Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	The charities financial position in this current year has declined, due to the lack of funding opportunities that fit our aims and objectives. Indicators however reveal to Break Tha Cycle that our services are in need as young people and families continue to approach us for support and we received more interest than we were able to support. And because of this we had to seek further funds to help manage the influx of service users during this uncertain time however not as successful as the previous year. We would need to apply for more funding in order to continue with our services as we function on a project-by-project basis, therefore we have no reserves, and all funds are restricted funds.
