The objects of the CIO are:

1. the promotion for the public benefit of:
 1. equality and diversity by the elimination of discrimination on the grounds of disability in the sport of cheerleading (and in such other sports and activities as the trustees may think fit from time to time); and
 2. the education (including by way of advocacy, counselling, social and physical training, and such other ways as the trustees think fit) of the public in the sport of cheerleading for those with physical disabilities (and in such other sports and activities as the trustees may think fit from time to time); and
2. the relief of those persons with a physical disability by encouraging and promoting the sport of cheerleading for those with physical disabilities with the object of improving conditions of life and to assist their integration into society.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

- We worked with Sport Cheer England to create a partnership and support the England Adaptive Abilities teams management with training.
- Our funding from The Fore pivoted from the Hubs project to building a National Development programme for athletes and coaches which was set up and started taking payments for camps in Early 2024

All of the above activities have been carried out with the awareness of the Trustees as to the requirements of the charity to meet its purpose for public benefit and they have had due regard to this, as is their duty to do so.
