

Coach House AGM April 2022  
Not held due to Covid 19 concerns  
A joint report by the Chairman and Secretary

My report starts again with no news as to when we will begin our work on converting the Coach House to become a village amenity. When we started the Committee 10 years ago we had no idea that it would be so difficult to complete.

No meetings have been held due to the ongoing fallout from the Covid 19 pandemic. Three of our Committee members are still isolating due to health issues and the safety of all connected with our Committee is of prime concern and so at this time no further work can be done. We have tried to swell the numbers of the Committee without success as this would have enabled us to continue to progress our plans. We are hoping as the year progresses that our existing members feel confident enough again to join in meetings and we can make fund raising plans and also look to searching for builders etc. to bring our project to fruition.

I think that is all we can add at this time. We as a Committee remain committed to continuing and reaching our goal but the Covid situation and ill health is out of our control.

Cathy Galloway, Chairperson, Airmyn Coach House Committee  
April 2022  
David Galloway, Secretary.
