Erdington Foodbank Annual Report

2024-2025

- Demand has been consistently high and, indeed, heightened and intensified, especially at the end of this period as we entered into lockdown. This financial year we provided 17,769 food parcels, this being for 11,545 adults and 6,244 children.
- Of those we provided food for the vast majority are from the wards of Stockland Green and Gravelly Hill, followed by Erdington Ward. Our main referral agencies have been Birmingham City Council, Help Through Hardship, People For People and various supported housing providers.
- Many of the people whom we serve have been coming to us because of problems with Universal Credit: the initial 5 week delay; disruption to payments; benefits being stopped or deductions being made; or simply the amount being paid being insufficient and paid in such a way that it is hard to manage.
- We continue to receive great community support with regard to food and monetary gifts but as we spend around £12,000 on food each month, it is an enormous challenge for us to keep up with demand. We need to increase our financial income.
- We have an amazing team of volunteers:-“front of house” people at the distribution centres; bag packers; warehouse workers; delivery people; admin workers; fundraisers and donors; prayer partners; cardboard carriers; and more besides (apologies if I have missed out the thing that you do).
- Jean, our Coordinator, has continued to work so hard making pretty much everything happen and now, with the benefit of funds from Trussell, we have been able to recruit a Partnerships and Fundraising Worker: May joining in December 2024.
- I am very pleased that we have a really excellent team of trustees. However, we need to recruit some additional trustees with different skillsets and experience in order to strengthen our team.
- Since December 2022 we have had the benefit of a Financial Inclusion Grant from Trussell Trust which has enabled us to have a full-time Birmingham Settlement advisor providing a much more effective route for people to receive advice and support.
- We also continue to benefit from a grant from Trussell Trust to enable us to pay for a “warehouse” space at St Marks Church Hall, Stockland Green.
- *Spaghetti Food Pantry* operating out of All Saints Church continues to grow: not only offering a way forward beyond foodbanks but building community too.

These have been very challenging times. What we are working on together surely is making a massive difference in the lives of some of the most disadvantaged people in our community. Thank you!

Erdington Foodbank Annual Report 2023-2024

Another busy year for us:-

- Demand has been consistently high and, indeed, heightened and intensified, especially at the end of this period as we entered into lockdown. This financial year we provided 19,684 food parcels, this being for 13,243 adults and 6,441 children.
- Of those we provided food for the vast majority are from the wards of Stockland Green and Gravelly Hill, followed by Erdington Ward. Our main referral agencies have been Birmingham City Council and various supported housing providers.
- Many of the people whom we serve have been coming to us because of problems with Universal Credit: the initial 5 week delay; disruption to payments; benefits being stopped or deductions being made; or simply the amount being paid being insufficient and paid in such a way that it is hard to manage.
- We continue to receive great community support with regard to food and monetary gifts but as we spend around £10,000 on food each month, it is an enormous challenge for us to keep up with demand. We need to increase our financial income.
- We have an amazing team of volunteers:-“front of house” people at the distribution centres; bag packers; warehouse workers; delivery people; admin workers; fundraisers and donors; prayer partners; cardboard carriers; and more besides (apologies if I have missed out the thing that you do).
- Jean, our Coordinator, has continued to work so hard making pretty much everything happen.
- I am very pleased that we have a really excellent team of trustees: Mercy Otieno (minute-taker), Rev Ann Richardson, Mel Taylor, Chris Allen and myself.
- Since December 2022 we have had the benefit of a Financial Inclusion Grant from Trussell Trust which has enabled us to have a full-time Birmingham Settlement advisor providing a much more effective route for people to receive advice and support.
- We also received a grant from Trussell Trust to enable us to pay for a “warehouse” space at St marks Church Hall, Stockland Green. Our old warehouse has been demolished. This is the second time this has happened to us!
- *Spaghetti Food Pantry* operating out of All Saints Church continues to grow: not only offering a way forward beyond foodbanks but building community too.

These have been very challenging times. What we are working on together surely is making a massive difference in the lives of some of the most disadvantaged people in our community.

Erdington Foodbank Annual Report 2021-2022

Another busy year for us:-

- Demand has been consistently high and, indeed, heightened and intensified, especially by continual tightening of universal credit rules and the economic crisis.
- We learnt from lockdown and are continually reviewing the way we operate. We re-started the voucher system, and this helped with ensuring we gave food to people that really needed help. People are now able to come into the distribution centres again and we continue to build connections with people.
- A foodbank prayer meeting was set up that happens every week.
- The thinking and work on opening some food pantries in the Erdington area began and gained momentum during the year with a lot of willing volunteers. The goal is to have one food pantry open by the end of 2022. They will initially be overseen by the trustees of Erdington Foodbank.
- Members passed a resolution to change our Constitution from an Association CIO to a Foundation CIO whose trustees are its membership. This was passed at the AGM and is soon to be filed with the Charity Commission
- Our partnerships with Birmingham Settlement and Centrala have been really helpful to our users. They have offered benefits advice, issued vouchers and carried out case work with users.
- Our brilliant volunteers continue to work tirelessly and selflessly especially during periods of illness of key volunteers (a big thank you to Isabel especially for stepping up to cover during Jean's illness – you were fantastic!). Our volunteers' resilience and dedication came through as everything continued seamlessly well.
- Jean is fully recovered – praise be to God and is back to working hard and making sure everything is going smoothly.
- Dorothy sadly had to leave us due to needing to relocate and it would have been difficult for her to travel the long distance to work. During her time with us, she was able to set up our Facebook page, produce our very first newsletter, began work on a volunteering policy and brought to fruition a number of great projects. Thank you for all your hard work Dorothy and all the best for the future.
- A difficult year too where we lost some very key champions of the work of Foodbank. Ellen Jenkins who was one of our first Foodbank Trustees, Penny Holbrook who was the Councillor of Stockland Green and our MP Jack Dromey were both great advocates and helpers of Erdington Foodbank.

- We continue to strengthen our governance by setting up policies around volunteering, safeguarding and fund raising
- Food donations have reduced significantly due to the economic crisis and we now rely in the main part on buying food in. Thankfully we have continued to receive help from some regular individual donors, businesses, faith groups, schools and various voluntary groups.
- In spite of occasional communications that we will have to move out, we remain at the current warehouse at Central Square. We have also invested in a Shipping Container and utilise this as additional food storage area. The container is based at Connected Life Church.

The challenging times continue with the energy crisis this winter being the main worry for many. We hope that we will be able to continue supporting struggling individuals and families this winter so they do not have to go hungry. So, thank you everybody for all you have been doing and continue to do. What we are working on together surely is making a massive difference in the lives of some of the most disadvantaged people in our community.

Thank you!

Some facts and figures.

Total amounts of food given out in financial year 2021-2022

We provided food on a total 15,655 occasions.

for 11,212 adults + 4443 for children

Last year's total was: 22,066 = 14,419 adults + 7,647 children!

Of those we provided food for the vast majority are from the wards of Stockland Green and Gravelly Hill, followed by Erdington Ward. We continue to very much provide a local service for the Erdington community.

Main referral agencies

We have moved back to a more consistent voucher/referral based system.

The main reasons given for needing help were as follows:-

Remains benefit delays and benefit changes, low income and debt. The issues hidden behind these is the impact on individuals (and families) of the harshness of the Universal Credit system, having benefits stopped and simply finding that either benefits or wages are not enough to live on.

Thanks again for all of your support!

Erdington Foodbank Annual Report 2020-2021

Another busy year for us:-

- Demand has been consistently high and, indeed, heightened and intensified, especially at the end of this period as we entered into lockdown.
- Many of the people whom we serve have been coming to us because of problems with Universal Credit: the initial 5 week delay; disruption to payments; benefits being stopped or deductions being made; or simply the amount being paid being insufficient and paid in such a way that it is hard to manage.
- In the light of the continuing Covid-19 pandemic we have continued to change how we work. Our service users are still yet to come into the distribution centres at George Road and Six Ways. We have also been operating on a much reduced volunteer team.
- Food donations have held up at a very generous level and we have continued to receive help from some businesses, faith groups, schools and various voluntary groups.
- In spite of occasional communications that we will have to move out, we remain at the current warehouse at Central Square. Our best ever home for storage! Thanks are due to our MP, Jack Dromey, who continues to advocate for us regarding our home for storage.
- We have an amazing team of volunteers:- "front of house" people at the distribution centres; bag packers; warehouse workers; delivery people; admin workers; fundraisers and donors; prayer partners; cardboard carriers; and more besides (apologies if I have missed out the thing that you do).
- Jean, our Coordinator, has continued to work so hard making pretty much everything happen! We are currently missing her and praying for a speedy recovery as at the time of writing she remains in hospital.
- We also now have, Dorothy Allen as our new Project Development Worker. Dorothy has been a wonderful addition to our team. She has proven to be so adaptable, capable and is working hard in so many areas of the life of Erdington Foodbank.
- I am very pleased that we have a really excellent team of trustees: Mercy Otieno (minute-taker), Rev Ann Richardson, Mel Taylor, Chris Allen, Pastor Rasaan Ibrahim (treasurer), Courtney Brown, Shirley Harley and myself.
- In the past year we have had and continue to have very fruitful partnerships with Birmingham Settlement and Centrala (providing advice and support) and Kingstanding Regeneration Trust.

These have been very challenging times. We hope that soon we will be able to be fully back in the building at both distribution centres. So, thank you everybody for all you have been doing and continue to do. What we are working on together surely is making a massive difference in the lives of some of the most disadvantaged people in our community.

Thank you!

Some facts and figures.

Total amounts of food given out in financial year 2020-2021

We provided food on a total of 22,066 occasions.

14,419 for adults + 7,647 for children

Last year's total was: 8429 = 6599 adults + 1830 children!

Of those we provided food for the vast majority are from the wards of Stockland Green and Gravelly Hill, followed by Erdington Ward. We continue to very much provide a local service for the Erdington community.

Main referral agencies

Supported housing providers have been our main referrers. During the pandemic we have been much more flexible in terms of referrals. It has been hard for people in need to obtain vouchers, so access has been freer. We are presently moving back to a much more voucher/referral based system.

The main reasons given for needing help were as follows:-

Remains benefit delays and benefit changes, low income and debt. The issues hidden behind these is the impact on individuals (and families) of Covid-19 and waiting for Universal Credit, having benefits stopped and simply finding that either benefits or wages are not enough to live on.

Thanks again for all of your support!
