Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charities financial position in this current year has declined, due to the lack of funding opportunities that fit our aims and objectives. Indicators however reveal to Break Tha Cycle that our services are in need as young people and families continue to approach us for support and we received more interest than we were able to support. And because of this we had to seek further funds to help manage the influx of service users during this uncertain time however not as successful as the previous year. We would need to apply for more funding in order to continue with our services as we function on a project-by-project basis, therefore we have no reserves, and all funds are restricted funds.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	Break Tha Cycle have had a good year in terms of reaching the community and being able to continue to work with young people who are experiencing hardship, whether it be in school, within the home or in the communities in which they are part of, however they would argue that they are not very much a part of and so we are very proud that we were able to continue those who are in the most need. We worked with many young people through our regular weekly projects giving young people a safe space to express their selves. Break Tha cycle has made great progress and have continued to make positive differences to young people and their families thanks to the funding and the amazing session workers, volunteers, and Trustees. Break Tha Cycle continue to provide a service with dedicated mentors and outreach workers. We continue to receive positive testimonies from our clients who we worked with on our projects, and we have a duty to continue to support those who are in need. Hearing their stories of how our services has made a positive impact in their lives gives us so much more motivation to continue doing what we love to do for the community.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charities financial position in this current year has declined, due to the lack of funding opportunities that fit our aims and objectives. Indicators however reveal to Break Tha Cycle that our services are in need as young people and families continue to approach us for support and we received more interest than we were able to support. And because of this we had to seek further funds to help manage the influx of service users during this uncertain time however not as successful as the previous year. We would need to apply for more funding in order to continue with our services as we function on a project-by-project basis, therefore we have no reserves, and everything is restricted funds.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Break Tha Cycle was able to engage with over 500 young people over the course of the pandemic (Covid-19) Through this unprecedented time we were able to access funding to help us to continue our services which were very much needed. Throughout the pandemic, domestic violence and mental health had risen at a rapid rate and because of this we felt it was paramount to try and alleviate this by giving our service users a safe place to speak about issues that affected them. With the funding received enabled us to reach out to those who needed us the most. Break Tha cycle has made massive progress and huge differences to young people and families by continuing to provide them with dedicated mentors and outreach workers who engaged with people in the streets as well as online. Testimonies from people who we worked with over the course of the pandemic showed much gratitude and although the pandemic is not over, we have a duty to continue to support those who are in need. Hearing their stories of how our services has made a positive impact in their lives gives us so much more motivation to continue doing what we love to do for the community. The community also are beneficiaries of the work that we do because they have a safe place in our projects. Funding that we were granted is also an achievement as we have more than quadrupled our income and that has enabled us to serve more people.</p>

And because of this we had to seek further funds to help manage the influx of service users during this uncertain time. We would need to apply for more funding in order to continue with our services as we function on a project-by-project basis, therefore we have no reserves and everything is restricted funds.

	benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
2.3 EXPENDITURE AND LIABILITIES				
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Redundancy cost	The charity made no redundancy payments during the reporting period.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Deferred income	No material item of deferred income has been included in the accounts.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
2.4 ASSETS				
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least <input type="text"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	They are valued at cost.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	The depreciation rates and methods used are disclosed in note 9.2.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in note 9.5	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	They are valued at cost.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, geophysical or environmental qualities that are held and maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	They are valued at cost.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Investments	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>

Debtors

Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.
