## **Independent Examiner's Report for the year ended 1 February 2021**

**Independent Examiner's report to the trustees of Al Hamd Academy charity number 1151415 on the accounts for the year ended 1<sup>st</sup> February 2021 as set out on pages 5 to 9.**

### **Responsibilities and basis of report**

I report to the trustees on my examination of the accounts of the above charity for the year ended 1 February 2020.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### 2. Accounting policies

#### INCOMING RESOURCES

**Recognition of incoming resources** These are included in the Statement of Financial Activities (SoFA) when: -  
the charity becomes entitled to the resources;

- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

**Incoming resources with related expenditure** Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

**Grants and donations** Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

**Tax reclaims on donations and gifts** Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

**Gifts in kind** Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

**Donated services and facilities** These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

**Volunteer help** The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

**Investment income** This is included in the accounts when receivable.

**Investment gains and losses** This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

#### EXPENDITURE AND LIABILITIES

**Liability recognition** Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

**Governance costs** Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

**Support costs** Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
