The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make suitable judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any material departures disclosed in the accounts; and

Structure Governance and Management

Governing Document

The Independent Press Regulation Trust, was created by a Declaration of Trust dated 8th November 2013, and registered as a charity on the 20th July 2015.

Future Appointment of New Trustees

Trustees are appointed for a period of three years by a resolution of the Trustees. Trustees may be re-appointed at the end of their first and second terms office. If a Trustee is to be appointed to replace a Trustee who is leaving office he/she may be appointed not more than three months before the other Trustee leaves office, but will not take office until the other Trustee has left. A Trustee cannot vote in favour of his/hers re-appointment.

On appointment, new Trustees are invited to an induction meeting where they are introduced to the background and work of the Charity, its governing document and operational framework. Trustees are provided with all relevant information and documentation to familiarise themselves with, including the Charity Commission's Guidance CC3 and PB2: 'The Essential Trustee: What You Need to Know' and 'Public Benefit: running a charity', covering their legal responsibilities, financial management, and principles of good governance and practice. This practical training as well as other ongoing training for the Charity trustees is provided by the experienced Charities and Safeguarding team of Hunters Law LLP.

Organisational Structure of the Charity

The Trustees manage the Charity, and meet on a bi-annual basis to take all decisions necessary jointly with regard to reviewing the Trust's activities. Certain day-to-day administrative tasks are delegated to the charity's advisers.

Volunteers

Aside from the Trustees the Charity does not have any volunteers.

Wider Network

The Charity acts independently of and is not part of a wider network.

Donations

The Charity is presently not involved in fund-raising or publicity and relies solely on donations it receives.

Related Parties

The Charity has no subsidiaries and is not connected with any other charity or not for profit organisation.

Risk Policy

The Trustees are responsible for identifying and managing all potential risks faced by the Charity. All major risks to which the Charity is exposed have been reviewed and systems have been established to mitigate these risks.

INDEPENDENT PRESS REGULATION TRUST

TRUSTEES' REPORT

FOR THE YEAR ENDED 5 APRIL 2025

Objectives and Activities for the Public Benefit

Objects and Significant Activities

The objects of the Charity are to promote, for the benefit of the public, high standards of ethical conduct and best practice in journalism and the editing and publication of news in the 'print' and other media, having regard to the need to act within the law and to protect both the privacy of individuals and freedom of expression.

The Trustees shall further the Objects by such means as they think fit from time to time which may include the provision of financial assistance towards the establishment and support of an independent press regulator or independent press regulators to be established and conducted for the whole or any part of the United Kingdom in accordance with the recommendations and principles set out in the Leveson Report.

The Trustees continue to further the objects of the Charity predominantly by exercising their discretion and independence in providing financial support to IMPRESS, a community interest company and independent press regulator, with Royal Charter status. IMPRESS was established in 2015 to promote the integrity and freedom of the press, in response to the conclusions of the Leveson Inquiry.

The aim of this financial support by the Charity, is to help IMPRESS establish itself as a truly independent press regulator, in line with the recommendations set out in the Leveson Report. This funding arrangement is subject to strict scrutiny by the Charter body and The Press Regulation Panel. In addition, the funding arrangements of IMPRESS are scrutinised every three years to check interdependence and effectiveness.

The Charity primarily operates therefore as a grant making charitable organisation. It is not involved in fundraising at present. The Charity's governing document provides that *"the income, and at the trustee's discretion, the capital of the Trust Fund shall be applied in furthering the Objects"*.

The policy of the Charity's trustees is therefore to concentrate upon organisations which are committed to fostering integrity, accountability, and excellence by upholding the highest standards of ethical conduct and promoting best practices in journalism. When considering applications for funding the trustees concentrate on the following factors:

- (a) At existing levels of expenditure, the number of years' that reserves are contained within the applicant's balance sheet and the amount(s).
- (b) The applicant's proposal(s) and the long-term prospects of success judged by the trustees.
- (c) The dependence of the applicant upon any single source (including the Charity) of future funding.
- (d) The costs of the applicant's administration and fundraising and whether this is proportionate.
- (e) The degree of transparency disclosed, in particular, the extent of relevant information disclosed by the applicant in its appeals and accounts material.
- (f) The degree to which the trustees have been informed of progress made since, and the demonstrable use of any previous grant made by the trustees.

Public Benefit Statement

The activities of the IPRT, as set out above, are for the public benefit. The Trustees confirm that they have complied with their duty under s17(5) of the Charities Act 2011 to have due regard to the guidance published by the Charity Commission for England and Wales.

INDEPENDENT AUDITORS REPORT

FOR THE YEAR ENDED 5 APRIL 2025

OPINION

We have audited the financial statements of Independent Press Regulation Trust for the year ended 5 April 2025, which comprise the Statement of Financial Activities, Statement of Financial Position and notes to the financial statements. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- Give a true and fair view of the state of the charity's affairs as at 5 April 2025 and of its incoming resources and application of resources, for the year then ended;
- Have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- Have been prepared in accordance with the requirements of the Charities Act 2011.

BASIS FOR OPINION

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standards, and the provisions available for small entities, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

CONCLUSIONS RELATING TO GOING CONCERN

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

OTHER INFORMATION

The trustees are responsible for the other information. The other information comprises the information included in the trustees' annual report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

INDEPENDENT PRESS REGULATION TRUST

INDEPENDENT AUDITORS REPORT

FOR THE YEAR ENDED 5 APRIL 2025

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- the information given in the financial statements is inconsistent in any material respect with the trustees' report; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

RESPONSIBILITIES OF TRUSTEES

As explained more fully in the Trustees Annual Report, the trustees are responsible for the preparation of the financial statements and for ensuring that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees intend to cease operations, or have no realistic alternative but to do so.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

INDEPENDENT PRESS REGULATION TRUST

INDEPENDENT AUDITORS REPORT

FOR THE YEAR ENDED 5 APRIL 2025

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the Charity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud. In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the audit engagement team:

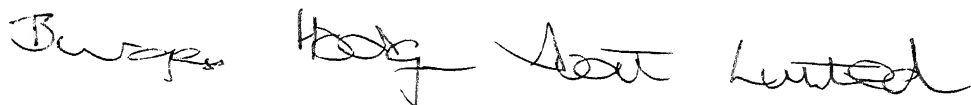

- obtained an understanding of the nature of the environment, including the legal and regulatory framework that the Charity operates in and how the Charity is complying with the legal and regulatory framework;
- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are the Charities Act 2011 and regulations made under them and FRS 102, the Financial Reporting Standard applicable in the UK and Republic of Ireland. We performed audit procedures to review the financial statements for compliance with the relevant legislation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

USE OF AUDIT REPORT

This report is made solely to the charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011 and regulations made under section 154 of that Act. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

NOTES TO THE ACCOUNTS

FOR THE YEAR ENDED 5 APRIL 2025

1 General information

The charity is a public benefit entity and registered Charity in England and Wales and is unincorporated. The address of the principal office is 9 New Square, Lincoln's Inn, London, WC2A 3QN.

2 Basis of Preparation

2.1 Basis of Accounting

The accounts (financial statements) have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

2.2 Change in Basis of Accounting

The accounts have been prepared on an accruals basis.

2.3 Change to previous Accounts

No changes have been made to the previous years accounts.

3 Accounting Policies

3.1 Incoming resources are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the Trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

3.2 Where incoming resources have related expenditure, the incoming resources and related expenditure are reported gross in the SoFA.

3.3 Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

3.4 Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

3.5 Governance costs include the cost of the preparation and examination of statutory accounts, the cost of Trustee meetings and cost of any legal advice to the trustees on governance or constitutional matters.

3.6 Grants payable are payments made to third parties in the furtherance of the objects of the Charity. The grants are accounted for where either the Trustees have agreed to pay the grant without condition and the recipient has a reasonable expectation that they will receive the grant, or any condition attaching to the grant is outside the control of the trust.

3.7 The financial statements are prepared in sterling, which is the functional currency of the entity.

3.8 The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amount reported. Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

INDEPENDENT PRESS REGULATION TRUST**NOTES TO THE ACCOUNTS****FOR THE YEAR ENDED 5 APRIL 2025**

- 3.9 Financial liabilities and equity instruments are classified according to the substance of the contractual arrangement entered into.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

Loans and borrowings are initially recognised at transaction price including transaction costs. Subsequently, they are measured at amortised cost using the effective interest rate method, less impairment. If an arrangement constitutes a finance transaction it is measured at present value.
