OBJECTIVES AND ACTIVITIES

The Objects of the organisation are first to advance the Christian faith in accordance with the statement of beliefs for the benefit in the United Kingdom and in such other parts of the world as the trustees may think fit from time to time . The trustees confirm that they have had due regard to the guidance issued by the Charity Commission on public benefit before deciding what activities the charity should undertake.

ACHIEVEMENTS AND PERFORMANCE

The Organisation held no meetings through the year due to challenges in securing a suitable premises. They are expecting to restart their activities soon once suitable premises have been secured.

FINANCIAL REVIEW

The income of the charity was £150. Though this is a small amount for the year the costs have been well managed over this period. The organisation is still in a good position to manage its costs. The main cost of the organisation was paying for the rent of its building that it uses for worship services and events.

PLANS FOR THE FUTURE

The church intends to continue to hold services shortly. The intended re-appointment of our present independent examiner at the upcoming trustee meeting is expected to support the financial operations by making it more effective.

RESERVE POLICY

It is the policy of the Charity to maintain unrestricted funds, which are the reserves of the charity at about 3 months of unrestricted expenditure. This provides sufficient funds to cover any emergency expenditures that may arise from time to time. The charity will seek to maintain this level throughout the year.

RISK MANAGEMENT

The charity have assessed all the major risks to which the charity is exposed to, in particular those related to operations and finances of the charity, and are satisfied that systems are in place to mitigate exposure to major risks.
