Trustees Annual Report of Achievements and Performance

Each year we organise an annual trip to India for the trustees and volunteers of India Child Program. During the trip, the trustees and volunteers get a first-hand account of the children in need and how our partnership with various boarding schools is helping to alleviate the illiteracy and break the cycle of poverty. This year, we were unable to accomplish the trip due to COVID restrictions. However, we have managed to buy dozens of smartphones for our children in order to continue their studies online. We continue to cooperate with 5 schools in the states of Andhra Pradesh and Telangana.
