Financial position

As at 31 December 2022 the funds of the charity amounted to £486,994 (2021: £532,096).

Reserves policy

It is the policy of the charity that monies not required for immediate purposes of the charity are invested in a bank deposit account.

Going concern

The Trustees have satisfied themselves that the charity is a going concern and has adequate resources to continue in operational existence for the foreseeable future. The charitable activities are funded by the investment portfolio and although Covid-19 has had a negative impact, the portfolio has sufficient value to support future grants making.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity was established by a charitable trust deed dated 12 February 2015.

Recruitment and appointment of new trustees

The power of appointing new trustees is vested in the trustees or the majority of trustees should there be more than two in number.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
TRIPLE T CHARITABLE TRUST**

Independent examiner's report to the trustees of Triple T Charitable Trust

I report to the charity trustees on my examination of the accounts of Triple T Charitable Trust (the Trust) for the year ended 31 December 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

TRIPLE T CHARITABLE TRUST

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2022

1. STATUTORY INFORMATION

The Triple T Charitable Trust is a charity registered in England and Wales. The charity's registered number and registered address can be found in the Trustees' Report.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended practice effective from 1st April 2005 which has since been withdrawn.

The trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

All funds held by the charity are unrestricted general funds which can be used in accordance with the charitable objectives at the discretion of the trustees.

Investments

Stocks and shares quoted on the London Stock Exchange are included in the balance sheet at their market value at the year end. The differences between the market value and the carrying value of the investments are included in the Statement of Financial Activities. No unquoted investments are held.

Profits and losses arising on the disposal of investments are included in the Statement of Financial Activities.
