Notes to the Financial Statements for the Year Ended 31 October 2021

1 ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognized in the Statement of Financial Activities once the charity has entitlement to the funds, i.e. it is probable that the income will be received and the amount can be measured reliably.

For donations to be recognized the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then the income is deferred until those conditions are fully met or the fulfillment of those conditions is within the control of the charity and it is probable that they will be fulfilled.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is usually upon notification of interest paid or payable by the Bank.

Expenditure

Liabilities are recognized as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs relating to the category. Where costs cannot be directly attributed to a particular heading they have been allocated to activities on a basis consistent with the use of resources. Expenditure is classified under the following activity headings:

Charitable activities - this comprises the direct costs of activities undertaken to further the purposes of the charity, including grants payable and all associated support costs.

Grants payable to third parties are within the charitable objectives. Where unconditional grants are offered, this is accrued as soon as the recipient is notified of the grant, as this gives rise to a reasonable expectation that the recipient will receive the grants. Where grants are conditional relating to performance then the grant is only accrued when any unfulfilled conditions are outside the central of the charity.

The Anzal Begum Foundation Limited

**Notes to the Financial Statements for
the Year Ended 31 October 2021**

ACCOUNTING POLICIES - continued

Expenditure continued

Support costs are those that assist in the work of the charity but do not directly represent charitable activities and include office costs, governance costs, and administrative and payroll costs. They are incurred directly in support of expenditure on the objects of the charity. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with use of the resources.

Taxation

The charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
