The trustees are responsible for preparing the Annual Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that period. In preparing these financial statements, the trustees are required to:

- The establishment of systems and procedures to mitigate those risks; and
- The implementation of procedures designed to minimise any potential impact on the Foundation should those risks materialise.

This continuing process will identify risk areas to which the Foundation is vulnerable and highlight any necessary safeguards that will need to be put in place. No major risks were identified at the date of these financial statements.

The trustees have signed fit and proper declarations in line with HMRC guidance.

**3. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT**

The charitable objects of the Foundation are to hold the capital and income of the Trust Fund upon trust to apply the income, and all or such part or parts of the capital, at such time or times and in such manner to, or for the benefit of, such exclusively charitable objects and purposes in any part of the world as the Trustees may, at their discretion, think fit ("the objects").

The trustees may in their discretion, for a period of 21 years from 27 April 2014 accumulate all or any part of the income.

**Grant Making Policy**

The trustees' reviewed and formally updated the grant making policy on 07 May 2024. The Foundation's trustees are keen to support activities that advance the objects in an effective way. They recognise that a limited amount of funds are available to distribute each year. The trustees' current funding priorities are to provide grants to good causes supported by the founders Peter and Elizabeth Prowting and in particular those detailed in the Letter of Wishes of Peter Prowting, namely those:

- devoted to the wellbeing of dogs and horses;
- devoted to the treatment, rehabilitation and general care of injured jockeys; and
- those who support and/or conduct research into the prevention, treatment and cure of cancer, cardiac conditions, dementia and Parkinson's disease.

All grant proposals must be made via the Foundation's website, where further criteria is set out. Grant values will usually range between £5,000 and £15,000. The trustees will inform successful applicants of their decision in writing and relevant due diligence is undertaken to ensure any grants are used as intended.

**INDEPENDENT EXAMINER'S REPORT**  
**TO THE TRUSTEES**  
**OF PROWTING CHARITABLE FOUNDATION**

I report to the charity trustees on my examination of the accounts of the Prowting Charitable Foundation for the year ended 30 September 2024 which comprise the Statement of Financial Activities, Balance Sheet and the related notes.

**Responsibilities and basis of report**

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 and where relevant, the Charities Act 2022 ("the Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent Examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2024**

**1. ACCOUNTING POLICIES**

**Basis of accounting**

The accounting policies set out below have been agreed by the trustees on the basis that they will be adopted as they become relevant.

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include the revaluation of investments. The Charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("Charities SORP FRS 102") issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and where relevant, the Charities Act 2022. The principal accounting policies adopted are as follows:

The Foundation has applied the provisions set out in FRS 102 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

The financial statements are presented in sterling which is the functional currency of the Charity.

**Income Recognition**

Voluntary donations include donations under Gift Aid with the associated tax relief included when receivable. Interest from deposit accounts are included when receivable. All incoming resources are included in the Statement of Financial Activities ("SOFA") when the Foundation is entitled to the income and the amount can be quantified with reasonable accuracy.

**Expenditure Recognition**

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation committing the trustees to the expenditure.

Charitable activities comprise grants and donations made during the year and are expended through the SOFA when the offer is conveyed to the recipient. The trustees have made the decision not to discount grants committed for future periods.

Governance costs relate to the general running of the Foundation, as opposed to the management functions inherent in generating funds and are included in Charitable Activities.

**Status of funds**

The entire resources of the Foundation are unrestricted and the trustees have complete discretion for their use in pursuance of their objectives.

**Debtor and creditor receivable/payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised as expenditure.

**PROWTING CHARITABLE FOUNDATION**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2024**

**1. ACCOUNTING POLICIES (continued)**

**Provisions**

Provisions are recognised when the Foundation has an obligation at the Balance Sheet date as a result of a past event, it is probable that an outflow of economic benefit will be required in settlement and the amount can be reliably estimated.

**Foreign currency**

Assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the Balance Sheet date. Transactions denominated in foreign currencies are converted at the rate of exchange ruling at the date of the transaction. All translation differences are taken to the statement of financial activities as they arise.

**Taxation**

The Foundation is not subject to any taxes on its charitable activities.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

**Going concern**

The Financial Statements have been prepared on a going concern basis. The Foundation's expenditure requirements are within control of the trustees and external factors have not had a negative impact on the Foundation's financial sustainability and the trustees consider the adoption of the going concern basis in preparing the financial statements to be appropriate.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2023**

**1. ACCOUNTING POLICIES**

**Basis of accounting**

The accounting policies set out below have been agreed by the trustees on the basis that they will be adopted as they become relevant.

The financial statements have been prepared on a going concern basis under the historical cost convention, modified to include the revaluation of investments. The Charity constitutes a public benefit entity as defined by FRS 102. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (“Charities SORP FRS 102”) issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and where relevant, the Charities Act 2022. The principal accounting policies adopted are as follows:

The Foundation has applied the provisions set out in FRS 102 and does not include a cash flow statement on the grounds that it is applying FRS 102 Section 1A.

The financial statements are presented in sterling which is the functional currency of the Charity.

**Income Recognition**

Voluntary donations include donations under Gift Aid with the associated tax relief included when receivable. Interest from deposit accounts are included when receivable. All incoming resources are included in the Statement of Financial Activities (“SOFA”) when the Foundation is entitled to the income and the amount can be quantified with reasonable accuracy.

**Expenditure Recognition**

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation committing the trustees to the expenditure.

Charitable activities comprise grants and donations made during the year and are expended through the SOFA when the offer is conveyed to the recipient. The trustees have made the decision not to discount grants committed for future periods.

Governance costs relate to the general running of the Foundation, as opposed to the management functions inherent in generating funds and are included in Charitable Activities.

**Status of funds**

The entire resources of the Foundation are unrestricted and the trustees have complete discretion for their use in pursuance of their objectives.

**Debtor and creditor receivable/payable within one year**

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised as expenditure.

**PROWTING CHARITABLE FOUNDATION**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2023**

**1. ACCOUNTING POLICIES (continued)**

**Provisions**

Provisions are recognised when the Foundation has an obligation at the Balance Sheet date as a result of a past event, it is probable that an outflow of economic benefit will be required in settlement and the amount can be reliably estimated.

**Foreign currency**

Assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the Balance Sheet date. Transactions denominated in foreign currencies are converted at the rate of exchange ruling at the date of the transaction. All translation differences are taken to the statement of financial activities as they arise.

**Taxation**

The Foundation is not subject to any taxes on its charitable activities.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

**Going concern**

The Financial Statements have been prepared on a going concern basis. The Foundation's expenditure requirements are within control of the trustees and therefore the pandemic and ongoing conflict between Ukraine and Russia has not had a negative impact on the Foundation's financial sustainability and the trustees consider the adoption of the going concern basis in preparing the financial statements to be appropriate.

**REPORT OF THE TRUSTEES (continued)**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2022**

**2. STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)**

The trustees' investment powers are unrestricted.

The trustees shall hold at least two meetings in each calendar year.

The power to appoint new trustees rests with the current trustees. A new trustee or trustees may be appointed at any time (either by replacement or addition) but the total number of trustees should at no time exceed five.

**Induction and Training**

Should new trustees be appointed, a formal induction process will be conducted by the trustees. Other trustee training is undertaken as and when appropriate. All trustees are aware of their legal duties and obligations in respect of the management of the Foundation, including in relation to the protection of its assets.

**Trustees' Responsibilities Statement**

The trustees are responsible for preparing the Annual Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and where relevant, the Charities Act 2022, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**Internal Controls**

The trustees have overall responsibility for ensuring that the Foundation has appropriate systems of internal controls. They are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements follow best practice and all applicable law regulation and guidance. The trustees are also responsible for the Foundation safeguarding its assets and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**PROWTING CHARITABLE FOUNDATION**  
**REPORT OF THE TRUSTEES (continued)**

**2. STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)**

The system of internal controls is designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

**Risk Management**

A risk assessment has been undertaken which comprises:

- An annual review of the risks the Foundation may face;
- The establishment of systems and procedures to mitigate those risks; and
- The implementation of procedures designed to minimise any potential impact on the Foundation should those risks materialise.

This continuing process will identify risk areas to which the Foundation is vulnerable and highlight any necessary safeguards that will need to be put in place. No major risks were identified at the date of these financial statements.

The trustees have signed fit and proper declarations in line with HMRC guidance.

**3. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT**

The charitable objects of the Foundation are to hold the capital and income of the Trust Fund upon trust to apply the income, and all or such part or parts of the capital, at such time or times and in such manner to, or for the benefit of, such exclusively charitable objects and purposes in any part of the world as the Trustees may, at their discretion, think fit (“the objects”).

The trustees may in their discretion, for a period of 21 years from 27 April 2014 accumulate all or any part of the income.

**Grant Making Policy**

All incoming resources are included in the Statement of Financial Activities (“SOFA”) when the Foundation is entitled to the income and the amount can be quantified with reasonable accuracy.

**Expenditure Recognition**

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation committing the trustees to the expenditure.

Charitable activities comprise grants and donations made during the year and are expended through the SOFA when the offer is conveyed to the recipient. The trustees have made the decision not to discount grants committed for future periods.

Governance costs relate to the general running of the Foundation, as opposed to the management functions inherent in generating funds and are included in Charitable Activities.

**Status of funds**

The entire resources of the Foundation are unrestricted and the trustees have complete discretion for their use in pursuance of their objectives.

**Debtor and creditor receivable/payable within one year**

**Provisions**

Provisions are recognised when the Foundation has an obligation at the Balance Sheet date as a result of a past event, it is probable that an outflow of economic benefit will be required in settlement and the amount can be reliably estimated.

**Foreign currency**

Assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the Balance Sheet date. Transactions denominated in foreign currencies are converted at the rate of exchange ruling at the date of the transaction. **Taxation**

The Foundation is not subject to any taxes on its charitable activities.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

**Going concern**

The Financial Statements have been prepared on a going concern basis. The Covid-19 pandemic has created operational pressures on all charities. **PROWTING CHARITABLE FOUNDATION**  
**REPORT OF THE TRUSTEES (continued)**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2025**

**2. STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)**

The trustees' investment powers are unrestricted.

The trustees shall hold at least two meetings in each calendar year.

The power to appoint new trustees rests with the current trustees. A new trustee or trustees may be appointed at any time (either by replacement or addition) but the total number of trustees should at no time exceed five.

**Induction and Training**

Should new trustees be appointed, a formal induction process will be conducted by the trustees. Other trustee training is undertaken as and when appropriate. All trustees are aware of their legal duties and obligations in respect of the management of the Foundation, including in relation to the protection of its assets.

**Trustees' Responsibilities Statement**

The trustees are responsible for preparing the Annual Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Foundation and of the incoming resources and application of resources of the Foundation for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Foundation will continue in operation.

The trustees are responsible for keeping accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and where relevant, the Charities Act 2022, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed.

**Internal Controls**

The trustees have overall responsibility for ensuring that the Foundation has appropriate systems of internal controls. They are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Foundation and enable them to ensure that the financial statements follow best practice and all applicable law regulation and guidance. The trustees are also responsible for the Foundation safeguarding its assets and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**PROWTING CHARITABLE FOUNDATION**  
**REPORT OF THE TRUSTEES (continued)**  
**FOR THE YEAR ENDED 30 SEPTEMBER 2025**

**2. STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)**

The system of internal controls is designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

**Risk Management**

A risk assessment has been undertaken which comprises:

- An annual review of the risks the Foundation may face;
- The establishment of systems and procedures to mitigate those risks; and
- The implementation of procedures designed to minimise any potential impact on the Foundation should those risks materialise.

This continuing process will identify risk areas to which the Foundation is vulnerable and highlight any necessary safeguards that will need to be put in place. No major risks were identified at the date of these financial statements.

The trustees have signed fit and proper declarations in line with HMRC guidance.

**3. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT**

The charitable objects of the Foundation are to hold the capital and income of the Trust Fund upon trust to apply the income, and all or such part or parts of the capital, at such time or times and in such manner to, or for the benefit of, such exclusively charitable objects and purposes in any part of the world as the Trustees may, at their discretion, think fit ("the objects").

The trustees may in their discretion, for a period of 21 years from 27 April 2014 accumulate all or any part of the income.

**Grant Making Policy**

The trustees' reviewed and formally updated the grant making policy on 07 May 2024. The Foundation's trustees are keen to support activities that advance the objects in an effective way. They recognise that a limited amount of funds are available to distribute each year. The trustees' current funding priorities are to provide grants to good causes supported by the founders Peter and Elizabeth Prowting and in particular those detailed in the Letter of Wishes of Peter Prowting, namely those:

- devoted to the wellbeing of dogs and horses;
- devoted to the treatment, rehabilitation and general care of injured jockeys; and
- those who support and/or conduct research into the prevention, treatment and cure of cancer, cardiac conditions, dementia and Parkinson's disease.

All grant proposals must be made via the Foundation's website, where further criteria is set out. Grant values will usually range between £5,000 and £15,000. The trustees will inform successful applicants of their decision in writing and relevant due diligence is undertaken to ensure any grants are used as intended.

**INDEPENDENT EXAMINER'S REPORT  
TO THE TRUSTEES  
OF PROWTING CHARITABLE FOUNDATION**

I report to the charity trustees on my examination of the accounts of the Prowting Charitable Foundation for the year ended 30 September 2025 which comprise the Statement of Financial Activities, Balance Sheet and the related notes.

**Responsibilities and basis of report**

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 and where relevant, the Charities Act 2022 ("the Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent Examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**10. JUDGEMENTS AND KEY SOURCES OF ESTIMATION**

The trustees make judgements in applying the accounting policies, particularly in determining the timing of recognition of grant commitments and assessing whether conditions attach to grants that delay recognition. Estimates are used in allocating support and governance costs and in assessing the recoverability of debtors; however, no significant estimation uncertainties exist at the year-end.
