Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

We enable adults and young children with a physical, neurological or visual deficit to ski.

To achieve this we raise funds to:

Run adaptive ski sessions at our base in Pembrey, West Wales

Purchase specialist adaptive ski equipment

Run adaptive alpine experiences at various locations across Europe

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

- All trustees have had regard to the guidance issued by the charity commission on public benefit
- We run adaptive sessions for individuals with physical, neurological and visual deficits every Wednesday at Pembrey ski slope West Wales
- We undertake Ski trips to Europe for our younger skiers, accompanied by their carers and parents.
- After fundraising events and generous donations the charity purchases items of equipment including sit skis, helmets to support the members
- Training of instructor volunteers to be able to coach and assist in the coaching of adaptive skiing

Additional details of objectives and activities (Optional information)

Several of our volunteers have taken time out to support our weekly training sessions at Pembrey, West Wales.

Other volunteers take time to attend extensive training and development sessions in the UK and overseas .

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Other volunteers actively run events to raise money for our charity

Section D

Achievements and performance

SSW membership continues to be covered for our volunteer instructors

- Donations have allowed the continual upskilling of a number of volunteers and this year we were also fortunate to attend a subsidised ski training trip in Verbier, Switzerland. The instructors developed a formal pathway which included on piste training, reflection and evening sessions

This year 2 of our members delivered the first ever modular adaptive training sessions earlier in the year, endorsed by our NGB Snowsport Wales.

We held our 4th SKI Bears trip to Samoens in January. Our trusted volunteers enabled 10 Ski Bears and their families to experience the holiday of a lifetime. Sit skiers became upright skiers. Quiet skiers found their voice. Siblings and parents became upskilled in assisting their loved ones.

We held a magical Ski4AllWales summer tea party in June in the grounds of Glanrannell Park House ..The event was a great success with many members and their families joining us

As ever we are truly grateful to all our volunteers, parents, support staff for their unrelenting support and kindness year on year .
