TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their report and audited financial statements of the Trust for the year ended 31 March 2023. The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" (FRS 102) in preparing the annual report and financial statements of the Trust.

The financial statements have been prepared in accordance with the accounting policies set out in notes to the accounts and comply with the Trust's governing document, the Charities Act 2011 and Accounting and Reporting by the Financial Reporting Standard applicable in the UK and Republic of Ireland.

OBJECTIVES AND ACTIVITIES

The Objective of the Charitable Incorporated Organisation as stated in its constitution is:

- to advance such charitable purposes (according to the law of England and Wales) as the trustees see fit from time to time.

This objective is fulfilled by making grants in accordance with the organisation's grant making policy.

Grant Making Policy

The organisation is proactive in identifying projects, ministries, charities and individuals whose work relates to the organisation's objectives, but who generally are pursuing their causes without resorting to funding via professional fundraisers.

Public Benefit

A major proportion of the organisation's resources is allocated to various sister trusts based in Bishop Auckland, with the underlying aim of stimulating regeneration in Bishop Auckland and surrounding areas.

Grants have also been made to a range of other charitable projects and initiatives in other areas.

TRUSTEES' REPORT (Continued)
FOR THE YEAR ENDED 31 MARCH 2023

ACHIEVEMENTS AND PERFORMANCE

Once again, most of the money which came into LP2015 during the year went to The Auckland Project and Eleven Arches. Other funds went to other works which LP2015 has supported for a number of years.

Grant summary

	Year ended 31 March 2023 £	Year ended 31 March 2022 £
<i>Bishop Auckland based Trusts</i>		
The Auckland Project (<i>formerly Auckland Castle Trust</i>)	4,500,000	5,000,000
Eleven Arches Trust	10,000,000	1,000,000
Zurbaran Trust	3,000,000	515,992
<i>Other Grants</i>		
Archbishop of Canterbury Discretionary Trust	100,000	100,000
Art Fund (Ruffer Curatorial Bursary)	75,000	75,000
County Durham Community Foundation	500,000	500,000
First Fruit	75,000	500,000
SHED (previously Seedbed Christian Communities Trust)	3,500,000	3,500,000
General Grants of less than £5,000	33,000	8,000
Stockton Project	152,100	50,000
Prince's Trust	85,450	85,450
Wear Valley Women's Project	55,000	50,000
CDCF Hardship Fund	250,000	-
Total Grants and Donations	22,325,550	11,384,442

Subsequent to the year end, it was agreed that the grant awarded to the Prince's Trust would be returned to LP15.

TRUSTEES' REPORT *(Continued)*
FOR THE YEAR ENDED 31 MARCH 2023

FINANCIAL REVIEW

Full details of the organisation's financial position can be found in the accompanying financial statements attached to this report. The Statement of Financial Activities shows total incoming resources of £30,390,184 (2022 - £22,405,267), total resources expended of £25,581,171 (2022 - £11,359,366) resulting in a surplus of £7,807,013 (2021 - £11,045,901 before a loss on investments of £1,686,930 (2021 - £4,284,547)).

Investments Policy

The objectives of the Investment Funds are to enhance incoming resources of the organisation through increasing investment income, and through appreciation in value of the investments held, by careful management of the portfolio.

A proportion of the Fund may be invested in securities to counteract the impact of future inflation.

No consideration of a social, environmental or ethical nature is taken into account in choosing investments.

There has been a further impairment in the investment in Datafree during the year, which reflects the ongoing difficulty in obtaining a meaningful valuation of tech startup companies, and also to reflect the uncertainty in the company at the current stage of its life cycle. Until sufficient profits are generated, the value of the company is very hard to quantify in the absence of an open market for its shares. It is important to remember that the purpose of the investment is to fund social good in Southern Africa; a significant element in the investment decision was to fund social good.

Reserves policy

LP2015 has not established a long-term endowment fund. Its focus is on meeting the development costs associated with the Auckland Castle projects and contributing to other charitable projects within the scope of its aims and objectives.

At 31 March 2023 the closing fund balance was £29,607,051 (2022 – £23,496,968) all of which relates to unrestricted funds.

PLANS FOR THE FUTURE

Lempriere Pringle 2015's future income will continue to be from investments held in its own right, making it less reliant on donations from individuals. The current grant-making strategy will be maintained with the majority of funds going to the Bishop Auckland projects together with ongoing support for existing funded charities.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing documents

The Charitable Incorporated Organisation was incorporated on 1 May 2015 and is registered with the Charity Commission under number 1161516.

Organisational structure

The Board of trustees meets regularly to formally administer the Organisation and is in frequent communication. The day to day administration is carried out by Mr J G Ruffer and the Secretary Mrs J E Henderson.

TRUSTEES' REPORT (Continued)
FOR THE YEAR ENDED 31 MARCH 2023

Risk assessment

The trustees examined where there may be risks which the Organisation could face, and have taken appropriate action to mitigate those risks.

Conflicts of Interest Policy

A register of trustees' interests is maintained and trustees are invited to declare any conflicts at the beginning of each meeting. Jonathan and Jane Ruffer's wide involvement in other trusts based in Bishop Auckland, which receive substantial funding from Lempriere Pringle 2015, result in them being technically conflicted and so their daughter, Harriet O'Rourke, is also conflicted. However, no personal benefit arises.

The conflicts of interest policy was revised in July 2023.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

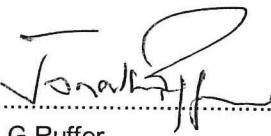

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and regulations and United Kingdom Accounting standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Trust and of the incoming resources and application of resources of the Trust for that year. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in business.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the Trust's transactions and disclose with reasonable accuracy at any time the financial position of the Trust and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Trust and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 31 October 2023 and signed on their behalf by:

.....
J G Ruffer
Trustee

**INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF LEMPRIERE PRINGLE 2015**

Opinion

We have audited the financial statements of Lempriere Pringle 2015 (the 'parent charity') and its subsidiaries (the 'group') for the year ended 31 March 2023 which comprise the Consolidated Statement of Financial Activities, the Balance Sheet, the Consolidated Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and parent charity's affairs as at 31 March 2023, and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group and parent charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group and parent charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue. Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the trustees annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF LEMPRIERE PRINGLE 2015 (Continued)**

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the parent charity's financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 5, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group and parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charity or to cease operations, or have no realistic alternative but to do so.

Auditor responsibilities for the audit of the financial statements

We have been appointed as auditor under section 151 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

We obtained a detailed understanding of the legal and regulatory framework applicable to both the charity itself and the industry in which it operates. We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience and through discussion with the trustees and other management. The most significant were identified as UK GAAP (FRS 102) and relevant tax legislation. We considered the extent of compliance with those laws and regulations as part of our procedures on the related financial statements.

Our audit procedures included:

- Confirming with the trustees and management whether they have any knowledge or suspicion of fraud.
- Obtaining an understanding of the internal controls established to mitigate risks related to fraud and non-compliance with laws and regulations.

**INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF LEMPRIERE PRINGLE 2015 (Continued)**

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities is available on the FRC's website at: <https://www.frc.org.uk/auditors/audit-assurance/auditor-s-responsibilities-for-the-audit-of-the-fi/description-of-the-auditor%E2%80%99s-responsibilities-for>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023**

1. Accounting policies

1.1 Basis of accounting

Lempriere Pringle 2015 is a CIO registered in England. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £1 per member of the charity. The address of the registered office is given in the charity information on page 4 of these financial statements. The nature of the charity's operations and principal activities are detailed on page 1.

The charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, and UK Generally Accepted Accounting Practice.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The financial statements are prepared on a going concern basis under the historical cost convention, modified to include certain items at fair value. The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

1.2 Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorising these financial statements, and in particular note that the vast majority of the Trust's expenditure is at the discretion of the Trustees. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

1.3 Group financial statements

The financial statements consolidate the results of the charity and its wholly owned subsidiary, LPT Trading Limited, on a line by line basis. A separate Statement of Financial Activities and Income and Expenditure Account for the charity itself is not presented.

NOTES TO THE FINANCIAL STATEMENTS (Continued)
FOR THE YEAR ENDED 31 MARCH 2023

1.4 Income

All incoming resources are included in the Statement of Financial Activities when the charity has entitlement to the funds, any performance conditions have been met, the amount can be measured reliably and it is probable that the income will be received.

Donations, legacies and other forms of voluntary income are recognised once the Trust has entitlement to the resources, it is certain that the resources will be received and the monetary value of the income resources can be measured with sufficient reliability. Such income is only deferred when the donor specifies that the grant or donation must only be used in future accounting years.

Interest on funds held on deposit is included when receivable and the amounts can be measured reliably by the Trust; this is normally upon notification of the interest paid or payable into the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment advisor of the dividend yield in the investment portfolio.

1.5 Expenditure and irrecoverable VAT

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to the expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses including support costs and governance costs are allocated to the applicable expenditure headings. For more information on this attribution refer to note 1.6 below.

Grants payable are payments made to third parties in the furtherance of the charitable objects of the Trust. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the one-year or multi-year grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the Trust.

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty as to the timing of the grant or the amount of grant payable.

Irrecoverable VAT is charged against the expenditure heading for which it was incurred.

1.6 Allocation of support and governance costs

Support costs have been allocated between governance costs and other support costs. Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice.

Support costs are those that assist the work of the charity but do not directly represent charitable activities. They are incurred directly in support of expenditure on the objectives of the Trust.

NOTES TO THE FINANCIAL STATEMENTS (Continued)
FOR THE YEAR ENDED 31 MARCH 2023

1.7 Investments

Investments are initially recognised at their transaction value excluding transaction cost. Subsequently they are measured at fair value through the statement of financial activities if the shares are publicly traded or their fair value can be measured reliably. Other investments, including subsidiaries and associates, are measured at cost less impairment.

The main form of financial risk faced by the Trust is that of volatility in equity markets and investment markets due to wider economic conditions, the attitude of investors to investment risk, and changes in sentiment concerning equities and within particular sectors or sub sectors.

1.8 Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

1.9 Debtors

Other debtors are recognised at the settlement amount due.

1.10 Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.11 Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement after allowing for any trade discounts due.

1.12 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

1.13 Funds

Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in furtherance of the charitable objectives. Unrestricted funds include designated funds which the trustees, at their discretion, have created for a specific purpose.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donor or trust deed. There is a single restricted fund relating to the restrictions imposed by the Charity Commission following the transfer of the reserves from Lempriere Pringle Trust (please see Note 15).

NOTES TO THE FINANCIAL STATEMENTS (Continued)
FOR THE YEAR ENDED 31 MARCH 2023

1.14 Judgements and key sources of estimation uncertainty

In the application of the Trust's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

There are no significant accounting estimates which are considered to materially impact the financial statements.

2. Financial performance of the Trust only

The Consolidated Statement of Financial Activities includes the results of the Trust's wholly owned subsidiary, LPT Trading Limited.

The summary financial performance of the Trust alone is:

	2023	2022
	£	£
Income	10,510,681	8,590,287
Charitable donation from subsidiary company	13,813,000	12,463,839

Fixed assets listed investments

	£
Market value at 1 April 2022	2,126,031
Additions to investments at cost	-
Disposals at carrying value	-
Revaluation of investments to market value	103,070
Market value at 31 March 2023	<u>2,229,101</u>
Historical cost	<u>380,197</u>

Equity investments that are traded on a quoted market are held at fair value determined by reference to the quoted price for identical assets in an active market at the balance sheet date.

Most holdings are not held in quoted companies, and these are held at cost, or the sterling equivalent where cost is in a foreign currency, less impairment on the basis that they represent shares in equities that are not publicly traded, and the fair value cannot otherwise be measured reliably. Where such companies have been traded at arm's length the valuation is struck at the last transaction.

	<u><u>3,000,000</u></u>	<u><u>3,000,000</u></u>	<u><u>3,425,100</u></u>	<u><u>3,000,100</u></u>

Other investments are measured at cost less impairment on the basis that they represent shares in entities that are not publicly traded and the fair value cannot otherwise be measured reliably.

Investment in subsidiary

The Trust owns 100% of the ordinary share capital of LPT Trading Limited, a company registered in England and Wales. The principal activity of the company is to hold an interest in Ruffer LLP and to pass income arising to its parent, Lempriere Pringle 2015, by way of charitable donation. The audit report for 31 March 2023 was unqualified. A summary of the trading results is below:

	2023	2022
	£	£
Turnover	19,879,503	13,814,980
Expenses	(1,799)	(2,550)
Taxation	-	-
Profit/loss	<u>19,877,704</u>	<u>13,812,430</u>
Charitable donation	(19,879,503)	(12,463,839)
Total assets	<u><u>20,877,234</u></u>	<u><u>10,198,120</u></u>

Investment in associate

On 31 August 2017 the Trust acquired 46% of the ordinary share capital of biNu Pty Limited, a company registered in Australia. There was a rights issue on 6 January 2019 increasing the shareholding to 62% which resulted in the investment being classified as an associate. Two further investments were made during 2019-20 on 18 July 2019 and 19 December 2019 increasing the shareholding to 79.5% at 31 March 2020. In 2020, biNU Pty Limited, was moved to be registered in the UK and was named Datafree Limited. Further share and rights issues have taken place throughout 2021, 2022 and 2023 and as at 31 March 2023, the Trust owns 33% of the share capital.

The investment has been impaired to nil to reflect the difficulty in obtaining a meaningful valuation of tech start-up companies, and also to reflect the uncertainty in the company at this stage of its life cycle. Until sufficient profits are generated, the value is very hard to quantify in the absence of an open market for Datafree's shares.

NOTES TO THE FINANCIAL STATEMENTS (Continued)
FOR THE YEAR ENDED 31 MARCH 2023

12. Fixed Asset Investments (Continued)

On 20 December 2021, the Trust acquired 18.75% of the ordinary share capital of Colnaghi Holdings Limited, a company registered in the United Kingdom, for £3,000,000.

	Investment in associate £	Investment in subsidiary £	Total £

Wide range

These are funds available for distribution according to the Objects of the organisation as set out in the Articles, namely "to advance such charitable purposes (according to the law of England & Wales) as the Trustees see fit from time to time".

Neapolitan Nativity

During the prior year, the Trust received a donation with the express purpose of using it to acquire the Neapolitan Nativity. This asset was acquired during the prior year and therefore the purpose of the donation was fulfilled and the restriction on its use lifted.

Colnaghi

During the prior year, the Trust received a donation with the express purpose of using it to acquire shares in Colnaghi Holdings Limited. These shares were acquired during the prior year and therefore the purpose of the donation was fulfilled and the restriction on its use lifted.
