## Achievements and performance

SSW membership continues to be covered for our volunteer instructors

- Donations have allowed the continual upskilling of a number of volunteers and this year we were also fortunate to attend a subsidised ski training trip in Verbier, Switzerland. The instructors developed a formal pathway which included on piste training, reflection and evening sessions

This year 2 of our members delivered the first ever modular adaptive training sessions earlier in the year, endorsed by our NGB Snowsport Wales.

We held our 4<sup>th</sup> SKI Bears trip to Samoens in January. Our trusted volunteers enabled 10 Ski Bears and their families to experience the holiday of a lifetime. Sit skiers became upright skiers. Quiet skiers found their voice. Siblings and parents became upskilled in assisting their loved ones.

We held a magical Ski4AllWales summer tea party in June in the grounds of Glanrannell Park House ..The event was a great success with many members and their families joining us

As ever we are truly grateful to all our volunteers, parents, support staff for their unrelenting support and kindness year on year .

- This year saw us take our very Young Skiers on a trip to France, the first in 2 years since the Pandemic. This proved a great success and we are hoping to repeat in 2023.
- SSW membership continues to be covered for our volunteers instructors
- Grant and donations have allowed the upskilling of a number of volunteers in addition to the purchase of adaptive ski equipment
- Combination of the above has enabled the increase of members and the numbers of skiers that can be supervised at any one time
- With the Pandemic behind us we are looking forward to a very successful and enjoyable 2023 with our Skiers
