All trustees have DBS clearance.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance the Islamic religion in the Preston, Plungington area for the benefit of the public through the holding of prayer meetings, lectures, public celebration of Islamic festivals, producing and/or distributing literature on Islam and to enlighten others about the religion of Islam.

To improve the conditions of life for the inhabitants of the local area by providing facilities and activities in the interest of social welfare.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

<p>Each day of the year we have held prayer meetings for the five daily prayers including Friday prayers. We also held tarawee prayers during the month of Ramadan.</p> <p>The Madrasa (Islamic Education Centre) continues to flourish and student numbers have stabilised to around 20. We have 2 staff members who teach at the Madrasa, 5 days a week.</p> <p>The Ladies weekly classes and the monthly programme continue to have a strong following.</p> <p>Due to the renovation programme and COVID-19, the KS1 and KS2 packs have once again not been updated. We do continue to engage with local schools and we hope to increase our activity in this area in the future.</p> <p>The number of asylum seekers in the area has reduced again this year however they continue to need help in integrating into the community. We have dedicated a member of the committee to helping them in all facets of living in the UK.</p> <p>Foreign student numbers in the local area stabilised this year and they are mainly from the Asian subcontinent. We continue to help those that do arrive, and the two people who were assigned to help them last year continue helping these students.</p>

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

<p>The need for better toilet and ablution facilities were incorporated into the design of the “It’s time to grow” project last year. This increased the cost of the proposed project but will be a better fit for our requirements.</p> <p>We would like to extend the qualifications of our teachers and will be looking to find appropriate teaching vocational courses in the local area to assist in this goal. This aim is now part and parcel of our investment into our staff.</p> <p>Moving the Madrasa towards an academy and open learning would serve the community better. To this goal we will aim at progressing this in the coming years. We hope the “it’s time to grow” project when completed will give us extra educational teaching space.</p>

Summary of the main achievements of the charity during the year

COVID-19 has dominated the scene this year and has meant considerable effort has been expended just to keep the centre available when the government has allowed.

Much of the normal activity was curtailed such as the highly popular Student Lead Story Session. Also the end of year graduating event had to be cancelled.

Student numbers in the Madrasa remained stable at around 20 and the sessions are moved from the centre to online as government dictates.

The Madrasa continues to innovate and is now one of the oldest in the city. It is widely considered one of the most innovative, contemporary cutting edge Madrasas in Preston. The aligned school and Madrasa academic years works well and we envisage keeping it the same from now on. We have kept the financial contribution the same now for several years in line with the vision of the founders and that was also true this year.

The number of foreign students has stabilised and most of the remaining students tend to be from the Indian sub-continent. They still need considerable help in settling in. The help has been similar to that of helping asylum seekers and so we were well equipped adapt to their needs. We continue to help those that do arrive and those that continue to need help. We have assisted them in every facet of living in the UK. Their presence has benefited the centre greatly and has broadened the cultural experience within the centre.

Adult Islamic education has remained the same this year. We will continue to monitor interest and adjust classes as required during the coming year.

Once again this year we attempted to upgrade the Key stage packs but once again we gave priority to other events including the "It's time to grow project" and COVID-19 measures which need constant updating. We hope to progress next year in an attempt to enhance the experience for school visits in the future. This should make any further visits a more integrated educational experience. Work continues in this regard.

The "It's Time To Grow" project has now received building regulations approval. However due to COVID-19 there has been no progress at all in this matter. We have started to use the space to a small degree just to increase space during prayer times as social distancing has reduced the centres capacity dramatically. As soon as lockdowns ease and builders are once again available we will progress this matter.

As stated last year it is envisaged that the project has increased in cost with the design of the combined properties with the overall project cost being around the £250,000 mark. We will know a more accurate figure once builders assess the full work. We hope to keep the momentum going on this project and integrate both properties to form one larger centre next year.

We still have no information screens in the centre but the CCTV works well with cameras in almost every room and outside.

Section E Financial review

Brief statement of the charity's policy on reserves

The yearly membership donation gives us approximately 6 months of reserve and we aim to have approximately 3 months of reserve at any one time.

EXAMINER'S UNQUALIFIED REPORT (NON-COMPANY CHARITY)

This is the Independent examiner's report to the trustees of Gujarati Sunni Muslim Community Centre (GSMCC) also operating as Eldon Street Madrasa-E-Talimul Islam (ESM)

I am reporting on the accounts of the charity for the year ended 31 Mar 2021, which are set out on pages 2-3.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act
- to follow the procedures laid down in the general Directions given by the commission under section 145(5)(b) of the 2011 Act
- to state whether particular matters have come to my attention

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the next statement.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached
