Purchase specialist adaptive ski equipment  
Run adaptive alpine experiences at various locations across Europe

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

- All trustees have had regard to the guidance issued by the charity commission on public benefit
- Run adaptive sessions for individuals with physical, neurological and visual deficits every Wednesday at Pembrey ski slope West Wales
- Introduced adaptive ski holiday for younger members
- After fundraising the charity has purchased a number of items of equipment including sit skis, helmets as well as installing a hoist to assist in getting disabled individuals onto the slope.
- Trained a number of volunteers to be able to coach and assist in the coaching of adaptive skiing

**Summary of the main achievements of the charity during the year**

- Following the Pandemic we reopened Ski Club on 23<sup>rd</sup> June 2021. We set up a new online booking system and this proved to be a great success as it ensured our skiers arrived at allocated times, supported by the relevant volunteer instructor.
- This year saw us take our very Young Skiers on a trip to France, the first in 2 years since the Pandemic. This proved a great success and we are hoping to repeat in 2023.
- SSW membership continues to be covered for our volunteers instructors
- Grant and donations have allowed the upskilling of a number of volunteers in addition to the purchase of adaptive ski equipment
- Combination of the above has enabled the increase of members and the numbers of skiers that can be supervised at any one time
- With the Pandemic behind us we are looking forward to a very successful and enjoyable 2023 with our Skiers
