### **Achievements against objectives set**

We successfully expanded our gardening and art projects to exceed expectations and developed many new relationships and partners.

We were able to establish a maintenance programme to ensure longevity of existing projects.

We did major work on developing our network of volunteers at all our projects.

We identified the need for First Aid training for our gardeners and have set up a programme with Coram's Fields and 1<sup>st</sup> Compressions First Aid.

We have produced a set of guidelines for all volunteers and gardeners working on our station projects to ensure safety.

We have reviewed our insurance policies, in light of the above.

### **Structure, governance, and management**

Every Trustee must be appointed for a term of three years by a resolution passed at a properly convened meeting of the trustees.

In selecting individuals for appointment as trustees, the trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

The trustees will make available to each new trustee, on or before his or her first appointment:

- A copy of the current version of this constitution; and
- A copy of the CIO's latest Trustees' Annual Report and statement of accounts.

New trustees are given a full induction into the activities of the charity, including visits to current projects and a full brief on all activities including future plans.

New trustees will be DBS checked and made aware of the charity's protection policies.

The trustees have reviewed all current policy documents, which are attached at the end of this report.

## Financial review

The net surplus for the year amounted to £48,210 (2022: £43,315). Total restricted funds are nil for the year (2022: nil), with general reserves (unrestricted and designated funds) now standing at £99,871 and £35,000 respectively (2022: £52,794 and £33,000), for a total funds balance at 30 April 2023 of £134,871 (2022: £86,661).

## Reserves policy and going concern

It is the charity's policy to regularly review and maintain reserves comprising of unrestricted and designated funds to ensure the prudent day-to-day financial management of the charity and to meet obligations.

The policy also aims to ensure that unrestricted funds are built to match 10% of turnover or £25,000 whichever is greater. As at 30 April 2022, total unrestricted funds are well over the target range but remain focused on securing funding to enable managing charitable activity projects.

Designated funds are reserved to meet charitable obligations. For 2023/24 £21,600 has been set aside to maintain planters installed at stations and in communities.

The charity has secured operational funding of £50,000 per year until 30 April 2024.

The trustees have identified no significant short or medium-term financial risks to the charity's continued operations, and therefore the accounts have been prepared on the going concern basis.

## Funding

The charity's principal sources of funding are:

- Unrestricted grants and donations from charitable trusts.
- Restricted grants from Transport for London, The Association of Community Rail Partnerships, and Network Rail are for specific projects.
- Donations from the general public through the government's Donate scheme.
- Business donations.

The Trust has continued with several successful commercial partnerships, including those with Cheerios and Bloom & Wild. The Trustees are aware of the need to do due diligence to ensure the Trust's commercial partners align with the directives of the charity.

## Risk

The charity is dependent on unrestricted grants from charitable trusts for its core funding. At the end of this financial year, it had secured such funding until April 2024. The charity's activities will be at risk should further such funding not be secured after this period.

## Statement of Trustees' responsibilities

Law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the period and of its financial position at the end of the period. In preparing financial statements giving a true and fair view, the Trustees should follow best practice and:

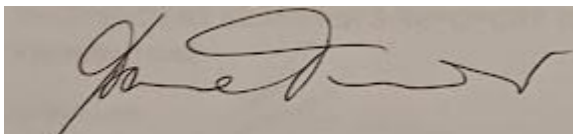

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principals in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements;
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United

Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

This report was approved by the Trustees on 12 September 2023 and signed by:

## Independent Examiner's report to the trustees of The Bee Friendly Trust

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 30 April 2023 which are set out on pages 10 to 17.

### Responsibilities and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiners statement

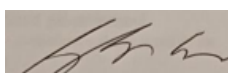

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below \*) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## BEE FRIENDLY TRUST POLICY DOCUMENTS

### **Equality, diversity and inclusion policy**

The Bee Friendly Trust is committed to encouraging equality, diversity, and inclusion among our workforce, including our volunteers, and eliminating unlawful discrimination.

The aim is for our workforce to be truly representative of all sections of society and our customers, and for each employee to feel respected and able to give their best.

The charity - in providing goods and/or services and/or facilities - is also committed against unlawful discrimination of customers or the public.

This policy's purpose is to:

1. Provide equality, fairness, and respect for all in our employment, whether temporary, part-time or full-time, or volunteering.

2. Not unlawfully discriminate because of the Equality Act 2010 protected characteristics of:

- age
- disability
- gender reassignment
- marriage or civil partnership
- pregnancy and maternity
- race (including colour, nationality, and ethnic or national origin)
- religion or belief
- sex
- sexual orientation

3. Oppose and avoid all forms of unlawful discrimination. This includes in:

- pay and benefits
- terms and conditions of employment
- dealing with grievances and discipline
- dismissal
- redundancy
- leave for parents
- requests for flexible working
- selection for employment, promotion, training, or other developmental opportunities

The charity commits to:

1. Encourage equality, diversity and inclusion in the workplace as they are good practice and make business sense

2. Create a working environment free of bullying, harassment, victimisation and unlawful discrimination, promoting dignity and respect for all, and where individual differences and the contributions of all staff are recognised and valued.

This commitment includes training managers and all other employees and volunteers about their rights and responsibilities under the equality, diversity and inclusion policy. Responsibilities include staff conducting themselves to help the charity provide equal opportunities in employment, and prevent bullying, harassment, victimisation and unlawful discrimination.

All staff should understand they, as well as their employer, can be held liable for acts of bullying, harassment, victimisation and unlawful discrimination, in the course of their employment, against fellow employees, customers, suppliers and the public

3. Take seriously complaints of bullying, harassment, victimisation and unlawful discrimination by fellow employees, customers, suppliers, visitors, the public and any others in the course of the charity's work activities.

Such acts will be dealt with as misconduct under the charity's grievance and/or disciplinary procedures, and appropriate action will be taken. Particularly serious complaints could amount to gross misconduct and lead to dismissal without notice. Further, sexual harassment may amount to both an employment rights matter and a criminal matter, such as in sexual assault allegations. In addition, harassment under the Protection from Harassment Act 1997 – which is not limited to circumstances where harassment relates to a protected characteristic – is a criminal offence.

4. Make opportunities for training, development, and progress available to all staff and volunteers who will be helped and encouraged to develop their full potential, so their talents and resources can be fully utilised to maximise the efficiency of the charity.

5. Make decisions concerning staff being based on merit (apart from in any necessary and limited exemptions and exceptions allowed under the Equality Act).

6. Review employment practices and procedures when necessary to ensure fairness, and also update them and the policy to take account of changes in the law.

7. Monitor the make-up of the workforce regarding information such as age, sex, ethnic background, sexual orientation, religion or belief, and disability in encouraging equality, diversity and inclusion, and in meeting the aims and commitments set out in the equality, diversity and inclusion policy.

Monitoring will also include assessing how the equality, diversity and inclusion policy, and any supporting action plan, are working in practice, reviewing them annually, and considering and taking action to address any issues.

The equality, diversity and inclusion policy was agreed by the charity's trustees and is reviewed annually. Details of the charity's grievance and disciplinary policies and procedures can be obtained from the Chair of Trustees. This includes with whom an employee or volunteer should raise a grievance.

Sustainable Procurement “A process whereby organisations meet their needs for goods, services, works and utilities in a way that achieves value for money on a whole life basis and generates benefits not only to the organisation, but also to society, the economy and the environment”.

The Bee Friendly Trust accepts its responsibility through its business practices and policies to enhance and be accountable for the social, economic, and environmental aspects of its local community and the communities that it operates within.

The Bee Friendly Trust are conscious that our activities affect the environment in which we exist, and we are acting to minimise negative environmental and social impacts associated with the products and services we supply and purchase.

The Bee Friendly Trust acknowledge our responsibilities in delivering this policy and recognise the importance of engaging our suppliers and (internal) customers in its implementation. In addition to supporting The Bee Friendly Trust Environmental Management System and complying with The Bee Friendly Trust broader Environmental Policy, we will embrace the following principles:

Organisational commitment to making more sustainable choices when applying our services through procurement. This means identifying more sustainable ways of meeting requirements and designing sustainable procurement specifications accordingly. The approach will address the social, economic, and environmental implications of product and service choices. When relevant it will embrace whole- life costing and address how aspects such as design, manufacturing materials,

operating costs, energy consumption, waste and recycling options support a more sustainable approach; and working in partnership with our suppliers and contractors to minimise the environmental and social impacts of our supply chain.

### Procurement Policy Statement

The Bee Friendly Trust will incorporate sustainability into our everyday procurement activity to benefit society, the economy, and the environment.

The Bee Friendly Trust will purchase goods and supply services in a way that minimises the impact on the environment where it is practical and economically viable.

The Bee Friendly Trust will initiate savings in materials, energy, reduce waste, and promote a sustainable approach to the way we conduct our business.

Working with colleagues and suppliers we will ensure whole-life costs are considered and that, where practical and economically viable, purchases have been manufactured and are delivered, used, and disposed of in an environmentally responsible manner.

This policy will be supported by a Sustainable Procurement Strategy and Delivery Plan covering the 10 Steps to Sustainable Procurement, together with specific objectives and targets. This policy, strategy, and delivery plan will be reviewed annually.

The Bee Friendly Trust (the Employer) takes health and safety issues seriously and is committed to protecting the health and safety of its staff and volunteers and all those affected by its business activities and attending its projects.

#### Employer responsibilities

1. The Employer is responsible for taking reasonable steps to safeguard the health and safety of staff, people affected by the Employer's business activities and of people visiting its projects.

#### Staff and volunteer responsibilities

4. All staff and volunteers must take responsible care for their own health and safety and that of others who may be affected by their acts or omissions.

The Trust has devised these working protocols which all staff and volunteers must follow when working on station projects:

- Sign in at station office or ticket office.
- Wear a HiVis jacket or waistcoat.
- Wear gloves.
- Keep at least 1 metre from the platform edge and be mindful of passing trains.
- Always keep any tools with you and do not leave anything unattended that could be blown on the tracks.
- Beware of sharps and other litter and dispose of safely.
- Remove any waste to a safe and suitable location. Station staff will be able to help you with this.
- Report any issues, or requests for help or materials, to the Principal Health and Safety Officers.

## **Grievance procedure**

### **1. Dealing with grievances informally**

If you have a grievance or complaint about your work or someone you work with you should start by speaking with your manager wherever possible. You may be able to agree a solution informally between you. Your manager will usually be whoever you are working with on the day. Otherwise refer the matter to Luke Dixon or Emma Pritchard.

### **2. Formal grievance**

If the matter is serious or you wish to raise it formally you should put the grievance in writing to your manager, as above. You should keep to the facts and avoid language that is insulting or abusive.

If your grievance is against your manager and you feel unable to approach them, you should raise it with Luke or Emma. If your grievance is with them you should refer the matter to the Trustees. A current list of Trustees and contacts can be found on the charity's website.

### **3. Grievance hearing**

Your manager or a Trustee will call you to a meeting, usually within 5 working days, to discuss your grievance. You have the right to be accompanied by a colleague or trade union representative.

After the meeting your manager or the Trustee will give you a decision in writing, usually within 24 hours.

If the manager or the Trustee needs more information before making a decision, they will inform you of this and the timescale.

#### 4. Appeal

If you are unhappy with the decision on your grievance you can raise an appeal. You should tell your manager or the Trustee who handled your grievance.

You will be invited to an appeal meeting, normally within 5 working days, with a more senior manager (or a different Trustee). You have the right to be accompanied by a colleague or trade union representative.

After the meeting the manager (or Trustee) will give you a decision, usually within 24 hours. That decision is final.
