**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 30 JUNE 2024**

The trustees present their report with the financial statements of the charity for the year ended 30 June 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charity's main objectives and principal activity are to raise awareness of ROLDA Romania and the ongoing plight of Romanian abandoned and homeless animals, estimated to be in the millions.

ROLDA UK is a branch (the "supporting organization") of ROLDA Romania (the "global entity") and provides support for animal rescue efforts in Romania.

ROLDA manages two rescue shelters for dogs and one shelter for disabled and abused cats. Since the start of the Ukraine war, ROLDA Romania has been supporting around 40 rescues and other organisations in Ukraine to aid animals that have been impacted by the conflict. This action has helped raise awareness of the charity globally.

ROLDA UK supports the activities of ROLDA Romania by enabling the UK public to donate towards our rescue work and sponsor or adopt a dog. Additionally, ROLDA UK applies for grants and other funding to help aid the work of ROLDA Romania. The organisation is constantly working towards developing new ways to support the parent charity in Romania. Over the past year, the efforts of ROLDA Romania in Ukraine have resulted in an increase in successful funding applications.

Sadly, adoptions from Romania to the UK have decreased due to concerns regarding Brucellosis in stray dogs.

Public benefit

The trustees, having reviewed the Charity Commission guidance for public benefit, are confident that they meet the necessary requirements.

ACHIEVEMENT AND PERFORMANCE

Fundraising activities

The charity mainly relies on grants and donations through its website, alongside adoption fees to fund its activities. Recently ROLDA Romania's rescue work in Ukraine has helped to raise its profile, leading to an organic increase in donations and successful grant applications. We are thrilled to see our contributions towards ROLDA Romanian's rescue work grow every year.

As a relatively new charity the main area of activity has been the raising of awareness within the UK population by advertising and promotion of the charity.

FINANCIAL REVIEW

Reserves policy

The trustees have agreed that the charity's reserve policy is to maintain £15,000 on bank deposit to ensure the continuation of the charity.

In the year ended 30 June 2024 the monies at the bank exceeded £117,000 and the trustees recognised the need to distribute these funds in line with the charitable objectives.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
ROLDA UK**

Independent examiner's report to the trustees of ROLDA UK

I report to the charity trustees on my examination of the accounts of ROLDA UK (the Trust) for the year ended 30 June 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

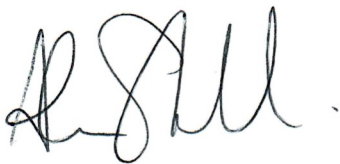

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2024

1. STATUTORY INFORMATION

ROLDA UK is a registered charity, registered in England and Wales. The charity's registered number and registered office address can be found in the Reference and Administrative Details section of the Trustees Report.

The presentation currency of the financial statements is the Pound Sterling (£).

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies the trustees are required to make judgements estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period or in the period of revision and future periods where the revision affects both current and future periods.

There were no estimate or assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
