- relationship with any related parties;
- trustees’ consideration of major risks and the system and procedures to manage them.

The charity is managed by the trustees and a tight team of dedicated volunteers.
We maintain a structure and organisational chart so that specific responsibilities and teams are managed by a dedicated person, such as adoption, foster, homecheck, fundraising and marketing co-ordinators.

Summary of the objects of the charity set out in its governing document

To relieve the suffering of animals in need of care and attention.
 To provide and maintain foster and adoption homes for the care of such dogs.
 To promote humane behaviour towards animals by providing appropriate care, protection, treatment, and security for animals by reason of sickness, maltreatment, poor circumstances or ill usage.
 To educate the public in such matters pertaining to animal welfare in general and the prevention of cruelty and suffering to animals.
 We take unwanted and abandoned dogs from the local stray pound and local homes and find new homes.
 The dogs are initially assessed before being placed in suitable foster homes. They receive a vet health assessment, vaccinations, neutering microchipping and any other necessary treatment including grooming and training.
 In addition, we offer full backup and support to the families for the dog's life.
 We offer advice for all dog owners.
 We offer support for all dog owners including a food bank, dog walking and transport.
 We offer short term foster care for all the owners who need respite for health issues or are temporarily unable to care for their pets and they have no other assistance from family and friends.
 We work with other agencies in our area, such as the dog warden, veterinary surgeries, the Police and Social Services to ensure the welfare of dogs in our area

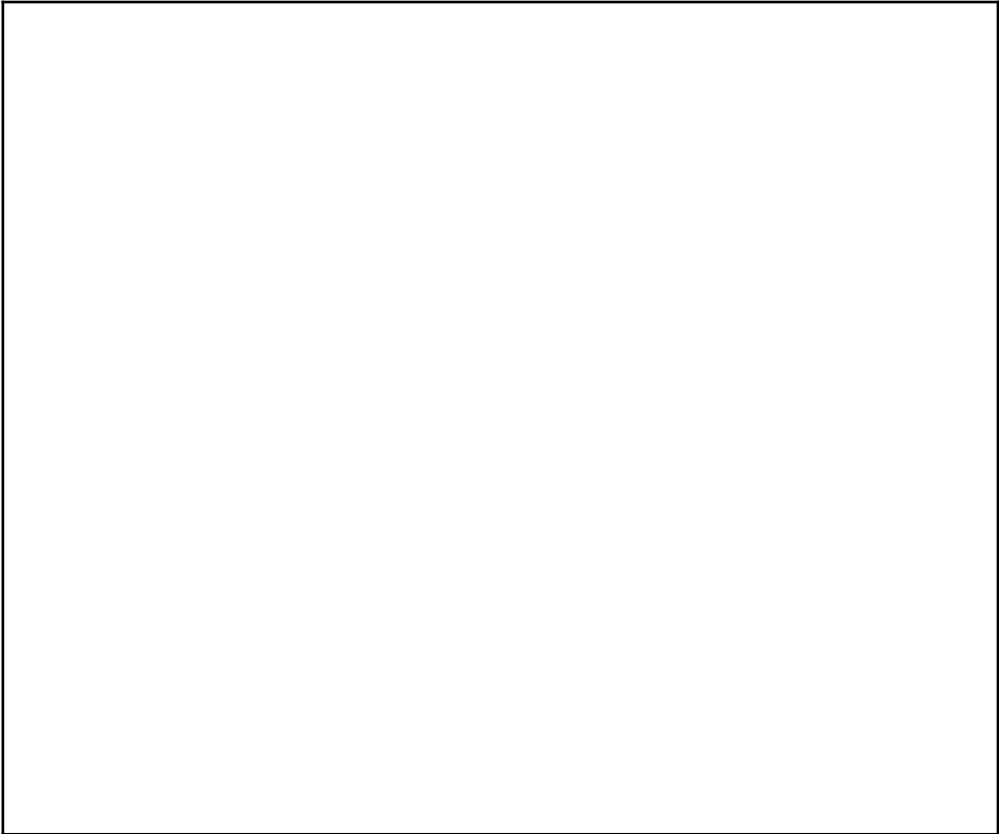

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Our volunteers are essential to the running of the rescue. They provide the following:

- foster homes
- carry out home checks
- transport dogs to vet and grooming appointments
- exercise and assist with training and behavioural problems
- raise much needed funds so that we may continue to provide vet treatment, neutering, microchipping, vaccinations, behavioural therapy, physiotherapy and kennelling.
- carry out administrative tasks to maintain our records
- maintain our website and app
- maintain our social media presence across several platforms e.g. Instagram, Twitter & Facebook

An example of our work:

- We were contacted by a landlord of a house who was visiting a tenant. On her arrival she found that the tenant had abandoned the house leaving his dog behind. We visited the property and there was no evidence of food or water and the house had evidence that the dog had been alone for several days. He was severely matted, weak and very scared. He was rushed to the vets. He spent a week in the vets for severe dehydration, a high temperature and nursing care. After a week the dog was transferred into foster care to build his strength up and was groomed when he was strong enough. The groomer estimated that he hadn't been groomed for 12 months. The vets estimated his age to be about 13 years old. He was transferred to a long term foster home where he has thrived.
- We were contacted by an outreach program for temporary foster care for an alcohol dependent person who had agreed to attend a rehabilitation clinic on condition his dogs were taken care of and would be returned to him when he returned home. With the assistance of Social Services, the local council and our team we secured a placement for two large dogs. The dogs were returned after a few months. Unfortunately, several months later the dogs

came to our attention again. The owner had relapsed and the living conditions were horrendous. We approached the owner and the dogs were signed over to us. Sadly, within a couple of weeks the owner died. The dogs were adopted by their fosterer. The older dog was under our long term foster care due to his age. He lived happily for a few months until he became unwell and sadly died. The younger dog continues to love a full and happy life.

Brief statement of the charity's policy on reserves

All monies coming into the rescue are prioritised for the major expense of veterinary bills.
We aim to keep a cushion of between £4,000 to £6,000.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

Our only source of funding are fundraising activities and a nominal adoption fee for the dogs.
We run a weekly Facebook auction which raises between £300 - £400 per week. A significant increase on previous years - due to a surge in followers during COVID.

Independent Examiner's Report to the Trustees of Aireworth Dogs In Need

I report to the charity trustees on my examination of the accounts of the charity for the year ended 30 April 2022.

Responsibilities and basis of report

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirement of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examinations I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
