

Forest Green Cemetery October 2022

Minutes of Annual meeting

1. Cathy and Nigel carried out the 'push' test. Three headstones were laid flat, one end kerbs removed and one sunken grave was infilled.
2. The area known as 'old section' remains fenced off to stop public access and signed accordingly. The Heath vault is still marked as dangerous and the small opening into the vault remains closed.
3. The area levelled two years ago where the ground was too uneven is now mowed, new paths created and a colony of lizards seen.
4. Wild grass seed has been sown and the yellow rattle flourished.
5. Of the 100 Hawthorne whips planted most have survived
6. After a visitation by the council tree officer previously we have kept the growth at the base of the lime trees short and trimmed.
7. The plan showing the cutting cycle will again be followed next year and areas defined will be left for wildlife.
8. All trustees said they were happy to serve for another year.

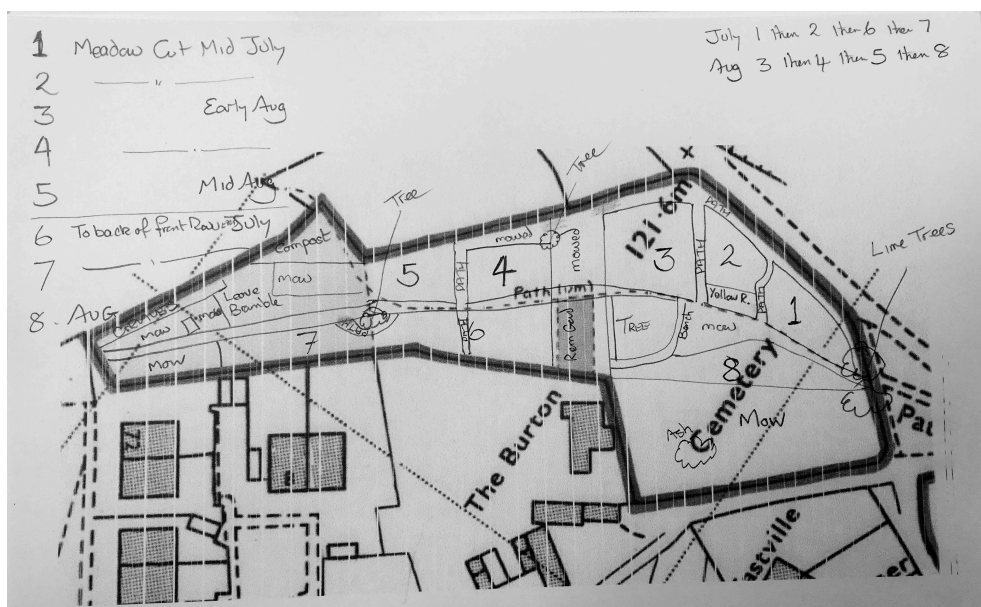

Table 1

Date	Description	Paid In	Date	Description	Paid out
May 2022	F Stevens (mog)	£ 500.00	Sept 2022	Sthil strimmer	£ 277.00
