Love Support Unite Africa Foundation

Trustees' annual report for the year ended 31st March 2025

The trustees present their report and the unaudited financial statements for the year ended 31st March 2025.

Reference and administrative information set out on page 1 forms part of this report. The financial statements comply with current statutory requirements, the memorandum and articles of association and the Statement of Recommended Practice - Accounting and Reporting by Charities: SORP applicable to charities preparing their accounts in accordance with FRS 102.

Objectives and activities

The objects of Love Support Unite Africa Foundation (LSU) are the prevention or relief of poverty or financial hardship in Africa by providing or assisting in the provision of education, training and healthcare projects. To provide necessary support designed to enable individuals and communities to generate a sustainable income and be self-sufficient.

Our projects are in Malawi – but not restricted to that country - with fundraising and administration being principally in the United Kingdom but with beneficiaries and volunteers being in both Malawi and the United Kingdom.

We grant the UK funds to organisations that are aligned with our aims and objectives. From October 2019 this is primarily African Vision Malawi in the UK and known as The Landirani Trust in Malawi.

The trustees review the aims, objectives and activities of the charity each year. This report looks at what the charity has achieved and the outcomes of its work in the reporting period. The trustees report the success of each key activity and the benefits the charity has brought to those groups of people that it is set up to help. The review also helps the trustees ensure the charity's aims, objectives and activities remain focused on its stated purposes.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning its future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives that have been set.

Achievements and performance

We partner with communities in Malawi to create sustainable solutions to poverty to bring about lasting and measurable change through our holistic model of development.

The charity's main activities and who it tries to help are described below. All its charitable activities focus on Education, Health Care, Sustainability, Nutrition through food security, Infrastructure, aid through Mphatso feeding programme for baby meals, and response to crisis appeals such as Covid-19. These activities are undertaken to further Love Support Unite Africa Foundation's charitable purposes for the public benefit.

Our main funded programmes partnered with and delivered through African Vision Malawi (AVM) include:

Adult literacy

Many families can't afford secondary school fees, children drop out in order to work and support their families. Girls often enter into early marriages so their care is supported independently by their husband and his family. Leaving the adult population over 20 years old unable to support their children's learning, read medical advice and run successful businesses.

LSU has helped provide funding to train 4 adult literacy teachers and runs 2 centres for adults teaching Chichewa and English.

Love Support Unite Africa Foundation

Trustees' annual report for the year ended 31st March 2025

This will help to reduce illiteracy levels among adults ranging in age from 16 to 60 years in the community, enabling them to support their children's learning, run businesses, read warnings on medicines and integrate more fully into society for example being able to fill out bank forms.

Early childhood development

Supporting the education of children aged 2-5 years old in a preschool environment. We help the children gain a basic education and improve concentration before they reach primary level. This enables standard one (a child's first year at school) not to be their first time in a school setting, preventing learning delays and knock-on effects throughout life. LSU has provided funding for 3 pre-school nursery blocks, and monthly provides for 3 nursery teachers, as well as funding and qualified preschool teachers to deliver training for these teachers. Average attendance 173 learners 2024-25

Education

Support 4 orphans and vulnerable families with African Vision

10 Secondary scholarships with African Vision

University Grant - we supported 2 college graduates to go to University and have committed to this for 3 years. 1 girl has graduated from university 2024-25

5 child sponsorships with Stepping Stones Malawi

Supported Rugby as a sport amongst the local school children and teenagers in Lilongwe. We have a fully funded programme which pays for one full-time Project Manager and 10 Rugby Development Officers (RDOs). The RDOs are involved in the weekly training sessions at 20 different primary schools in Lilongwe, as well as training with junior and senior club teams in their respective areas. The LSU Rugby Project is one of the most successful Rugby development projects in Malawi. Run by Jack Mphande and Dan Hatch.

Mother Infant Health

The Mother and Infant Health Initiative aims to provide and act as a guiding programme for a healthy life for mothers and their babies. This is achieved through mother and baby groups learning infant massage, safe motherhood education, Kangaroo Mother Care, first aid, hand hygiene, and infant mental health. Plans are underway for a training of 24 caregivers at Mphatso. A proposal is currently underway to add this programme to our agreement with the DH0. Moving forward we help to fund a safe motherhood centre with AVM, and integrate MIH training.

Medical

Provision of an ambulance donated by RAKS TRUST enabled the expansion of Medical Outreach, as it is an ex-military ambulance that is designed for off road support helping our hard to reach areas. This ambulance helps provide free

Love Support Unite Africa Foundation

Trustees' annual report for the year ended 31st March 2025

medical care in 10 rural areas monthly. Reaching 31,683 medical patients across 10 rural outreach clinic in 2024-25. Working with the Ministry of Health to deliver malaria and HIV testing and treatment, vaccinations, antenatal care, under 5's care, family planning and sexual health, and Covid prevention advice. It now provides dental outreach after successful pilot programmes. 191 fillings and 403 extractions were carried out in 2024-25 outreach.

Sustainable farming

Helps vulnerable families living on less than \$1 per day who have 6 or more dependents including orphans and/or elderly. The program aims to help these families become food secure, provide nutrition for their family and surplus to sell to provide an income for school fees, mosquito nets and essentials for a healthy life. We provide them with farming inputs to farm 1 hectare of land, along with access to adult literacy, teaching, agriculture and business training over two years.

The value of the farm inputs is paid back over two years, with 0% interest. This is then invested in farm inputs for another family in the same community. The program is designed to make family farms self-sustainable through effective management of resources. Families are able to farm their land (many for the first time), and to have excess crops to sell to buy farm inputs for the following year and pay school fees for their children. The initiative has even been nicknamed 'Nsunga Moyo' in Chichewa, the local language, meaning 'life saver'.

All of the above programmes are run in country by African Vision Malawi. Their vision is to see "healthy, educated and self-sufficient communities in Malawi". We provide funding for the monthly costs of the above programmes which include the staff managing the programmes, fuel and materials, and we contribute towards office costs and administration.

We have supported 6 new families - and 1 new cooperative of 7 people working together

Baby feeding

In October 2019 LSU began working with Mphatso Nurseries training nursery teachers. Seeing first-hand the life-saving work they do, we want to help support them in their mission.

This year we have supported Mphatso with donations to buy life-saving formula to feed the babies.

"Feeding the Children, Growing the Community, Impacting the Future". This has been the key message of Mphatso Children's Foundation for many years because they believe that it is the way to bring slow positive change to the communities. Feeding over 1,000 children each school day throughout their 14 nursery school programs. The Baby Feeding Program is for those that are seeking help because the mothers have either died or are too unwell to feed their babies. Hospitals and doctors are referring carers to Mphatso for life-saving baby formula. Many babies' lives have been saved because of this program. They support these babies by routinely weighing them and supplying baby formula and, as they progress, maize porridge. We provide funding for their feeding programme.

50-70 babies a month supported - approximately 14,280 babies meals 2024-25

Nutrition

We fund a permaculture manager to help provide training to teachers and pupils in food gardens providing meals in schools. This money also paid for the training of the staff at four different Tree Nurseries that we support in 4 different centres. This training was carried out by Kondwani and Green from the Africa Vision Malawi (AVM) team. These trees have continued to be maintained into 2024- 25

Love Support Unite Africa Foundation

Trustees' annual report for the year ended 31st March 2025

Tilinanu Orphanage

In the UK LSU provide all administration and services for the UK charity Tilinanu Education free of charge. This year we facilitated the reintegration of all the girls within Tilinanu Orphanage in line with government guidelines. We have successfully enrolled the girls from the orphanage within an education scholarship program run by Africa Vision.

Emergency appeals

Emergency appeals have been responded to this year due to the effects of climate change- we have helped provide famine packages to those in need.

Beneficiaries of our services

Babies, toddlers, children, young adults, adults, parents and families all benefit from the above services, either directly or indirectly in Malawi.

Changes

We continue to work alongside charitable organisations within Malawi.

Financial review

Income from unrestricted funds was £161,212 (2024: £119,507) and unrestricted expenditure was £42,712 (2024: £93,215). Restricted income was £40,039 (2024: £24,423) and restricted expenditure was £42,712 (2024: £28,715). The total funds of the charity at the end of the year were £162,887 (2024: £128,997) of which £152,047 (2024: £124,837) was unrestricted and £10,840 (2024: £4,160) was restricted.

Reserves policy

In order to ensure uninterrupted work on Malawi projects each year we aim to hold in reserve the annual estimated costs of current Malawi projects and the higher of the equivalent Stirling value of £50,000. At year end those reserves were £162,887.

Plans for the future

Goals for 2024/25

- To maintain the funded programs of Adult Literacy, Education, Medical and Sustainability.
- Collaboration with small grassroots charities that are working in similar areas as LSU. We aim to share experience, expertise and equipment with these like-minded organisations and strengthen one another.
- Add additional and consistent dental - prevention programs to medical outreach by the end of 2024 as our yearly annual outreach is so effective and there is such a high demand for dental care.
- We aim to continue to support outreach projects and keep moving them towards sustainability.
- We would like to begin to contribute to carbon offsetting in Malawi with AVM

Love Support Unite Africa Foundation

Trustees' annual report for the year ended 31st March 2025

- We aim to work with these organisations in the community on protecting the land, forests and trees in the hope of contributing to climate change.
- We aim to integrate Sustainable family farms with AVM programmes and relaunch in 2024 and to be able to increase the amount of families that we can help.
- Support any emergency appeals.
- We aim to help fundraise for Tilinanu Education to help facilitate vulnerable girls' education
- We aim to align our project fundraising targets with Africa Vision to help facilitate greater long-lasting change.
- We aim to work closely with The Malawi Projects our fundraising partners to help raise more funds for those in need.
- We aim to strengthen our accounts through recruiting and working with Trustees with an accounts background.

Structure, governance and management

The organisation is a charitable incorporated organisation, registered with the Charity Commission on 25 June 2015.

The charity was established under a constitution which established the objects and powers of the charity and its governance.

Members of the charity have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities in the event of winding up. Only members of the charity are trustees but this entitles them only to voting rights. The trustees have no beneficial interest in the charity.

All trustees give their time voluntarily and receive no benefits from the charity. The trustees did not receive any reimbursement for expenses.

Trustee recruitment

The current trustees discuss regularly if there are any additional skills needed on the board and outline any expertise needed.

Potential candidates come from people who have shown an interest in the charity in the past, or who have no previous connection but the right skill set. These candidates would come by recommendation or from the trustees' internal professional and personal network.

Following an informal contact and discussion to establish the candidate's interest and skills, and to explain the charity background and the role the candidate would play, the trustees meet with the candidates. After discussion and agreement by the board, the relevant candidate(s) will be invited by email to join the board as a trustee.

If accepted, the new trustee(s) will join future meetings and will be registered as a trustee with the Charity Commission.

Glyn Jelley was appointed as a new trustee last year, as an accountant, he has taken the role of finance trustee.

Love Support Unite Africa Foundation

Trustees' annual report for the year ended 31st March 2025

Related parties and relationships with other organisations

The charity has the following related party relationships:

Love Support Unite Africa Ltd – a limited company to purchase and sell Love Specs, for profit, to provide funding for the charity, a wholly owned subsidiary of the charity,

Tilinanu Orphanage – a registered charity in the UK, LSU provides all administration services to the charity free of charge

Remuneration policy for key management personnel

Key Personnel, namely Alice Pulford and Nina Roots, are the CEOs for the charity. Remuneration is agreed by the Board of Trustees and reviewed regularly throughout the year. Dominic Bowden has resigned as from this role for full time work. [Alice Pulford](#) was on maternity leave from January 2024. Nina Roots filling this role.

Risk management

Our policy formally acknowledges that the trustee board is committed to maintaining a strong risk management framework. The aim is to ensure that Love Support Unite Africa Foundation makes every effort to manage risk appropriately by maximising potential opportunities whilst minimising any adverse risks.

Our policy will be used to support the internal control systems of the charity, enabling the charity to respond to operational, strategic and financial risks regardless of whether they are internally or externally driven.

Statement of responsibilities of the trustees

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (Charities Act 2011 and United Kingdom Generally Accepted Accounting Practice).

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing these financial statements, the trustees are required to:

- Select suitable accounting policies and then apply them consistently
- Observe the methods and principles in the Charities SORP
- Make judgements and estimates that are reasonable and prudent
- State whether applicable UK Accounting Standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Love Support Unite Africa Foundation
Trustees' annual report for the year ended 31st March 2025

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

19 / 12 / 2025

The trustees' annual report was approved by the trustees on and signed on their behalf by:

A handwritten signature in black ink that reads "J COLVIN". The signature is stylized, with the first name "J" and last name "COLVIN" clearly legible.

James Colvin
Trustee

Independent examiner's report
to the members of
Love Support Unite Africa Foundation

I report on the accounts of the charity for the year ended 31st March 2025 set out on pages 10 to 22.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 ("the Charities Act") and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's statement

My examination was carried out in accordance with general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Other matters

Your attention is drawn to the fact that the charity has prepared the accounts (financial statements) in accordance with Accounting and Reporting by Charities and with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

We understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Acthave not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

James Colvin, Trustee

1 Accounting policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 - (Charities SORP (FRS 102) and the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Love Support Unite Africa Foundation meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £ sterling.

The charity changed its financial year end to 31 March in order to align with the funding cycle of partner organisations.

b Preparation of the accounts on a going concern basis

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

c Income

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

Income received in advance of a provision of a specified service is deferred until the criteria for income recognition are met.

Notes to the accounts for the year ended 31 March 2025 (continued)

d Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank.

e Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of charity.

Restricted funds are donations which the donor has specified are to be solely used for particular areas of the charity's work or for specific projects being undertaken by the charity.

f Expenditure and irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is classified under the following activity headings:

- Costs of raising funds comprise the costs of marketing and networking, and donation processing fees.
- Expenditure on charitable activities includes the costs of grants paid to partner organisations for joint projects and activities undertaken to further the purposes of the charity.
- Other expenditure represents those items not falling into any other heading.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g Tangible fixed assets

Individual fixed assets costing £250 or more are capitalised at cost and are depreciated over their estimated useful economic lives on a straight line basis as follows:

Computer equipment	25%
--------------------	-----

h Debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

i Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

j Pensions

Employees of the charity are entitled to join a defined contribution 'money purchase' scheme. The charity's contribution is restricted to the contributions disclosed in note 9. Over paid contributions at the year end amounted to £38 which was Refunded in August 2023.

2 Legal status of the charity

The charity is a charitable incorporated organisation and has no share capital. In the event of the charity being wound up, the members have no liability. The registered office address is disclosed on page 1.
