The Trustees of the charity are: Rev Joseph Amoateng

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity governing document is a CIO – Foundation Constitution registered 4 June 2015. The Charity is governed by a board on which the trustees are represented. It meets regularly to review, plan activities, and monitor the financial position.

OBJECTIVES AND ACTIVITIES

The Objectives of the organisation are first to advance the Christian faith in accordance with the statement of beliefs for the benefit of the United Kingdom and such other parts of the world as the trustees may think fit from time to time. The trustees confirm that they have had due regard to the guidance issued by the Charity Commission on public benefit before deciding what activities the charity should undertake.

ACHIEVEMENTS AND PERFORMANCE

The Organisation continues to hold successful worship services throughout the year in which individuals are equipped and educated on the principles and doctrines of the Christian faith. The organisation also held several conferences during the year which individuals came from all around the community to attend. Due to the pandemic, this was all held online. This has produced good results in reaching and helping members of the community. The organisation continues to air its television programs regularly on Christian television. The organisation supports a branch church in Ghana that it is connected to.

FINANCIAL REVIEW

The income of the charity is below £51,000. This is a good amount for this year of the charity the costs have been well managed over this period. The organisation is still in a good position to manage its costs. The main cost of the organisation was paying for the rent of the building that it uses for worship services and hosting church events. The charity has set up a monthly repayment plan to repay all outstanding loans.

FUTURE PLANS

The organisation is a going concern. It plans to continue hosting its television programs on Christian television to effectively reach the community with the Christian message. Its regular worship services will support this.

RESERVE POLICY

It is the policy of the Charity to maintain unrestricted funds, which are the reserves of the charity at about 3 months of unrestricted expenditure. This provides sufficient funds to cover any emergency expenditures that may arise from time to time. The charity will seek to maintain this level throughout the year.

RISK MANAGEMENT

The charity has assessed all the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate exposure to major risks.

TRUSTEE RESPONSIBILITIES

Under the Charities Act 2011, the trustees are required to prepare a statement of accounts for each accounting year which gives a true and fair view of the state of the church. They are required to:

1. Select suitable accounting policies and apply them consistently.
2. Make judgments and estimates that are reasonable and prudent.
3. State whether the applicable accounting standards have been followed.
4. Prepare financial statements on an ongoing basis.

They are responsible for keeping proper records that disclose reasonable accuracy of the finances of the church at any time and to ensure that such accounts comply with the Charities Act 2011. They also have a responsibility to safeguard the church's assets and take reasonable steps to detect fraud or other irregularities.

NEXT GENERATION PROPHETIC MINISTRY

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 31 MARCH 2024

2.2 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments. The Trustees seek to use short- and medium-term deposits where possible to maximise the return on monies held at the bank and to manage cash flow.

2.3 Fund Accounting

Restricted funds are subject to specific conditions by funders as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the accounts. Unrestricted funds are available for use at the Trustees' discretion in furtherance of the general objectives of the Charity. Unrestricted funds include designated funds that trustees have allocated to be spent on a specific purpose.

2.4 Restricted Funds

Restricted funds are funds under the Charity's control for a specific purpose. This is a legally binding Obligation and the trustees cannot remove or relax the restriction by themselves. Funds as Permanent Endowment funds are those where the original intention was for the asset to be held forever and cannot therefore be spent.

2.5 Accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgments, estimates, and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised.

The trustees do not consider that there are any critical estimates or areas of judgment that need to be brought to the attention of the readers of the financial statements.
