**REPORT OF THE TRUSTEES**

For the period ended 29 September 2024

The Trustees take pleasure in presenting their report together with the financial statements for the period ended 29 September 2024.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) as it applies from 1 January 2019.

The legal and administrative information set out on page 1 forms part of this report.

**Structure, governance and management**

The Westminster Abbey 1953 Appeal Fund is an unincorporated trust registered with the Charity Commission and was created by trust deed dated 8 March 1955. It was set up to raise funds to support its declared objectives, which include grant giving.

The Trustees at the date of this report are detailed in the legal and administrative information set out on page one, which forms part of this report. The Charity is the Trustees incorporated as a body.

The Dean and Chapter are a body corporate, each member appointed by the Crown. As Trustees, they are given informal training as part of their induction to the Charity. This training involves explaining the Trustees' responsibilities and explaining to them the role they are expected to take and the involvement in the Charity that this entails.

The Trustees meet at least once per year to discuss matters relating to the Charity's performance.

None of the Trustees receive any remuneration for their role; day-to-day financial transactions relating to the trust are overseen by the staff at Westminster Abbey.

**Objects and activities of the Charity**

The main objectives of the Trust are:

- To provide funds to meet the cost of repairs and maintenance to the fabric and precincts of Westminster Abbey, but not residencies.
- To support the Abbey's Choir School
- To maintain the provision of religious services at the Abbey

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's objectives and in planning future activities and setting the grant making policy. The policy for grants states that expenses should be pertaining to fabric and upkeep.

**REPORT OF THE TRUSTEES (continued)**

For the period ended 29 September 2024

**Public benefit**

The Trustees believe the objects of the Charity meet the 'purposes test' for public benefit, as set out in the Charities Act 2011. The Trustees refer to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning its future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives that have been set.

**Aims and strategies for achieving objectives**

The aim is to deliver sufficient income from investments to contribute to the objectives set out above.

**Financial review and achievements of the year**

The total resources of the Trust amounted to £10,967,902 as at 29 September 2024 (2023: £9,550,078). Net income amounted to a surplus of £158,146 (2023: surplus £140,456).

**Reserves policy**

The level of reserves is primarily determined by the non-expendable Endowments within the Charity and additions to these should the Abbey not be in requirement of funds in the short term. During the year, £Nil of investments were disposed of (2023: £Nil).

At the reporting date, the Trust had funds of £10,967,902, of which £10,613,020 relates to endowments left to the Abbey and £354,882 relates to restricted funds.

No grants were issued during the year.

The investments returned gains of £1,259,681 (unrealised) and investment income of £157,949.

Of the expendable restricted funds, £181,585 is available for maintaining the fabric of the Abbey and £127,353 for offsetting the running costs of the Choir School. A further £45,944 is available for expenditure on the religious activities of the Abbey; alternatively, this can be applied to supporting the Choir School or maintaining the fabric of the Abbey.

**REPORT OF THE TRUSTEES (continued)**

For the period ended 29 September 2024

**Investment policy**

The investment objective of the Trust is to maintain the real value of its capital, at the same time ensuring that income returns are maximised, thus providing adequately for the charitable work to which the Trust is committed.

To achieve this objective, the Trustees have invested the funds of the Charity through the Investment Pool of Westminster Abbey, which ensures that investments are reviewed on a regular basis.

The principal source of income for the Trust is investment income generated by units in the portfolio managed by Westminster Abbey Investment Pool.

The Investment Pool's ethical policy follows the practices recommended by the Church of England's Ethical Investment Advisory Group; in addition, the funds held are subject to an annual ethical review.

The Trustees aim to distribute the net income of the Trust to support the Trust's charitable objectives. Where income is not distributed, it is reinvested to grow the capital and future potential income generated from investments.

**Risk management**

The Trustees have assessed the major risks to which the Trust is exposed and are satisfied that systems are in place to mitigate the Trust's exposure to them.

The greatest threat is a significant downturn in the Stock Market.

The Trust's funds are managed as part of Westminster Abbey Investment Pool. The Investment Panel, comprised of independent members all with appropriate level of financial experience, meets quarterly to review performance and advise the Trustees

**Trustees' going concern assessment**

The Trustees consider the Trust to be a going concern as it continues to have positive fund balances, has a negligible cost base whilst at the same time continuing to provide financial support to Westminster Abbey. The Trustees expect it to do so for a period not less than 12 months from the date of signing of the financial statements.

**REPORT OF THE TRUSTEES (continued)**

For the period ended 29 September 2024

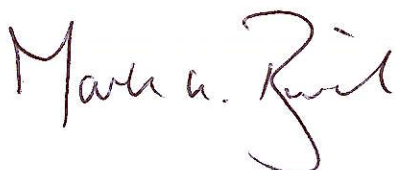

**Statement of Trustees' responsibilities**

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the charitable settlement. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**REPORT OF THE TRUSTEES (continued)**

For the period ended 29 September 2023

**Investment policy**

The investment objective of the Trust is to maintain the real value of its capital, at the same time ensuring that income returns are maximised, thus providing adequately for the charitable work to which the Trust is committed.

To achieve this objective, the Trustees have invested the funds of the Charity through the Investment Pool of Westminster Abbey, which ensures that investments are reviewed on a regular basis.

The principal source of income for the Trust is investment income generated by units in the portfolio managed by Westminster Abbey Investment Pool.

The Investment Pool's ethical policy follows the practices recommended by the Church of England's Ethical Investment Advisory Group; in addition, the funds held are subject to an annual ethical review.

The Trustees aim to distribute the net income of the Trust to support the Trust's charitable objectives. Where income is not distributed, it is reinvested to grow the capital and future potential income generated from investments.

**Risk management**

The Trustees have assessed the major risks to which the Trust is exposed and are satisfied that systems are in place to mitigate the Trust's exposure to them.

The greatest threat is a significant downturn in the Stock Market.

The Trust's funds are managed as part of Westminster Abbey Investment Pool. The Investment Panel, comprised of independent members all with appropriate level of financial experience, meets quarterly to review performance and advise the Trustees

**Trustees' going concern assessment**

The Trustees consider the Trust to be a going concern as it continues to have positive fund balances, has a negligible cost base whilst at the same time continuing to provide financial support to Westminster Abbey. The Trustees expect it to do so for a period not less than 12 months from the date of signing of the financial statements.

**REPORT OF THE TRUSTEES (continued)**

For the period ended 29 September 2023

**Statement of Trustees' responsibilities**

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

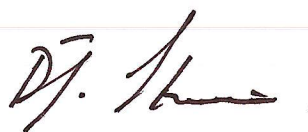

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the charitable settlement. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**REPORT OF THE TRUSTEES**

For the period ended 29 September 2021

The Trustees take pleasure in presenting their report together with the financial statements for the period ended 29 September 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) as it applies from 1 January 2019.

The legal and administrative information set out on page 1 forms part of this report.

**Structure, governance and management**

The Westminster Abbey 1953 Appeal Fund is an unincorporated trust registered with the Charity Commission and was created by trust deed dated 8 March 1955. It was set up to raise funds to support its declared objectives, which include grant giving.

The Trustees at the date of this report are detailed in the legal and administrative information set out on page one, which forms part of this report. The Charity is the Trustees incorporated as a body.

The Dean and Chapter are a body corporate, each member appointed by the Crown. As Trustees, they are given informal training as part of their induction to the Charity. This training involves explaining the Trustees' responsibilities and explaining to them the role they are expected to take and the involvement in the Charity that this entails.

The Trustees meet at least once per year to discuss matters relating to the Charity's performance.

None of the Trustees receive any remuneration for their role; day-to-day financial transactions relating to the trust are overseen by the staff at Westminster Abbey.

**Objects and activities of the Charity**

The main objectives of the Trust are:

- To provide funds to meet the cost of repairs and maintenance to the fabric and precincts of Westminster Abbey, but not residencies.
- To support the Abbey's Choir School
- To maintain the provision of religious services at the Abbey

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Trust's objectives and in planning future activities and setting the grant making policy. The policy for grants states that expenses should be pertaining to fabric and upkeep.

A cornerstone of Westminster Abbey's mission is "to serve pilgrims and all other visitors and to maintain a tradition of hospitality". Over 1.5 million people enjoy worshipping and visiting the Abbey every year. The Trustees believe that financially assisting the Abbey to fulfil its mission, together with its Choir School, contributes to the advancement of religion.

**REPORT OF THE TRUSTEES (continued)**

For the period ended 29 September 2021

**Public benefit**

The Trustees believe the objects of the Charity meet the 'purposes test' for public benefit, as set out in the Charities Act 2011. The Trustees refer to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning its future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives that have been set.

**Aims and strategies for achieving objectives**

The aim is to deliver sufficient income from investments to contribute to the objectives set out above.

**Financial review and achievements of the year**

The total resources of the Trust amounted to £10,387,483 as at 29 September 2021 (2020: £9,393,293). Net income amounted to a surplus of £994,190 (2020: surplus £175,742).

**Reserves policy**

The level of reserves is primarily determined by the non-expendable Endowments within the Charity and additions to these should the Abbey not be in requirement of funds in the short term. During the year, £391,456 of investments were disposed of (2020: £183,913).

At the reporting date, the Trust had funds of £10,387,483, of which £10,337,053 relates to endowments left to the Abbey and £50,430 relates to restricted funds.

Trustees authorised Grants to Westminster Abbey of £571,539, of which £42,890 has been applied towards replacement Choir School boilers and £81,930 towards school running costs. £251,815 has been applied towards the Organ Loft project and £34,000 towards the Sacristy site. £160,904 has been applied against essential maintenance across the Abbey estate.

The investments returned gains of £1,444,645 (£45,464 realised, £1,399,181 unrealised) and investment income of £120,979.

Of the expendable restricted funds, £2,110 is available for maintaining the fabric of the Abbey and £5,430 for offsetting the running costs of the Choir School. A further £42,890 is available for expenditure on the religious activities of the Abbey; alternatively, this can be applied to supporting the Choir School or maintaining the fabric of the Abbey.

**REPORT OF THE TRUSTEES (continued)**

For the period ended 29 September 2021

**Investment policy**

The investment objective of the Trust is to maintain the real value of its capital, at the same time ensuring that income returns are maximised, thus providing adequately for the charitable work to which the Trust is committed.

The Trustees have opted to invest the funds of the Charity through the Investment Pool of Westminster Abbey, which ensures that investments are reviewed on a regular basis with a view to maximising long term growth.

The principal source of income for the Trust is investment income generated by units in the portfolio managed by Westminster Abbey Investment Pool.

The Investment Pool's ethical policy follows the practices recommended by the Church of England's Ethical Investment Advisory Group; in addition, the funds held are subject to an annual ethical review.

The Trustees aim to distribute the net income of the Trust to support the Trust's charitable objectives. Where income is not distributed, it is reinvested to grow the capital and future potential income generated from investments.

**Risk management**

The Trustees have assessed the major risks to which the Trust is exposed and are satisfied that systems are in place to mitigate the Trust's exposure to them.

The greatest threat is a significant downturn in the Stock Market.

The Trust's funds are managed as part of Westminster Abbey Investment Pool. The Investment Panel, comprised of independent members all with appropriate level of financial experience, meets quarterly to review performance and advise the Trustees

**Trustees' going concern assessment**

The Trustees consider the Trust to be a going concern as it continues to have positive fund balances, has a negligible cost base and has been able to maintain ongoing operations during the COVID-19 pandemic, whilst at the same time providing substantial financial support to the Westminster Abbey.

The Trustees consider the Trust to be a going concern as it continues to have positive fund balances and the continued support of Westminster Abbey.

**REPORT OF THE TRUSTEES (continued)**

For the period ended 29 September 2021

**Statement of Trustees' responsibilities**

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the charitable settlement. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**b) Going concern**

The Trustees consider the Trust to be a going concern as it continues to have positive fund balances, has a negligible cost base and has been able to maintain ongoing operations during the current COVID 19 pandemic.

Westminster Abbey continues to provide operational support to the charity and is expected to do for a period not less than 12 months from the date of signing the financial statements.

Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

**REPORT OF THE TRUSTEES (continued)**  
For the period ended 29 September 2020

**Public benefit**

The Trustees believe the objects of the Charity meet the 'purposes test' for public benefit, as set out in the Charities Act 2011. The Trustees refer to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives and in planning its future activities. In particular, the Trustees consider how planned activities will contribute to the aims and objectives that have been set.

**Aims and strategies for achieving objectives**

The aim is to deliver sufficient income from investments to contribute to the objectives set out above.

**Financial review and achievements of the year**

The total resources of the Trust amounted to £9,393,293 as at 29 September 2020 (2019: £9,217,551). Net income amounted to a surplus of £175,742 (2019: surplus £112,829).

**Reserves policy**

The level of reserves is primarily determined by the non-expendable Endowments within the Charity and additions to these should the Abbey not be in requirement of funds in the short term. During the year, £183,913 of investments were disposed of (2019: £61,828).

At the reporting date, the Trust had funds of £9,393,293, of which £8,946,383 relates to endowments left to the Abbey and £446,910 relates to restricted funds.

Trustees authorised Grants to Westminster Abbey of £403,998: £133,998 has been applied against Choir School salaries, £150,000 towards replacement Quire Cushions and the Organ Loft project and £120,000 towards essential electrical maintenance.

The investments returned unrealised gains of £443,115 and investment income of £136,625. The Trustees will consider options for applying these funds when they next meet.

Of the expendable restricted funds, £35,702 is available for maintaining the fabric of the Abbey and £53,129 for offsetting the running costs of the Choir School. A further £358,079 is available for expenditure on the religious activities of the Abbey; alternatively, this can be applied to supporting the Choir School or maintaining the fabric of the Abbey.

The Trustees will take a view as to whether to keep this amount available and liquid for the Abbey or commit to reinvesting these amounts in the next financial year.

**REPORT OF THE TRUSTEES (continued)**

For the period ended 29 September 2020

**Investment policy**

The investment objective of the Trust is to maintain the real value of its capital, at the same time ensuring that income returns are maximised, thus providing adequately for the charitable work to which the Trust is committed.

The Trustees have opted to invest the funds of the Charity through the Investment Pool of Westminster Abbey, which ensures that investments are reviewed on a regular basis with a view to maximising long term growth.

The principal source of income for the Trust is investment income generated by units in the portfolio managed by Westminster Abbey Investment Pool.

The Investment Pool's ethical policy follows the practices recommended by the Church of England's Ethical Investment Advisory Group; in addition, the funds held are subject to an annual ethical review.

The Trustees aim to distribute the net income of the Trust to support the Trust's charitable objectives. Where income is not distributed, it is reinvested to grow the capital and future potential income generated from investments.

**Risk management**

The Trustees have assessed the major risks to which the Trust is exposed and are satisfied that systems are in place to mitigate the Trust's exposure to them.

The greatest threat is a significant downturn in the Stock Market.

The Trust's funds are managed as part of Westminster Abbey Investment Pool. The Investment Panel meets quarterly to review performance and advise the Trustees. At least 50% of the Panel members are independent, with an appropriate level of financial experience.

**Trustees' going concern assessment**

The Trustees consider the Trust to be a going concern, as it has positive fund balances and the continued support of Westminster Abbey.

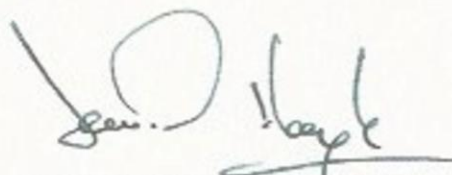

**REPORT OF THE TRUSTEES (continued)**  
For the period ended 29 September 2020**Statement of Trustees' responsibilities**

The Trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the charitable settlement. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT**  
For the period ended 29 September 2020

I report on the accounts of the Trust for the year ended 29 September 2020, which are set out on pages 7 to 13.

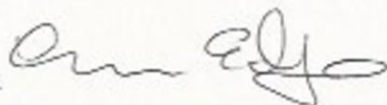

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below \*) which give me cause to believe that in, any material respect:

1. the accounting records were not kept in accordance with section 130 of the Charities Act; or
2. the accounts did not accord with the accounting records; or
3. the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The address of the registered office is The Chapter Office, 20 Dean's Yard, Westminster Abbey, London, SW1P 3PA. The charity, which is registered with the Charity Commissioners, has as its constitution a Trust Deed.

**1. Accounting policies****a) Convention**

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

The financial statements have been prepared under the historical cost convention and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 28 March 2018, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Trust Deed and the Charities Act 2011.

**b) Going concern**

The Trustees consider the Trust to be a going concern as it continues to have positive fund balances, has a negligible cost base and has been able to maintain ongoing operations during the current COVID 19 pandemic.

Westminster Abbey continues to provide operational support to the charity and is expected to do for a period not less than 12 months from the date of signing the financial statements.

**c) Donations**

Donations are recognised on a receivable basis.

**d) Investments and investment income**

Investments are shown in the balance sheet at fair value. Investment income is recognised on a received basis. Realised and unrealised gains are accounted for in the Statement of Financial Activities.

Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

**f) Grants**

Grants are accounted for when either the recipient has a reasonable expectation that they will receive a grant and the Trustees have agreed to pay without condition or the recipient has a reasonable expectation that they will receive a grant and any condition attached to the grant is outside the control of the Trust.
