Activities

Objects: FOR THE BENEFIT OF THE PUBLIC TO RELIEVE THE SUFFERING OF CATS IN NEED OF CARE AND ATTENTION AND, IN PARTICULAR, TO PROVIDE AND MAINTAIN RESCUE HOMES OR OTHER FACILITIES FOR THE RECEPTION, CARE AND TREATMENT OF SUCH ANIMALS AND TO EDUCATE THE PUBLIC IN MATTERS PERTAINING TO CAT WELFARE IN GENERAL AND THE PREVENTION OF CRUELTY AND SUFFERING AMONG CATS.

Activities: Avon Cat Rescue has been active for over 50 years. At premises in South Warwickshire, relinquished and stray cats receive sanctuary and care prior to rehoming. The charity does not practice euthanasia except on medical grounds and with veterinary advice, therefore non-rehomable cats may become permanent residents. The charity operates locally and, to a lesser degree, in adjacent counties.

Avon Cat Rescue

Report of the Trustees for the Year Ended 20 December 2025

The trustees present their report with the financial statements of the charity for the year ended 20 December 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Avon Cat Rescue was established for the benefit of the public and to relieve the suffering of cats in need of care and attention. In particular:-

- to provide and maintain rescue homes or other facilities for the reception, care and treatment of such animals and,
- to educate the public in matters pertaining to cat welfare in general and the prevention of cruelty and suffering among cats.

The Rescue is in a fortunate position because it is able to help, simultaneously, three groups of people:

- firstly, those who are forced, through circumstance, to relinquish their cat or cats into care;
- secondly, those who wish to give a cat a home; and,
- thirdly, those who wish to work with cats.

In addition, of course, the cats themselves benefit from the Rescues work by securing a home for life with the continued back-up support of the Rescue.

Significant activities

Over the past year Avon Cat Rescue (ACR) has taken in 388 cats which included strays, unwanted pets and cats whose owners have died and as a result of evictions. New homes were found for 353 cats and other cats found new homes directly from the ACR website and the ACR Facebook page. Many of these new owners continue to support ACR through donations, visits, sending photos and attending events.

There are 18 cats which live permanently at ACR. These are called "pensioners" and are sponsored by supporters. They are cats which are unlikely to find home because of their temperament, age or medical conditions. There is one receiving thyroid treatment and others with breathing difficulties and other health problems,

All unneutered male cats arriving at ACR were tested for FIV and FELV. ACR has continued to vaccinate and microchip. 118 vaccinations were carried out and 71 cats were microchipped, 98 cats were neutered. All of these measures protect the health of the cat community.

Public benefit

The Trustees have given careful consideration to the Charity Commission's guidance on public benefit, as shown by the activities undertaken by the Rescue during the year.

Volunteers

The volunteers play a vital role in the work of the rescue. As well as the fundraising they make a large contribution to the care of the cats. At weekends whatever the weather volunteers are feeding, caring and socialising the cats in the care of the rescue.

Avon Cat Rescue

Report of the Trustees
for the Year Ended 20 December 2025

ACHIEVEMENTS AND PERFORMANCE

Fundraising activities

There have been a several successful events at ACR and other venues over the year. There were two bazaars at the Memorial Hall, a jumble sale and a Christmas Fair at the Memorial Hall. As well as this there has been an open afternoon at the rescue where visitors could view the cats and purchase from stalls and tea and cake stands. These events were well supported and resulted in some cats being rehomed in addition to raising funds

The rescue depends on the volunteers who collect items to sell, set up and run the stalls and clear away after. Many work tirelessly to keep these events going and the events couldn't go ahead without them. As well as helping at the events, volunteers are regularly donating cat food, blankets, cleaning materials and newspaper which are invaluable for the care of the cats.

The Sponsorship Scheme continues to raise funds for the "pensioners" at ACR. Those who are unable to take a cat home can adopt a "pensioner" and receive news and photos of their chosen cat during the year.

Donations of food are essential for ACR. The rescue is supported by an amazing group of individuals and companies. ACR is extremely grateful and depend on this generosity.

Over the year three newsletters were produced, many being sent by e-mail rather than hard copy saving postage and paper. A range of greetings cards were produced and sold to raise funds and every year there was a calendar illustrating happy cat homing stories from the past year. This year 160 calendars were sold.

The ACR website continues to be essential to publicising and homing the cats. All the ACR events are advertised here.

The ACR Facebook page is also a key part of finding homes for cats and advertising events and ACR uses Instagram as an additional promotional tool.

FINANCIAL REVIEW

Principal funding sources

The Rescues operating performance for 2024/25 was financially in line with expectations with a total operating surplus of £1,206 before legacies and depreciation.

The Rescues principal sources of funds are donations and fund-raising, which raised £110,861 and £10,891 respectively. Legacy income varies year-on-year, making it difficult to plan. Legacies amounted to £97,887 in the current year income. Running costs were covered by the principal sources of income, with the majority of expenditure given over to Cat Food & Care, Veterinary Fees and manpower expenses. All of these items of expenditure are in line with the Rescues objectives.

Investment policy and objectives

The policy for investing the charities funds is to keep all reserves and surplus funds in either fixed rate low risk cash bonds, interest bearing deposit accounts and a managed portfolio of investments. The Trustees agree that it is important that the funds generate income for the Charity but that the risk of that income generation must be as low as possible when taking into account inflation risk

FINANCIAL REVIEW

Reserves policy

The Charity's reserves policy acknowledges that the Charity's income streams can be inconsistent. Income arises evenly throughout the year from general fundraising and unevenly from legacies. The unpredictability in income makes planning difficult and, whilst the trustees are keen not to stockpile money unnecessarily, they believe that sustainability is paramount to their beneficiaries: the cats, their owners and the general public.

Of a more predictable nature is the fact that each year the income from general fundraising is insufficient to meet outgoings and has to be supplemented by legacy income. Therefore, to enable the Charity to plan its activities and to maintain a level of service, the trustees deem it judicious to hold sufficient funds in reserve to cover any shortfall arising in general fundraising income over the next three years.

This year, legacies amounted to £97,885. Together with the previous years legacies, the Charity has the financial capacity not only to reserve three years of operating costs but also to carry out significant improvements to the Rescues Centre. Upgrades that will improve the lives of the cats, the visiting public and the volunteers, in accordance with the Charity's constitution and the wishes of the public who donate the money.

The Charity will reserve £330,000 to ensure sustainability over the next three years. The reserve assumes operating costs of £150,000 per year and a conservative income from general fundraising of £40,000, leaving a shortfall of £110,000 for each of three years, ie £330,000 to be made up from reserves. A further £100,000 will be reserved for unexpected expenditure. In addition to this the Charity will reserve £450,000 to provide for the relocation of the Rescue Centre. The rescue centre is currently situated on the property of one of the Trustees, should the Trustee become incapacitated or pass away the centre would need to be relocated.

It is reassuring to know that the public trusts the Charity to spend their donations on the cats in the Charity's care. As a result, the Charity is in the fortunate position of having total unrestricted cash reserves of approximately £880,000 to hold in reserve as above and spend on its charitable objectives.

FUTURE PLANS

The trustees plan to continue improvements to the Rescue Centre. The standard of cat housing and storage of feed, bedding and supplies will be upgraded.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, the constitution and constitutes an unincorporated charity.

Independent Examiner's Report to the Trustees of
Avon Cat Rescue

Independent examiner's report to the trustees of Avon Cat Rescue

I report to the charity trustees on my examination of the accounts of Avon Cat Rescue (the Trust) for the year ended 20 December 2025.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

- Improvements to property - 10% on reducing balance
- Plant and machinery - 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Avon Cat Rescue

Report of the Trustees for the Year Ended 20 December 2024

The trustees present their report with the financial statements of the charity for the year ended 20 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Avon Cat Rescue was established for the benefit of the public and to relieve the suffering of cats in need of care and attention. In particular:-

- to provide and maintain rescue homes or other facilities for the reception, care and treatment of such animals and,
- to educate the public in matters pertaining to cat welfare in general and the prevention of cruelty and suffering among cats.

The Rescue is in a fortunate position because it is able to help, simultaneously, three groups of people:

- firstly, those who are forced, through circumstance, to relinquish their cat or cats into care;
- secondly, those who wish to give a cat a home; and,
- thirdly, those who wish to work with cats.

In addition, of course, the cats themselves benefit from the Rescues work by securing a home for life with the continued back-up support of the Rescue.

Significant activities

Over the past year Avon Cat Rescue (ACR) has taken in 302 cats which included strays, unwanted pets and cats who's owners have died and as a result of evictions. New homes were found for 258 cats and other cats found new homes directly from the ACR website and the ACR Facebook page. Many of these new owners continue to support ACR through donations, visits, sending photos and attending events.

There are 18 cats which live permanently at ACR. These are called "pensioners" and are sponsored by supporters. They are cats which are unlikely to find home because of their temperament, age or medical conditions. There is one with diabetes, one receiving thyroid treatment and others with breathing difficulties and other health problems,

All unneutered male cats arriving at ACR were tested for FIV and FELV. ACR has continued to vaccinate and microchip. 67 vaccinations were carried out and 71 cats were microchipped, 62 cats were neutered. All of these measures protect the health of the cat community.

A storm at the beginning of December resulted in part of a large tree destroying one of the rescue's new pens. Fundraising has enabled the rescue to plan for the pen to be rebuilt and also for some other improvements to other cat pens. These repairs and improvements will be undertaken during 2025.

Public benefit

The Trustees have given careful consideration to the Charity Commission's guidance on public benefit, as shown by the activities undertaken by the Rescue during the year.

Volunteers

The volunteers play a vital role in the work of the rescue. As well as the fundraising they make a large contribution to the care of the cats. At weekends whatever the weather volunteers are feeding, caring and socialising the cats in the care of the rescue.

ACHIEVEMENT AND PERFORMANCE

Fundraising activities

There have been a several successful events at ACR and other venues over the year. There was a bazaar at the Memorial Hall, a jumble sale and a Christmas Fair at the Memorial Hall. As well as this there have been open afternoons at the rescue where visitors could view the cats and purchase from stalls and tea and cake stands. These events were well supported and resulted in some cats being rehomed in addition to raising funds

The rescue depends on the volunteers who collect items to sell, set up and run the stalls and clear away after. Many work tirelessly to keep these events going and the events couldn't go ahead without them. As well as helping at the events, volunteers are regularly donating cat food, blankets, cleaning materials and newspaper which are invaluable for the care of the cats.

The Sponsorship Scheme continues to raise funds for the "pensioners" at ACR. Those who are unable to take a cat home can adopt a "pensioner" and receive news and photos of their chosen cat during the year.

Donations of food are essential for ACR. The rescue is supported by an amazing group of individuals and companies. ACR is extremely grateful and depend on this generosity.

Over the year three newsletters were produced, many being sent by e-mail rather than hard copy saving postage and paper. A range of greetings cards were produced and sold to raise funds and every year there was a calendar illustrating happy cat homing stories from the past year. This year 140 calendars were sold.

The ACR website continues to be essential to publicising and homing the cats. All the ACR events are advertised here.

The ACR Facebook page is also a key part if finding homes for cats and advertising events and this year ACR has started to use Instagram as an additional promotional tool.

FINANCIAL REVIEW

Principal funding sources

The Rescues operating performance for 2023/24 was financially in line with expectations with a total operating of surplus of £3,399 before legacies and depreciation.

The Rescues principal sources of funds are donations and fund-raising, which raised £106,785 and £13,281 respectively. Legacy income varies year-on-year, making it difficult to plan. Legacies amounted to £99,905 in the current year income. Running costs were covered by the principal sources of income, with the majority of expenditure given over to Cat Food & Care, Veterinary Fees and manpower expenses. All of these items of expenditure are in line with the Rescues objectives.

Investment policy and objectives

The policy for investing the charities funds is to keep all reserves and surplus funds in either fixed rate low risk cash bonds or interest bearing deposit accounts. The Trustees agree that it is important that the funds generate income for the Charity but that the risk of that income generation must be as low as possible.

Independent Examiner's Report to the Trustees of
Avon Cat Rescue

Independent examiner's report to the trustees of Avon Cat Rescue

I report to the charity trustees on my examination of the accounts of Avon Cat Rescue (the Trust) for the year ended 20 December 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The notes form part of these financial statements

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 10% on reducing balance
Plant and machinery	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

The trustees present their report with the financial statements of the charity for the year ended 20 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Avon Cat Rescue was established for the benefit of the public and to relieve the suffering of cats in need of care and attention. In particular:-

- to provide and maintain rescue homes or other facilities for the reception, care and treatment of such animals and,
- to educate the public in matters pertaining to cat welfare in general and the prevention of cruelty and suffering among cats.

The Rescue is in a fortunate position because it is able to help, simultaneously, three groups of people:

- firstly, those who are forced, through circumstance, to relinquish their cat or cats into care;
- secondly, those who wish to give a cat a home; and,
- thirdly, those who wish to work with cats.

In addition, of course, the cats themselves benefit from the Rescues work by securing a home for life with the continued back-up support of the Rescue.

Significant activities

Over the past year Avon Cat Rescue (ACR) has taken in 299 cats which included strays, unwanted pets and cats who's owners have died. In addition, new homes were found for 284 cats including 9 older cats exceeding 12 years of age. Several other cats found new homes directly from the ACR website and the ACR Facebook page. Many of these new owners continue to support ACR through donations, visits, sending photos and attending events.

There are 17 cats which live permanently at ACR. These are called "pensioners" and are sponsored by supporters. They are cats which are unlikely to find home because of their temperament, age or medical conditions. There is one with diabetes, one receiving thyroid treatment and others with breathing difficulties and other health problems,

All unneutered male cats arriving at ACR were tested for FIV and FELV. ACR has continued to vaccinate and microchip. 75 vaccinations were carried out and 83 cats were microchipped, 75 cats were neutered. All of these measures protect the health of the cat community.

Public benefit

The Trustees have given careful consideration to the Charity Commission's guidance on public benefit, as shown by the activities undertaken by the Rescue during the year.

Volunteers

The volunteers play a vital role in the work of the rescue. As well as the fundraising they make a large contribution to the care of the cats. At weekends whatever the weather volunteers are feeding, caring and socialising the cats in the care of the rescue.

ACHIEVEMENT AND PERFORMANCE

Fundraising activities

There have been a several successful events at ACR and other venues over the year. There was a bazaar at the Memorial Hall, a jumble sale, a Christmas Fair at the Memorial Hall. As well as this there have been open afternoons at the rescue where visitors could view the cats and purchase from stalls and tea and cake stands. We depend on the volunteers who collect items to sell, set up and run the stalls and clear away after. Many work tirelessly to keep these events going and the events couldn't go ahead without them. As well as helping at the events, volunteers are regularly donating cat food, blankets, cleaning materials and newspaper which are invaluable for the care of the cats.

The Sponsorship Scheme continues to raise funds for the "pensioners" at ACR. Those who are unable to take a cat home can adopt a "pensioner" and receive news and photos of their chosen cat during the year.

The new pens have been sponsored and supporters have been able to sponsor an individual pen or items withing them. They then receive a yearly update on the cats that have been helped and housed in their pen.

Donations of food are essential for ACR. They are supported by an amazing group of individuals and companies. ACR is extremely grateful and depend on this generosity.

Over the year three newsletters were produced, many being sent by e-mail rather than hard copy saving postage and paper. A range of greetings cards were produced and sold to raise funds and every year there was a calendar illustrating happy cat homing stories from the past year. This year 140 calendars were sold.

The ACR website continues to be essential to publicising and homing the cats. All the ACR events are advertised here.

The ACR Facebook page is also a key part if finding homes for cats and advertising events and this year ACR has started to use Istagram as an addional promotional tool.

FINANCIAL REVIEW

Principal funding sources

The Rescues operating performance for 2022/23 was financially in line with expectations with a total operating deficit of £6,350 before legacies and depreciation.

The Rescues principal sources of funds are donations and fund-raising, which raised £93,145 and £13,798 respectively. Legacy income varies year-on-year, making it difficult to plan. Legacies amounted to £28,376 in the current year income. Running costs were covered by the principal sources of income, with the majority of expenditure given over to Cat Food & Care, Veterinary Fees and manpower expenses. All of these items of expenditure are in line with the Rescues objectives.

Investment policy and objectives

The policy for investing the charities funds is to keep all reserves and surplus funds in either fixed rate low risk cash bonds or interest bearing deposit accounts. The Trustees agree that it is important that the funds generate income for the Charity but that the risk of that income generation must be as low as possible.

FINANCIAL REVIEW

Reserves policy

The Charity's reserves policy acknowledges that the Charity's income streams can be inconsistent. Income arises evenly throughout the year from general fundraising and unevenly from legacies. The unpredictability in income makes planning difficult and, whilst the trustees are keen not to stockpile money unnecessarily, they believe that sustainability is paramount to their beneficiaries: the cats, their owners and the general public.

Of a more predictable nature is the fact that each year the income from general fundraising is insufficient to meet outgoings and has to be supplemented by legacy income. Therefore, to enable the Charity to plan its activities and to maintain a level of service, the trustees deem it judicious to hold sufficient funds in reserve to cover any shortfall arising in general fundraising income over the next three years.

This year, legacies amounted to £28,376. Together with the previous years legacies, the Charity has the financial capacity not only to reserve three years of operating costs but also to carry out significant improvements to the Rescues Centre. Upgrades that will improve the lives of the cats, the visiting public and the volunteers, in accordance with the Charity's constitution and the wishes of the public who donate the money.

The Charity will reserve £200,000 to ensure sustainability over the next three years. The reserve assumes operating costs of £75,000 per year and a conservative income from general fundraising of £25,000, leaving a shortfall of £50,000 for each of three years, ie £150,000 to be made up from reserves. A further £50,000 will be reserved for unexpected expenditure. In addition to this the Charity will reserve £350,000 to provide for the relocation of the Rescue Centre. The rescue centre is currently situated on the property of one of the Trustees, should the Trustee become incapacitated or pass away the centre would need to be relocated.

It is reassuring to know that the public trusts the Charity to spend their donations on the cats in the Charity's care. As a result, the Charity is in the fortunate position of having total unrestricted cash reserves of approximately £676,000 to hold in reserve as above and spend on its charitable objectives.

FUTURE PLANS

The trustees plan to continue improvements to the Rescue Centre. These include the replacement of all of the current pens and the installation of new pens, where appropriate.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, the constitution and constitutes an unincorporated charity.

Independent examiner's report to the trustees of Avon Cat Rescue

I report to the charity trustees on my examination of the accounts of Avon Cat Rescue (the Trust) for the year ended 20 December 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The trustees present their report with the financial statements of the charity for the year ended 20 December 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Avon Cat Rescue was established for the benefit of the public and to relieve the suffering of cats in need of care and attention. In particular:-

- to provide and maintain rescue homes or other facilities for the reception, care and treatment of such animals and,
- to educate the public in matters pertaining to cat welfare in general and the prevention of cruelty and suffering among cats.

The Rescue is in a fortunate position because it is able to help, simultaneously, three groups of people:

- firstly, those who are forced, through circumstance, to relinquish their cat or cats into care;
- secondly, those who wish to give a cat a home; and,
- thirdly, those who wish to work with cats.

In addition, of course, the cats themselves benefit from the Rescues work by securing a home for life with the continued back-up support of the Rescue.

Significant activities

Over the past year Avon Cat Rescue (ACR) has taken in 327 cats which included strays, unwanted pets and cats who's owners have died. In addition, New homes were found for 322 cats including 19 kittens born at the rescue, Several other cats found new homes directly from the ACR website and the ACR Facebook page. Many of these new owners continue to support ACR through donations, visits, sending photos and attending events.

There are 18 cats which live permanently at ACR. These are called "pensioners" and are sponsored by supporters. They are cats which are unlikely to find home because of their temperament, age or medical conditions. There is one with diabetes, one with diabetes and FIV and two with digestive problems,

ACR has a "Golden Oldie" scheme to support elderly or disabled cats. This means that future medical expenses are covered by ACR. This enables people who may not have been able to afford to offer a home to these needy cats to do so. There were 19 cats supported in this way over the past year.

All unneutered male cats arriving at ACR were tested for FIV and FELV. ACR has continued to vaccinate and microchip cat. 102 vaccinations were carried out and 101 cats were microchipped, 109 cats were neutered. All of these measures protect the health of the cat community.

Public benefit

The Trustees have given careful consideration to the Charity Commission's guidance on public benefit, as shown by the activities undertaken by the Rescue during the year.

Volunteers

The volunteers play a vital role in the work of the rescue. As well as the fundraising they make a large contribution to the care of the cats. At weekends whatever the weather volunteers are feeding, caring and socialising the cats in the care of the rescue.

ACHIEVEMENT AND PERFORMANCE

Fundraising activities

There have been a several events over the year, 2 bazaars in the garden, a jumble sale, autumn fair in the Memorial Hall and our first Christmas Fair at the Memorial Hall. As well as this there have been several market stalls and stalls at village shows. We depend on the volunteers who collect items to sell, set up and run the stalls and clear away after. Many work tirelessly to keep these events going and the events couldn't go ahead without them. As well as helping at the events, volunteers are regularly donating cat food, blankets, cleaning materials and newspaper which are invaluable for the care of the cats.

The Sponsorship Scheme continues to raise funds for the "pensioners" at ACR. Those who are unable to take a cat home can adopt a "pensioner" and receive news and photos of their chosen cat during the year.

Over the year three newsletters were produced, many being sent by e-mail rather than hard copy saving postage and paper. The cost of printing one of the newsletters was paid for by a supporter. A range of greetings cards were produced and sold to raise funds and every year there was a calendar illustrating happy cat homing stories from the past year. This year 150 calendars were sold and the printing costs were donated. We had 480 Christmas cards printed and 2 supporters paid for the printing.

The ACR website continues to be essential to publicising and homing the cats. All the ACR events are advertised here.

The ACR Facebook page is proving to be successful for attracting public support and homing cats.

FINANCIAL REVIEW

Principal funding sources

The Rescues operating performance for 2021/22 was financially in line with expectations with a total operating deficit of £11,562 before legacies and depreciation.

The Rescues principal sources of funds are donations and fund-raising, which raised £83,227 and £9,267 respectively. Legacy income varies year-on-year, making it difficult to plan. Legacies amounted to £14,072 in the current year income. Running costs exceeded the principal sources of income, with the majority of expenditure given over to Cat Food & Care, Veterinary Fees and manpower expenses. All of these items of expenditure are in line with the Rescues objectives.

Investment policy and objectives

The policy for investing the charities funds is to keep all reserves and surplus funds in either fixed rate low risk cash bonds or interest bearing deposit accounts. The Trustees agree that it is important that the funds generate income for the Charity but that the risk of that income generation must be as low as possible.

FINANCIAL REVIEW

Reserves policy

The Charity's reserves policy acknowledges that the Charity's income streams can be inconsistent. Income arises evenly throughout the year from general fundraising and unevenly from legacies. The unpredictability in income makes planning difficult and, whilst the trustees are keen not to stockpile money unnecessarily, they believe that sustainability is paramount to their beneficiaries: the cats, their owners and the general public.

Of a more predictable nature is the fact that each year the income from general fundraising is insufficient to meet outgoings and has to be supplemented by legacy income. Therefore, to enable the Charity to plan its activities and to maintain a level of service, the trustees deem it judicious to hold sufficient funds in reserve to cover any shortfall arising in general fundraising income over the next three years.

This year, legacies amounted to £14,072. Together with the previous years legacies, the Charity has the financial capacity not only to reserve three years of operating costs but also to carry out significant improvements to the Rescues Centre. Upgrades that will improve the lives of the cats, the visiting public and the volunteers, in accordance with the Charity's constitution and the wishes of the public who donate the money.

The Charity will reserve £200,000 to ensure sustainability over the next three years. The reserve assumes operating costs of £75,000 per year and a conservative income from general fundraising of £25,000, leaving a shortfall of £50,000 for each of three years, ie £150,000 to be made up from reserves. A further £50,000 will be reserved for unexpected expenditure. In addition to this the Charity will reserve £350,000 to provide for the relocation of the Rescue Centre. The rescue centre is currently situated on the property of one of the Trustees, should the Trustee become incapacitated or pass away the centre would need to be relocated.

It is reassuring to know that the public trusts the Charity to spend their donations on the cats in the Charity's care. As a result, the Charity is in the unprecedented and enviable position of having total unrestricted cash reserves of approximately £697,000 to hold in reserve as above and spend on its charitable objectives.

FUTURE PLANS

The trustees plan to continue improvements to the Rescue Centre, which began in 2017. These include the replacement of all of the current pens and the installation of new pens, where appropriate.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, the constitution and constitutes an unincorporated charity.

Independent Examiner's Report to the Trustees of
Avon Cat Rescue

Independent examiner's report to the trustees of Avon Cat Rescue

I report to the charity trustees on my examination of the accounts of Avon Cat Rescue (the Trust) for the year ended 20 December 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 10% on reducing balance
Plant and machinery	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Avon Cat Rescue

Report of the Trustees for the Year Ended 20 December 2021

The trustees present their report with the financial statements of the charity for the year ended 20 December 2021. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Avon Cat Rescue was established for the benefit of the public and to relieve the suffering of cats in need of care and attention. In particular:-

- to provide and maintain rescue homes or other facilities for the reception, care and treatment of such animals and,
- to educate the public in matters pertaining to cat welfare in general and the prevention of cruelty and suffering among cats.

The Rescue is in a fortunate position because it is able to help, simultaneously, three groups of people:

- firstly, those who are forced, through circumstance, to relinquish their cat or cats into care;
- secondly, those who wish to give a cat a home; and,
- thirdly, those who wish to work with cats.

In addition, of course, the cats themselves benefit from the Rescues work by securing a home for life with the continued back-up support of the Rescue.

Significant activities

Over the past year Avon Cat Rescue (ACR) has taken in 385 cats which included strays, unwanted pets and cats who's owners have died. In addition, New homes were found for 388 cats including 29 kittens born at the rescue, Several other cats found new homes directly from the ACR website and the ACR Facebook page. Many of these new owners continue to support ACR through donations, visits, sending photos and attending events.

There are 23 cats which live permanently at ACR. These are called "pensioners" and are sponsored by supporters. They are cats which are unlikely to find home because of their temperament, age or medical conditions. There is one with diabetes, one with diabetes and FIV and two with digestive problems,

ACR has a "Golden Oldie" scheme to support elderly or disabled cats. This means that future medical expenses are covered by ACR. This enables people who may not have been able to afford to offer a home to these needy cats to do so. There were 22 cats supported in this way over the past year.

All unneutered male cats arriving at ACR were tested for FIV and FELV. ACR has continued to vaccinate and microchip cat. 111 vaccinations were carried out and 105 cats were microchipped, 109 cats were neutered. All of these measures protect the health of the cat community.

Public benefit

The Trustees have given careful consideration to the Charity Commission's guidance on public benefit, as shown by the activities undertaken by the Rescue during the year.

Volunteers

The volunteers play a vital role in the work of the rescue. As well as the fundraising they make a large contribution to the care of the cats. At weekends whatever the weather volunteers are feeding, caring and socialising the cats in the care of the rescue.

Avon Cat Rescue

Report of the Trustees for the Year Ended 20 December 2021

ACHIEVEMENT AND PERFORMANCE

Fundraising activities

There have been a few events this year, although events have still been affected by the COVID-19 pandemic. There was an open afternoon where the public could buy from stalls in the garden. There was also a jumble sale. These events were very well supported with many people attending. We depend on the volunteers who collect items to sell, set up and run the stalls and clear away after. Many work tirelessly to keep these events going and the events couldn't go ahead without them. As well as helping at the events, volunteers are regularly donating cat food, blankets, cleaning materials and newspaper which are invaluable for the care of the cats.

The Sponsorship Scheme continues to raise funds for the "pensioners" at ACR. Those who are unable to take a cat home can adopt a "pensioner" and receive news and photos of their chosen cat during the year.

The Paypal donate button on the website has also attracted donations and we have had a few people fundraise through Facebook.

Over the year three Newsletters were produced, many being sent by e-mail rather than hard copy saving postage and paper. A range of greetings cards are produced and sold to raise funds and every year there is a calendar illustrating happy cat homing stories from the past year. This year 180 calendars were sold this year and the printing costs were donated..

The ACR website continues to be essential to publicising and homing the cats. All the ACR events are advertised here.

The ACR Facebook page is proving to be successful for attracting public support and homing cats.

FINANCIAL REVIEW

Principal funding sources

The Rescues operating performance for 2020/21 was financially in line with expectations with a total operating deficit of £7,895 before legacies and depreciation.

The Rescues principal sources of funds are donations and fund-raising, which raised £85,658 and £4,925 respectively. Legacy income varies year-on-year, making it difficult to plan. Legacies amounted to £55,990 in the current year income. Running costs exceeded the principal sources of income, with the majority of expenditure given over to Cat Food & Care, Veterinary Fees and manpower expenses. All of these items of expenditure are in line with the Rescues objectives.

Investment policy and objectives

The policy for investing the charities funds is to keep all reserves and surplus funds in either fixed rate low risk cash bonds or interest bearing deposit accounts. The Trustees agree that it is important that the funds generate income for the Charity but that the risk of that income generation must be as low as possible.

Avon Cat Rescue

Report of the Trustees for the Year Ended 20 December 2021

FINANCIAL REVIEW

Reserves policy

The Charity's reserves policy acknowledges that the Charity's income streams can be inconsistent. Income arises evenly throughout the year from general fundraising and unevenly from legacies. The unpredictability in income makes planning difficult and, whilst the trustees are keen not to stockpile money unnecessarily, they believe that sustainability is paramount to their beneficiaries: the cats, their owners and the general public.

Of a more predictable nature is the fact that each year the income from general fundraising is insufficient to meet outgoing and has to be supplemented by legacy income. Therefore, to enable the Charity to plan its activities and to maintain a level of service, the trustees deem it judicious to hold sufficient funds in reserve to cover any shortfall arising in general fundraising income over the next three years.

This year, legacies amounted to £55,990. Together with the previous years legacies, the Charity has the financial capacity not only to reserve three years of operating costs but also to carry out significant improvements to the Rescue Centre. Upgrades that will improve the lives of the cats, the visiting public and the volunteers, in accordance with the Charity's constitution and the wishes of the public who donate the money.

The Charity will reserve £200,000 to ensure sustainability over the next three years. The reserve assumes operating costs of £75,000 per year and a conservative income from general fundraising of £25,000, leaving a shortfall of £50,000 for each of three years, ie £150,000 to be made up from reserves. A further £50,000 will be reserved for unexpected expenditure. In addition to this the Charity will reserve £350,000 to provide for the relocation of the Rescue Centre. The rescue centre is currently situated on the property of one of the Trustees, should the Trustee become incapacitated or pass away the centre would need to be relocated.

It is reassuring to know that the public trusts the Charity to spend their donations on the cats in the Charity's care. As a result, the Charity is in the unprecedented and enviable position of having total unrestricted cash reserves of approximately £682,000 to hold in reserve as above and spend on its charitable objectives.

FUTURE PLANS

The trustees plan to continue improvements to the Rescue Centre, which began in 2017. These include the replacement of all of the current pens and the installation of new pens, where appropriate.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, the constitution and constitutes an unincorporated charity.

Independent Examiner's Report to the Trustees of
Avon Cat Rescue

Independent examiner's report to the trustees of Avon Cat Rescue

I report to the charity trustees on my examination of the accounts of Avon Cat Rescue (the Trust) for the year ended 20 December 2021.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
for the Year Ended 20 December 2021

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Improvements to property	- 10% on reducing balance
Plant and machinery	- 25% on reducing balance

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
