## Trustees' Annual Report *(continued)*

Year ended 31 March 2023

---

### **Structure, governance and management**

Kollel Yisroel Yitzchok is constituted under a trust deed dated 18 June 2015 and was registered as a charity on 22 June 2015. It is a registered charity with a charity number being 1162331.

Recruitment and appointment of new trustees would be in line with the Trust Deed and with the consent of the trustees. The criteria set for the suitable candidate would be someone who is sensitive to the needs and demands of the organisation.

There is no chief executive officer. The day to day affairs are undertaken by Rabbi E Hochhauser on behalf of the trustees. All major decisions are taken collectively by the trustees and all the trustees give of their time freely. The trustees are unpaid and details of any related party transactions are disclosed as applicable in the notes to the accounts.

There are no policies for the induction or training of new trustees.

### **Risk review**

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Trust, and are satisfied that systems are in place to manage our exposure to the major risks.

The risks faced by the trust are principally operational risks from ineffective grant making. These risks are managed by the trustees researching potential beneficiaries before granting donations.

Report back and review procedures strengthen these safeguards to ensure public benefit is achieved from all grants.

# Kollel Yisroel Yitzchok

## Trustees' Annual Report *(continued)*

Year ended 31 March 2023

---

### Objectives and activities

The objects of the charity are the advancement of education in the Jewish Faith.

#### Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education when reviewing the charity's aims and objectives and in planning future activities and setting grant making policy for the year.

#### Grant making policy

The charity has established its grant making policy to achieve its objects for the public benefit. The charity invites applications for funding through contacting local philanthropists to contribute towards projects that both the trustees and the philanthropists feel are appropriate for the charities objects.

The application of the funds by way of grants is to either institutions or individuals and is almost always to institutions.

The trustees consider they have met the public benefit test and outline these achievements below.

The trustees measure the success of achieving the stated aims by the number and value of grants paid out for each object. The grants paid out in the year are detailed in the notes to the accounts and the trustees consider they have met their aims successfully this year.

The trustees consider the shorter term aims to be similar to the longer term aims and assess the achievement of the charity in the same way.

### Achievements and performance

The charity received £25,945 in donations during the year and £28,854 was paid out by way of grants and support costs in line with the stated objects of the charity. The individual grants were for the advancement of Talmudical studies.

The trustees would like to record their appreciation for all financial support received from benefactors during the course of the year.

The charity has low governance costs.

There were no investments made during the year.

There were no material fundraising costs during the year.

There were no related party transactions in the reporting period.

There was an overall net expenditure of resources for the year amounting to £2,909.

# Kollel Yisroel Yitzchok

## Trustees' Annual Report *(continued)*

Year ended 31 March 2023

---

### Financial review

The trustees feel that the activity reflects the profile and standing within the local community. Overall the year was good in terms of income generated from donations and charitable grants paid out.

The impact for future year's expenditure is self evident and the trustees would like to record their appreciation for all the financial support received from benefactors during the course of the year.

### Reserves policy

The Unrestricted Fund represents the unrestricted funds arising from past operating results.

The Trustees are satisfied that the balance of the Fund is an acceptable level of reserves given the nature of revenue receipts against grants payable.

In considering the limited financial obligations of the charity, the trustees have resolved to maintain a minimum reserve practical for donations which are seasonal.

The free reserves, represented by the net current assets of the charity stand at £6,898 all of which were unrestricted.

The trustees' annual report was approved on 29 January 2024 and signed on behalf of the board of trustees by:

C Davis  
Trustee

## Independent Examiner's Report to the Trustees of Kollel Yisroel Yitzchok

Year ended 31 March 2023

---

I report to the trustees on my examination of the financial statements of Kollel Yisroel Yitzchok ('the charity') for the year ended 31 March 2023.

### Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements

Year ended 31 March 2023

---

### 1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 18 Fairway, Prestwich, Manchester, M25 0JH.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements did not require management to make judgements, estimates or assumptions that affect the amounts reported.

#### Fund accounting

Unrestricted funds held by the charity are funds that can be used in accordance with the charitable objects at the discretion of the trustees.

# Kollel Yisroel Yitzchok

## Notes to the Financial Statements *(continued)*

Year ended 31 March 2023

---

### 3. Accounting policies *(continued)*

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

# Kollel Yisroel Yitzchok

## Notes to the Financial Statements *(continued)*

### Year ended 31 March 2023

---

#### 3. Accounting policies *(continued)*

##### Financial instruments *(continued)*

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

## Trustees' Annual Report *(continued)*

Year ended 31 March 2022

---

### **Structure, governance and management**

Kollel Yisroel Yitzchok is constituted under a trust deed dated 18 June 2015 and was registered as a charity on 22 June 2015. It is a registered charity with a charity number being 1162331.

Recruitment and appointment of new trustees would be in line with the Trust Deed and with the consent of the trustees. The criteria set for the suitable candidate would be someone who is sensitive to the needs and demands of the organisation.

There is no chief executive officer. The day-to-day affairs are undertaken by Rabbi E Hochhauser on behalf of the trustees. All major decisions are taken collectively by the trustees and all the trustees give of their time freely. The trustees are unpaid and details of any related party transactions are disclosed as applicable in the notes to the accounts.

There are no policies for the induction or training of new trustees.

### **Risk review**

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Trust, and are satisfied that systems are in place to manage our exposure to the major risks.

The risks faced by the trust are principally operational risks from ineffective grant making. These risks are managed by the trustees researching potential beneficiaries before granting donations.

Report back and review procedures strengthen these safeguards to ensure public benefit is achieved from all grants.

# Kollel Yisroel Yitzchok

## Trustees' Annual Report *(continued)*

Year ended 31 March 2022

---

### Objectives and activities

The objects of the charity are the advancement of education in the Jewish Faith.

#### Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education when reviewing the charity's aims and objectives and in planning future activities and setting grant making policy for the year.

#### Grant making policy

The charity has established its grant making policy to achieve its objects for the public benefit. The charity invites applications for funding through contacting local philanthropists to contribute towards projects that both the trustees and the philanthropists feel are appropriate for the charities objects.

The application of the funds by way of grants is to either institutions or individuals and is almost always to institutions.

The trustees consider they have met the public benefit test and outline these achievements below.

The trustees measure the success of achieving the stated aims by the number and value of grants paid out for each object. The grants paid out in the year are detailed in the notes to the accounts and the trustees consider they have met their aims successfully this year.

The trustees consider the shorter term aims to be similar to the longer term aims and assess the achievement of the charity in the same way.

### Achievements and performance

The charity received £28,874 in donations during the year and £34,630 was paid out by way of grants and support costs in line with the stated objects of the charity. The individual grants were for the advancement of Talmudical studies.

The trustees would like to record their appreciation for all financial support received from benefactors during the course of the year.

The charity has low governance costs.

There were no investments made during the year.

There were no material fundraising costs during the year.

There were no related party transactions in the reporting period.

There was an overall net expenditure of resources for the year amounting to £5,756.

# Kollel Yisroel Yitzchok

## Trustees' Annual Report *(continued)*

Year ended 31 March 2022

---

### Financial review

The trustees feel that the activity reflects the profile and standing within the local community. Overall the year was good in terms of income generated from donations and charitable grants paid out.

The impact for future year's expenditure is self evident and the trustees would like to record their appreciation for all the financial support received from benefactors during the course of the year.

### Reserves policy

The Unrestricted Fund represents the unrestricted funds arising from past operating results.

The Trustees are satisfied that the balance of the Fund is an acceptable level of reserves given the nature of revenue receipts against grants payable.

In considering the limited financial obligations of the charity, the trustees have resolved to maintain a minimum reserve practical for donations which are seasonal.

The free reserves, represented by the net current assets of the charity stand at £9,807 all of which were unrestricted.

### Coronavirus

The charity has not been materially affected by the coronavirus.

The trustees' annual report was approved on 16 January 2023 and signed on behalf of the board of trustees by:

**C Davis**  
Trustee

# **Kollel Yisroel Yitzchok**

## **Independent Examiner's Report to the Trustees of Kollel Yisroel Yitzchok**

**Year ended 31 March 2022**

---

I report to the trustees on my examination of the financial statements of Kollel Yisroel Yitzchok ('the charity') for the year ended 31 March 2022.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements

Year ended 31 March 2022

---

### 1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is 18 Fairway, Prestwich, Manchester, M25 0JH.

### 2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

### 3. Accounting policies

#### Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

#### Going concern

There are no material uncertainties about the charity's ability to continue.

#### Judgements and key sources of estimation uncertainty

The preparation of the financial statements did not require management to make judgements, estimates or assumptions that affect the amounts reported.

#### Fund accounting

Unrestricted funds held by the charity are funds that can be used in accordance with the charitable objects at the discretion of the trustees.

# Kollel Yisroel Yitzchok

## Notes to the Financial Statements *(continued)*

Year ended 31 March 2022

---

### 3. Accounting policies *(continued)*

#### Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

#### Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

#### Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

# Kollel Yisroel Yitzchok

## Notes to the Financial Statements *(continued)*

### Year ended 31 March 2022

---

#### 3. Accounting policies *(continued)*

##### Financial instruments *(continued)*

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

## Trustees' Annual Report *(continued)*

Year ended 31 March 2021

---

### **Structure, governance and management**

Kollel Yisroel Yitzchok is constituted under a trust deed dated 18 June 2015 and was registered as a charity on 22 June 2015. It is a registered charity with a charity number being 1162331.

Recruitment and appointment of new trustees would be in line with the Trust Deed and with the consent of the trustees. The criteria set for the suitable candidate would be someone who is sensitive to the needs and demands of the organisation.

There is no chief executive officer. The day to day affairs are undertaken by Rabbi E Hochhauser on behalf of the trustees. All major decisions are taken collectively by the trustees and all the trustees give of their time freely. The trustees are unpaid and details of any related party transactions are disclosed as applicable in the notes to the accounts.

There are no policies for the induction or training of new trustees.

### **Risk review**

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the Trust, and are satisfied that systems are in place to manage our exposure to the major risks.

The risks faced by the trust are principally operational risks from ineffective grant making. These risks are managed by the trustees researching potential beneficiaries before granting donations.

Report back and review procedures strengthen these safeguards to ensure public benefit is achieved from all grants.

# Kollel Yisroel Yitzchok

## Trustees' Annual Report *(continued)*

Year ended 31 March 2021

---

### Objectives and activities

The objects of the charity are the advancement of education in the Jewish Faith.

#### Public benefit

The trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education when reviewing the charity's aims and objectives and in planning future activities and setting grant making policy for the year.

#### Grant making policy

The charity has established its grant making policy to achieve its objects for the public benefit. The charity invites applications for funding through contacting local philanthropists to contribute towards projects that both the trustees and the philanthropists feel are appropriate for the charities objects.

The application of the funds by way of grants is to either institutions or individuals and is almost always to institutions.

The trustees consider they have met the public benefit test and outline these achievements below.

The trustees measure the success of achieving the stated aims by the number and value of grants paid out for each object. The grants paid out in the year are detailed in the notes to the accounts and the trustees consider they have met their aims successfully this year.

The trustees consider the shorter term aims to be similar to the longer term aims and assess the achievement of the charity in the same way.

### Achievements and performance

The charity received £39,256 in donations during the year and £29,670 was paid out by way of grants and support costs in line with the stated objects of the charity. The individual grants were for the advancement of Talmudical studies.

The trustees would like to record their appreciation for all financial support received from benefactors during the course of the year.

The charity has low governance costs.

There were no investments made during the year.

There were no material fundraising costs during the year.

There were no related party transactions in the reporting period.

There was an overall net income of resources for the year amounting to £9,586.

# Kollel Yisroel Yitzchok

## Trustees' Annual Report *(continued)*

Year ended 31 March 2021

---

### Financial review

The trustees feel that the activity reflects the profile and standing within the local community. Overall the year was good in terms of income generated from donations and charitable grants paid out.

The impact for future year's expenditure is self evident and the trustees would like to record their appreciation for all the financial support received from benefactors during the course of the year.

### Reserves policy

The Unrestricted Fund represents the unrestricted funds arising from past operating results.

The Trustees are satisfied that the balance of the Fund is an acceptable level of reserves given the nature of revenue receipts against grants payable.

In considering the limited financial obligations of the charity, the trustees have resolved to maintain a minimum reserve practical for donations which are seasonal.

The free reserves, represented by the net current assets of the charity stand at £15,563 all of which were unrestricted.

### Coronavirus

The charity has not been materially affected by the coronavirus.

The trustees' annual report was approved on 23 January 2022 and signed on behalf of the board of trustees by:

**C Davis**  
Trustee

# **Kollel Yisroel Yitzchok**

## **Independent Examiner's Report to the Trustees of Kollel Yisroel Yitzchok**

**Year ended 31 March 2021**

---

I report to the trustees on my examination of the financial statements of Kollel Yisroel Yitzchok ('the charity') for the year ended 31 March 2021.

### **Responsibilities and basis of report**

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
