

## Families & Friends of the Oldham Music Centre

The charity remained largely dormant during this period, with the pandemic delaying the onset of regular meetings.

We continued to support Musical Beginnings Extra, and any funds raised went towards the proposed tour to Belgium that took place in the Summer of 2022.

We have now got a new committee from September 2022 with a new chair, secretary and treasurer.

I wish the Families & Friends well in the future.
