Achievements and Performance

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>Over the past 12 months The Carriage Foundation has launched a project to transfer two important carriages, that belonged to 18th century Birmingham Businessman John Baskerville, to the Birmingham Museum and Art Gallery from Wollaton Hall. The Carriage Foundation organised a Specialists Day Wollaton Hall and the Nottingham Industrial Museum to bring specialists together who are working on the project. The monthly talks and discussions via Zoom have continued throughout the Autumn and Winter months and have helped build up contacts as well as raising the profile of The Carriage Foundation. Educational stands have been present at two events at Shuttleworth and at the Lymm Transport Festival. We have provided speakers to deliver talks to historical groups and societies and provided guided tours of the Maidstone Carriage Museum during Heritage Open Week and delivered staff/volunteer training days and public talks at The National Trust's Arlington Court in Devon. We have introduced day visits to the Derbyshire Record Office.</p> <p>The charity's Trustees have continued to work closely with museums and other organisations to assist with documentation and public enquiries. Museums now send enquiries directly to us to respond to and we have been working closely with museum staff not just in the UK but worldwide. Museum staff continue to expand their knowledge of horse-drawn carriages within the collections under their care.</p> <p>Subscriptions to The Carriage Foundation remain steady. This has been achieved through the website and the dedicated Facebook page https://www.facebook.com/thecarriagefoundation/ as well as networking with people from other countries who are taking an active interest in the work of the Charity and helping to achieve its educational outreach aims.</p> <p>Demand for The Carriage Foundation's first major publication 'The A to Z of Carriages' continues and has been well received. Plans are now set in place to publish a series of booklets in addition to the charity's biannual publication <u>The Whiffle Tree</u>.</p>

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

(remember to include the page numbers of additional sheets)

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31/07/2021.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

[The charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of [insert name of applicable listed body]]. *Delete [] if not applicable.*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Achievements and Performance

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>Over the past 12 months The Carriage Foundation has organised talks and discussions via Zoom. The study tours and study day were curtailed during the Covid-19 pandemic. Those due to take place have been rescheduled to next year and are fully booked.</p> <p>The charity's Trustees have also worked closely with museums and other organisations to assist with documentation and public enquiries. Museums now send enquiries directly to us to respond to and we have been working with museums not just in the UK but worldwide. Museum staff continue to expand their knowledge of horse-drawn carriages within the collections under their care. The Carriage Foundation has assisted in the process of enhancing the collection at Arlington Court with the addition of three carriages from other museums and has been advising on interpretation.</p> <p>Despite the impact of Covid-19 and the cancellation of events, where the Carriage Foundation would normally have had a promotional stand, subscriptions have increased slightly on the previous year, particularly from our international followers. This has been achieved through the Carriages of Britain website and the dedicated Facebook page https://www.facebook.com/thecarriagefoundation/ as well as networking with people from other countries who are taking an active interest in the work of the Charity and helping to achieve its educational outreach aims.</p> <p>The Carriage Foundation has published its first book 'The A to Z of Carriages'. Response has been excellent with copies being posted across the globe and placed in major libraries, including the world-renowned Hermitage, Imperial Carriage Museum Vienna, the National Library of Ireland and the Carriage Association of America. It is proving to be an easy to use reference book for anyone interested in expanding their knowledge of horse-drawn carriages.</p>
