Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution
How the charity is constituted (eg. trust, association, company)	Association
Trustee selection methods (eg. appointed by, elected by)	Elected at the AGM in April or May each year

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Coed y Bont is run by a management committee numbering 8 people. There are normally four formal committee meetings in the year including an AGM in April or May. The official positions are chairperson, secretary and treasurer who are elected or re-elected at the AGM.

Coed y Bont is 25 hectare woodland near Pontrhydfendigaid which is part of the Welsh Government Forest Estate managed by Natural Resources Wales (NRW). In December 2012, NRW entered into a Management Agreement with a group of local people who formed a committee representing the community. This Agreement was extended to 12 years from 1 April 2014. It sets out the terms and conditions under which we can develop this area for the benefit of the community. We liaise closely with the local NRW Forest Manager in all aspects of its work that impinge on the woodland.

Coed y Bont became a Charitable Incorporated Organisation in 2015, Charity Registration Number 1162376.

CyB has policies in place covering: equality and diversity; health and safety; environment; children and vulnerable persons; the Welsh language; volunteering; and shared values.

CyB is also an active member of Llais y Goedwig, the organisation that promotes community woodland groups throughout Wales and supports networking to share knowledge and experience.

None of the trustees receive any payments or any benefits in kind from their involvement in CyB.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To promote, for the benefit of the inhabitants of Ystrad Fflur and surrounding communities, the provision of facilities for recreation or other leisure time occupation for the public at large in the interests of social welfare and with the object of improving the condition of life of the said inhabitants in particular by developing the woodland known as Coed y Bont as a community woodland.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

1. The provision and improvement of access to the woodland. This involves: installing new paths, including way-marked easy access paths; repairing and improving existing paths; providing picnic tables and benches and ensuring continued maintenance.
2. The provision of publicity and information including: a welcome and information board at the woodland entrance; printing publicity leaflets that explain and interpret what the woodland has to offer; holding public events to show people different aspects of the woodland's wildlife; and publicising our activities and events through social media, posters and the press. Coed y Bont has a very active Facebook page, providing news and detailing events and achievements.
3. The conservation of the woodland's wildlife including undertaking surveys of the fauna and flora and carrying out woodland management to enhance the biodiversity.
4. Involving as many local people as possible by: engaging local volunteers to undertake practical work in support of the provision of access, conservation and information provision objectives; involving the children from the local primary school and the youth club in projects like making bird and dormice boxes.

In undertaking the activities and in making decisions about them the trustees have constantly had due regard to the Charity Commission's guidance on public benefit. The vision was to create an attractive, interesting and quiet place that is free and open at any time for people to visit, where they can enjoy the woodland and its wildlife. We believe that this has been fully achieved and because the people in the local community have been heavily involved in making this happen it gives them an added sense of pride and ownership in their achievement. Local people regard Coed y Bont as an extremely valuable asset to the area and many visit it for walks on a daily basis. It is also a popular place for visitors and it is now on NRW's own website that promotes visitor attractions at their woodlands in Wales.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Volunteers from the local community have helped the charity in all sorts of different ways: acting as trustees, helping with the management group; organising and running events; designing producing and organising publicity material, being responsible for financial control and records; providing technical expertise on wildlife and woodland management; and carrying out the hard physical work that is required for the management and maintenance of the woodland and all the infrastructure facilities that we are installing. Without our volunteers there would be no community woodland project.

Any funds that are not required for Coed y Bont activities are deposited in the bank to gain interest

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Due to the Covid restrictions, our activities including volunteering at the woodland were suspended until May 2021.

The first project after lockdown was the completion of work previously started to create a glade as a play area for young local children to use in a safe woodland environment.

After that, the main project during the second part of 2021 and through 2022 was the construction of a 130m long all ability access track. Designed mainly with public safety in mind, this new path will allow pedestrians from the village wishing to access the woodland to enter it as soon as they reach it, so avoiding a narrow stretch of potentially hazardous country lane. Logs were foraged from the woodland to provide the edges to the path and hard core for the base of the path was salvaged from a large pile that had been donated. The only cost was geotextile membrane paid for out of funds.

During the footpath project the enthusiasm and keenness of the volunteers to take part was notable. The work was quite strenuous and physically taxing but people enjoyed seeing the slow but steady progress arising from their efforts.

Section E Financial review

Brief statement of the charity's policy on reserves

At the end of the year we held surplus cash funds of £1473 which is unrestricted and can be used for running costs and any unforeseen expenditure that might crop up from time to time.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

We started the year with an opening balance of unrestricted funds of £1251. All income came from fund raising and donations. All expenditure has been in support of the key objectives of the charity. There are no outstanding liabilities.

Section F Other optional information

Section G Declaration

The trustees declare that they have approved the trustees' report above.

Signed on behalf of the charity's trustees
