- The income generated by the charity arose entirely from donations and grants made were within the objectives set out for the Anzal Begum Foundation.
- To look at change strategy to continue our charity's vision and purpose through the COVID 19 Pandemic.

FINANCIAL REVIEW

Reserves policy

The trustees do not currently have a reserves policy as the charity does not employ staff or acquire any liabilities. At an appropriate time the trustees are likely to adopt a policy of at least three months' running costs.

Financial Overview

The trustees consider this year's reserves position is reasonable as it is positive although is not enough to fulfill all obligations expected within the next 12 months. However the foundation expects a reasonable amount of donations to fund its projects.

FINANCIAL REVIEW - continued going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist. The trustees have considered the level of funds held and the expected level of income and expenditure for 12 months from authorizing these financial statements. The budgeted income and expenditure is sufficient with the level of reserves for the charity to be able to continue as a going concern.

FUTURE PLANS

The future priorities evolve around the following activities and strategy:

- -To organize and upscale in the size of awareness and fundraising events.
- To place targets for fundraising and look at a strategy where this can be shared amongst volunteers working towards the vision and objectives as set out in the articles of the charity,
- To develop a robust grant allocation strategy to ensure the charity grants are in line with resolving issues such as poverty, orphan support, domestic violence and food shortages locally and internationally.
- To embark on a long-term orphan care and fresh water project within the locality of Pakistan to provide sustainable orphan care and fresh water access to large area of beneficiaries within the Tharparkar district of Pakistan.
- To explore medical and educational projects for the long term fundraising objectives over at least 24 months with a view to collaborate in the build and development of SMART JC hospital and a school specifically for educating orphans.
- To look at a marketing tool to connect Instagram and Facebook platforms to really develop and engage an audience and create opportunities to promote content to raise such as in Ramadan.
- To explore further opportunities to collaborate with other charities and organizations, to expand our projects and delivery, and that we continue support in line with The Anzal Begum Foundation's vision, aims and objectives.

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The organization is a charitable company limited by guarantee incorporated on 24 October 2013 and registered as a charity on 8 July 2015. It was established under a Memorandum of Association, the objects of which were amended by the Annual General Meeting on 30 May 2015 prior to application for registration as a charity, it is governed under its Articles of Association.

Organizational structure

The directors of the company are also charity trustees for the purposes of charity law and form the Board of the company,

Key management remuneration

The board of directors, who are the charity's trustees comprise the key management personnel of the charity, in charge of directing, controlling, running and operating the charity on a day to day basis. No directors were remunerated for services provided to the charity for this reporting period.

Risk management

The significant risks facing the charity continue to be a downturn in voluntary donations made to the charity as a result of challenging economic conditions. In order to manage this risk, the trustees continue to implement a strategic fundraising plan.

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

For the Year Ended 31 October 2024

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 October 2024 which are set out on pages' 8 to 14.

Responsibilities and basis of report

As trustees of the charity you are responsible for the preparation of the accounts in accordance With the requirements of the Charities Statement of Recommended Practice (SORP).

Having satisfied myself that the accounts of the Charity are not required to be audited and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the2011Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination of the Foundation figures and documents. As per the bank statements, total donations received by Foundation during the year amounted to £323,389. Donations totaling £69,000 (£44,000 + £ 25,000 were received during the year. However, the £44,000 donation lacks donor confirmation or supporting documentation except bank receipts. The £25,000 donation is supported by email correspondence shared between the Foundation and the donor. I understand that in line with best practice, particularly for material third-party contributions, the Foundation should maintain formal donor agreements or written confirmation to support bank receipts and reduce risk of future disputes. The Foundation should explicitly state in this agreements/memorandum that donation is a gift, and not repayable-especially where no other documentation exists to avoid any unintended obligations to refund the donation later. With regard to charitable activities the Foundation issued Funding of £207,450 to Sindh Development Organization (A Registered Organization) for charity activities during the year, Out of these funds £165,000 were disbursed for Livelihood Project in the form of Auto Rikshaw and £42,450 for food and Qurbani Project. For Livelihood project formal Memorandum of Understanding (MOU) or agreement signed between ABF and SDO. For Food and Qurbani the funding is being paid to SDO based on activities proposed by the organization. Apart from the above stated funding £29,295 was also paid to Qalandari Daig House(food house), The funds were paid and used for supply of cooked food during Ramzan to poor people and twice a week after Ramzan. We examined the invoices £ 23,042 of the food supplier. I can confirm that no other matters except stated above have come to my attention in connection with the examination giving me cause to believe:

- 1) Accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
- 2) The accounts do not accord with those records; or
- 3) the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- 4) the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102).

I have no concerns and have come across no matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached, however the reserve of the Foundation are in negative in the year under review which needs the attention of the trustees to address this issue.

☐ **NOTES TO THE FINANCIAL STATEMENT**

For the Year Ended 31 October
2024

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS102) 'Accounting and Reporting by Charities: Statement of Recommended practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognized in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

For donations to be recognized the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then the income is deferred until those conditions are fully met or the fulfillment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is usually upon notification of interest paid or payable by the Bank.

Expenditure

Liabilities are recognized as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on accruals basis and has been classified under headings that aggregate all costs relating to the category. Where costs cannot be directly attributed to a particular heading they have been allocated to activities on a basis consistent with the use of resources. Expenditure is classified under the following activity headings:

Charitable activities – this comprises the direct costs of activities undertaken to further the purposes of the charity, including grants payable and all associated support costs.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside the control of the charity.

Expenditure continued

Support costs are those that assist in the work of the charity but do not directly represent

Charitable activities and include office costs, governance costs, and administrative and payroll costs. They are included directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

The funding being paid to SDO on the basis of activities proposed by the organization. NOTES TO THE FINANCIAL STATEMENT

For the Year Ended 31 October
2023

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS102)' Accounting and Reporting by Charities: Statement of Recommended practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognized in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

For donations to be recognized the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then the income is deferred until those conditions are fully met or the fulfillment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is usually upon notification of interest paid or payable by the Bank.

Expenditure

Liabilities are recognized as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on accruals basis and has been classified under headings that aggregate all costs relating to the category. Where costs cannot be directly attributed to a particular heading they have been allocated to activities on a basis consistent with the use of resources. Expenditure is classified under the following activity headings:

Charitable activities – this comprises the direct costs of activities undertaken to further the purposes of the charity, including grants payable and all associated support costs.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside the central of the charity.

Expenditure continued

Support costs are those that assist in the work of the charity but do not directly represent Charitable activities and include office costs, governance costs, and administrative and payroll costs. They are included directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Notes to the Financial Statements for the Year Ended 31 October 2021

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognized in the Statement of Financial Activities once the charity has entitlement to the funds, i.e. it is probable that the income will be received and the amount can be measured reliably.

For donations to be recognized the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then the income is deferred until those conditions are fully met or the fulfillment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is usually upon notification of interest paid or payable by the Bank.

Expenditure

Liabilities are recognized as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs relating to the category. Where costs cannot be directly attributed to a particular heading they have been allocated to activities on a basis consistent with the use of resources. Expenditure is classified under the following activity headings:

Charitable activities - this comprises the direct costs of activities undertaken to further the purposes of the charity, including grants payable and all associated support costs.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside the central of the charity.

The Anzal Begum Foundation Limited

**Notes to the Financial Statements for
the Year Ended 31 October 2021**

ACCOUNTING POLICIES - continued

Expenditure continued

Support costs are those that assist in the work of the charity but do not directly represent charitable activities and include office costs, governance costs, and administrative and payroll costs. They are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
