TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 31 JULY 2021

The trustees present their report and financial statements for the year ended 31 July 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

Objectives and activities

The purpose of the charity is to advance such charitable purposes (according to the law of England and Wales) for the public benefit as the trustees see fit from time to time.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

To this end, we have worked to raise awareness and support for outstanding charitable causes within the United Kingdom and outside of it, in accordance with the guidelines provided by the Charity Commission and by the HMRC.

Applications received for grant funding are considered and determined in accordance with the charity's Grant Making Policy Statement which is reviewed annually.

The charity has worked to provide a public audience, through its web activities and platforms, for causes that it has identified as outstanding and worthy of support. The charity also provides its platform for supported causes to use to promote themselves and to raise funds.

Over the course of the year, we successfully supported 59 outstanding causes and programs.

We aim to be a leading marketing and fiscal channel for learning about and supporting outstanding charitable causes.

We measure our success according to the funds that we raise in the reporting period.

This fiscal year 98% of the revenue that we collected was invested in programs and as donations for the charitable causes and programs that we support. We collected our revenue largely from online fundraising channels and platforms, and by partnering with leading UK charities.

Our trustees serve as volunteers and empower the activities of the charity.

Achievements and performance

This year we have decreased the number of programs that we support to 59. The total incoming donations received was £583,575 (2020: £641,300) and total value of outgoing donations and program expenditures was £574,785 (2020: £624,682).

The impact on the beneficiaries was substantial – over 580,000 pounds raised to support charitable activities, and thousands of UK citizens receiving the opportunity to learn about and become partners with outstanding charitable missions and projects.

All of this was achieved with a bare minimum of investment in fundraising and operations, and an extremely small expense to the taxpayer in terms of Gift Aid.

UK GIVES LIMITED

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 JULY 2021

Financial review

The total funds held at the end of the reporting period were £77,527 (2020: £68,737), all of which are unrestricted funds. Annually, we spend less than 2% of revenue on overhead and operational expenses and have no commitments to third parties or to donors. We feel confident that this amount of funds will suffice to cover all obligations and to ensure our fluid and continual operations.

The charity has no salaried employees and only spends funds that it has received and that are unrestricted.

In the upcoming reporting period, we anticipate a positive net cash flow of individual donations, as well as substantial support from charitable foundations.

Plans for future periods

In the upcoming year we plan to largely continue performing the same activities as in past years, and will assess the implications of Brexit and of COVID-19 on our activities and anticipated revenue. Past experiences have taught us what activities work best in terms of raising funds and in terms of charitable impact, and we will continue in the same direction of activity in order to continue to see the same success as we experienced this year.

Structure, governance and management

The charity is governed by its Articles of Association dated 17 July 2014. The directors, who also act as trustees, are appointed in accordance with the charity's constitution.

We recruit new trustees out of a pool of trusted confidants and outstanding business leaders. Our trustees serve as volunteers and collectively make decisions.

The charity partners with Israel Torem Ltd to handle administrative tasks for the charity, as well as due diligence and oversight of charitable projects when performed overseas. Israel Torem Ltd is owned by a trustee, Jonathan Bonder. This company does not receive payment from the charity for the services that it provides the charity.

All major risks have been reviewed and systems or procedures have been established to manage those risks.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Mr J Bonder
Mr N Smith
Mr R Mendel

TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) (CONTINUED) FOR THE YEAR ENDED 31 JULY 2021

Statement of trustees' responsibilities

The trustees, who are also the directors of UK Gives Limited for the purpose of company law, are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company Law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that year.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Small company provision

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption.

The trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF UK GIVES LIMITED

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 JULY 2021

1 Accounting policies

Charity information

UK Gives Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is 483 Green Lanes, London, N13 4BS.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

1.4 Incoming resources

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.5 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year-end are noted as a commitment, but not accrued as expenditure.

1.6 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

1 Accounting policies

(Continued)

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.
