

Very proud of all the boys and to be part of our team . We showed some great fighting spirit both in the Neath lge where we came 4 just missing out on promotion and mid table In the Port talbot lge consolidating our position. The list of thankyou's is extremely long and I am extremely grateful to all who helped this year. Mike who did a brilliant job as captain and treasurer. Nack who works behind the scenes even tho he couldn't play. Ken who as ever works tirelessly even tho he wasn't in the best of health, Ian for all his hard work on the green. big thank you to H and Gloria for all their hard work as well as hoops for the faultless dinner. The selection com, coz let's face it, it's a shit job. The management com for all that they do for the club, the members who looked after the bar and tidied up around the green for anybody I haven't mentioned I do apologise.
