Structure, governance and management

Governing document

The Hive Food Bank is constituted as a charitable incorporated organisation registered with the Charity Commission on 24 June 2015. It is governed by a Constitution of a Charitable Incorporated Organisation whose only voting members are its charity trustees, which was submitted to the Charity Commission on incorporation of the charity.

Organisational structure

The charity trustees are responsible for the general control and management of the charity. The trustees give their time freely and receive no remuneration or other financial benefits.

The trustees meet together regularly on an informal basis and have a formal quarterly trustee meeting. They are responsible for all decisions taken in relation to running the food bank and the activities provided by the charity.

Recruitment and appointment of trustees

The Constitution of the charity dictates that there must be at least 3 charity trustees and that the maximum number of charity trustees is 7. If the charity wishes to appoint more trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the charity. In addition, the charity will make available to each new charity trustee, on or before his or her first appointment: (a) a copy of the current version of the constitution, and (b) a copy of the charity's latest Trustees' Annual Report and statement of accounts.

Objectives and aims

Our aims

The objects of the charity are set out in the charity's Constitution and are summarised as follows:

The prevention or relief of poverty in London by providing items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty;

The relief of financial hardship or distress among people in need living or working in London by providing such persons with food which they could not otherwise afford through lack of means and in such other ways as the trustees think fit from time to time.

How our activities deliver public benefit

The trustees confirm that they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission in exercising their powers and duties. During the period the report relates to, weekly sessions distributing food supplies to people in need continued throughout the period. As the COVID-19 has continued, the need for the charity's services remained at a vastly increased level. New volunteers were recruited and trained during the period, in order to assist with both weekly sessions and fundraising activities. Shift managers were also recruited from the charity's existing pool of volunteers, who took on leadership positions with responsibility for running distribution sessions and management of other volunteers. The trustees continued to organise food donations and developed relationships with supermarket distribution centres in order to provide a steady buffer of food supplies for weekly distribution sessions. Relationships with local community service providers who act as referrers were developed and strengthened, with such referrers continuing to identify those in need and refer them to the charity.

Achievements and performance

The charity continued the weekly distribution sessions and provided food supplies to beneficiaries in need. Food donations were also given to the charity during this time, and support

from local charitable organisations enabled the stock of a buffer of food provisions for the charity. Strong relationships were built and maintained with local community organisations, strengthening the support given by the charity to beneficiaries in the local community.

Financial review and results for the period ending 31 December 2021

Reserves policy

The trustees have maintained a reserves policy of £1000.

During the period in question, the charity had income totalling £43,762 and expenditure totalling £42,885. Please see Appendix 1 for the financial statement for the period in question.

As the charity had an annual income in excess of £25,000 for the financial year ending 31 December 2020, the trustees have arranged for Margaret Laithwaite, an independent person who has experience in charity accounting to carry out an independent examination of the charity's accounts. Pursuant to the Charities Act 2011, the trustees reasonably believe that Margaret Laithwaite has the requisite ability and practical experience to carry out a competent examination of the charity's accounts.

The examiner's report to the trustees is appended as Appendix 2 to this report.

The trustees declare that they have approved the trustees' report above.
