LOOKING FORWARD...

Your Management Committee's goals for the next 12 months:

To Recover after Covid. To assess how many of the SPS want to stay on patrol

To recruit more volunteers.

HOW CAN WE FURTHER SUPPORT YOU?

How can we further support your coordinator?

Arrange some online training.

Training from Ascension Trust for volunteers and management team.

Develop regional Ascension Trust Days

How can we further support your Management Committee

Regionalise AT training days

How can we further support your relationship with the Urban Trinity?

No support required locally as we have a really strong relationship.

It would be beneficial to see Ascension Trust building these on our behalf nationally to aid potential funding streams in the future.
