doors to people with experience of mental health problems to enable them to participate fully in society.

Removing inequality of opportunity: striving for equality of treatment for people who experience both mental health problems and other forms of discrimination.

Organisational excellence: making the most of our assets by building a culture of excellence.

Public Benefit and Aims:

The Trustees consider how planned activities will contribute to the aims and objectives of working to create a better life for everyone with experience of mental distress.

They do this:

- by advancing the views, needs and ambitions of people affected by mental distress (including carers, family, friends and supporters.
- By influencing policy through involvement in the planning, development and review of local mental health services;
- Continue to challenge discrimination, whilst promoting inclusion.
- Through the development of quality services, which reflect expressed, need and diversity.
- Striving to create equal rights through the creation of opportunity.

Objectives for 2024 -2025:

To strengthen the collaborative work with the local Minds across West Wales and Mind Cymru;

To continue to strengthen the relationship with our partners and stakeholders within the community of Llanelli and surrounding areas;

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The year 2023-2024 has been marked by significant achievements for Llanelli Mind, solidifying our position not just in Llanelli and Carmarthenshire, but also extending our influence beyond these regions. The lingering effects of the Covid-19 pandemic have heightened the recognition of mental health issues and increased the demand for our services. Our dedicated team has worked tirelessly to provide exceptional support to numerous vulnerable individuals in our community.

Our primary focus remains on fostering resilience within the community, catering to diverse age groups from the young to the elderly. Central to our mission is the commitment to good governance, an area in which we have made substantial progress over the past year. The appointment of an Operations Manager has been pivotal to our organisational growth, bringing valuable expertise and driving our progress forward.

We have welcomed new staff members whose enthusiasm and fresh perspectives have been instrumental in our development. Despite setbacks, such as the loss of the LHB funding for the Twilight Sanctuary, we have seized new opportunities, including securing funds to refurbish the kitchen in our Inkerman Street offices, which was opened by the Mayor of Llanelli.

Our fundraising efforts have seen significant strides, highlighted by a mental health awareness week in collaboration with Tata Steel. This event featured staff and volunteers participating in a cold water therapy dip at North Dock, demonstrating our commitment to mental health awareness and community engagement.

We have successfully delivered three counselling services within the Elli cluster and are expanding this model to other areas, including the Upper Swansea Valley. Looking ahead, we have committed to becoming a zero-tolerance anti-racist organisation and have developed a carbon reduction strategy, aiming to cut emissions by 34% by 2030.

In summary, we have built upon the robust foundations laid by our team and are actively planning for the future. Exciting opportunities lie ahead, including an upcoming fundraising ball. Together, we continue to advance our mission, providing essential mental health services and fostering a resilient, supportive community.

FINANCIAL REVIEW

Financial position

The results of the charity are shown in the Statement of Financial Activities on page 8. The net movement of unrestricted funds amounted to £272,484 (2022/23 £18,695). The unrestricted reserves of the charity at the year-end amounted to £579,538 of which £459,480 was current with £120,058 invested in Fixed Property.

Total income for the year was £624,396 (2023-£815,613) with expenditure of £614,721 (2023-£662,808) creating a surplus of £9,675 (2023-£152,805) for the year.

Principal funding sources

Our principal funding sources remained Carmarthenshire County Council via Social Services and Supporting People Programme funding and Hywel Dda University Health Board.

Investment policy and objectives

Most of the charity's funds are to be spent in the short term, and the Board takes the view that those not required to be spent should be held as reserve placed in a readily accessible, interest-bearing bank deposit account.

Reserves policy

The Board has examined the charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be between three and six months core expenditure.

Budgeted core expenditure for 2023/24 is expected to remain in the order of £250,000 and therefore the target is between £62,500 and £125,000 in general funds.

At present £459,480 is available to the charity as free reserves. The coming year will remain a challenging year, with the continued development of a number of redesigned service delivery models. The Board notes the impact that this may have on the reserves position.

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 19.02.2015 and registered as a charity on 20.04.2015. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association.

Recruitment and appointment of new trustees

The Trustees have established a single class of membership, for individuals suffering from mental distress and their Carers, family, friends and supporters. Members of the company guarantee to contribute an amount not exceeding £10 to the assets of the company in the event of winding up. The Trustees, who are also the directors and officers of the company, constitute its Board. The Board meets quarterly and officers are available for consultation by staff, individually and collectively, in the interim between meetings.

At each annual general meeting (AGM), one third of the Trustees retire by rotation but can stand for re-election.

Trustees are appointed by election at each AGM, being proposed by Trustees or members. During the year the Trustees, with such Trustees holding office until the following AGM, may make Trustee vacancies filled and appoint additional trustees.

Trustee Recruitment, Induction and Training

As an organisation, we work proactively to seek out new Trustees with the skills, experience and diversity to reflect the communities in which we work. All prospective trustees complete a skills audit to allow us to assess the contributions they may be able to make to the existing Trustee Board.

We provide prospective Trustees with comprehensive information to help them understand the charity and responsibilities of becoming a Trustee. Prospective candidates are interviewed by the chair and Chief Executive and may then be invited to attend a board meeting as an observer. Appointments will be subject to the vote in a Board meeting.

Prior to appointment we ask that prospective Trustees make clear that they:

- understand and accept the role and legal responsibilities of being a Trustee where those actions will be governed by charity and company law;
- are able to commit sufficient time to being a Trustee;
- are willing to become a member of Llanelli Mind;
- accept the Mission, Aims and Objectives of Llanelli Mind.

We follow this up with an induction process to ensure that new Trustees have the opportunity to familiarise themselves with the organisation and the context within which it works. The Chair of the Board of Directors manages the induction process.

Organisational structure

The Board delegates day-to-day management of the charity to the CEO, who allocates within the Management Team key responsibilities for core service delivery, service development, oversight of HR processes and procedures, Health and Safety, training and staff development, financial planning and administration, volunteer development and estates management.

Risk management

The Board regularly monitors significant risks to which the organisation is exposed and conducts an annual review. Where appropriate, systems or procedures are in place to mitigate the risks the organisation faces. External risks to funding are managed through close budget scrutiny and planning and the development of a strategic plan, which will examine financial sustainability. Internal financial risks are minimised by the implementation of policy and procedures for authorisation of all transactions and budget spends. There is also policies as well as an annual audit for Health & safety.

Considering the challenges faced the Board of Trustees confirms that the charity trustees have complied with their duty to have due regard to the guidance on public benefit published by the commission in exercising their powers or duties.

LLANELLI MIND

Independent examiner's report to the trustees of Llanelli Mind ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2024.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
