Trustees' Annual Report

01/01/2024 – 31/12/2024

Charity registration number: 1162028

Objectives and activities

Summary of the purposes of the charity as set out in its governing document

SORP ref para 1.17

The objects of GVCA are to promote the benefit of the residents of Sheffield, in particular those living in Stocksbridge, without distinction of age, health status, religious or political affiliation, race, sex, or sexual orientation, by providing a building for education, health and for recreation or other leisure-time occupation in the interests of social welfare with the object of improving the conditions of life of the said residents.

Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.

SORP ref para 1.17 and 1.19

The trustees have regard to the guidance on public benefit issued by the charity Commission.

They have continued to maintain the Inman Pavilion as a warm, clean and friendly place for community use. This has enabled meetings of several regular groups of people seeking to maintain and improve their physical health whilst enjoying social interaction thus avoiding loneliness and depression. The majority of attendees are women whose ages range from 50s to early 80s though all aspects of the community are served.

The Craft Club has continued to operate well-attended, seasonally-themed events for youngsters through the year. Trustees have begun to reintroduce the Science Club activities that were so popular prior to the Covid-19 period.

Social media and the local press are used to advertise availability and events.

Financial Review

Review of the charity's financial position at the end of the period

SORP ref para 1.21

The circumstances within which the charity has operated continue to be challenging, with increased costs particularly in terms of heating and lighting. These cost-of-living issues have also impacted upon many people across the community, and may have affected the finances of individuals and groups alike.

Trustees are very much alive to the impact that these related issues may have upon regular and single bookings, and have taken appropriate steps to manage this risk.

The 2024 accounts show that the total outgoings exceeded total income for the year. However, if income and expenditure related to the hall flooring project are isolated and considered as a separate budget line funded from reserves, the remainder of the year's activities shows a small excess of income over expenditure. This modest margin reflects the need for the organisation to remain a viable financial entity whilst staying true to its charitable purposes.

Statement explaining the policy for holding reserves stating why they are held

SORP ref para 1.22

GVCA keeps a reserve of 2 years' working capital and a reserve for the maintenance and improvement of the building.
