The Trustees principally manage the financial affairs of the organisation. A committee which has wider experience is responsible for the day-to-day management of the club.

The charity works closely with Essex County Cricket Club and with LB Newham, local schools and further educational establishments and the England and Wales Cricket Board on the strategic development of cricket in the Borough.

The ground where the club organises its activities is managed by Bonny Downs Community Association which is responsible for its maintenance and safety to LB Newham, the freeholder. The Charity follows England and Wales guidance for managing risks and its Clubmark system for working with young people.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objective of the Charity is the promotion of community participation in healthy recreation by the provision of facilities for playing cricket.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The Charity offers weekly coaching, training, and competition in cricket throughout the summer and during part of the rest of the year, promoting healthy lifestyles, community engagement and companionship from age 7 through into adulthood for approximately 70 young people and a similar number of adults in a safe and supervised environment managed by trained volunteers and professional coaches.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Charity does not make grants.

The Charity does not own the ground where it operates and does not have an investment programme.

All those involved in the charity are volunteers. Including the trustees; there are approximately 20 volunteers

Summary of the main achievements of the charity during the year

The Charity fields young people's teams at under 9,11,13,15, 16 and 19 and 4 adult Saturday and 3 Sunday teams. A principal objective of the Club is to offer competitive cricket at the highest amateur level to which the Club's young cricketers can aspire. In 2020 the Club's first team was admitted to the Essex Premier League system.

The Club operated a full season and covered its costs despite financial challenges to many of its members.
