One Goes Up provides bursaries and prizes to high achieving children and young people in selected schools in South Africa and the UK to enable them to continue their education, where this might not otherwise have been possible due to financial hardship or lack of opportunity.

Since 2008 we have partnered with Rhenish Girls' High School in South Africa to fund prizes, bursaries and scholarships to reward excellence in academic, creative & sporting pursuits. We began by providing prize money for specific subjects such as Computer Science, and awards for excellence. Subsequently we have started providing scholarships, which paid the full year's school fees for chosen individuals.
