## Section C Objectives and activities

### Summary of the objects of the charity set out in its governing document

To relieve the needs and to promote, maintain, improve and advance the education of mainstream school age children/young people between 0 – 25 years who have communication and interaction needs (autism spectrum disorders and speech, language communication needs) and their families/carers.

To provide or assist in the provision of facilities in the interests of social welfare for recreation/other leisure time of these young people with the object of improving their conditions of life.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

To plan/manage specifically created groups/clubs which are age/ability appropriate, risk assessed and designed to promise socially acceptable values and behaviour.

This is achieved by raising monies through fundraising, regular donations and securing grants. Grant income received during the year amounted to £64,544 (2019: £69,544). In addition, £3,735 job retention scheme grant income was received as a result of staff being furloughed due to the covid pandemic.

Grants received includes £29,544 from Children in Need which has funded two members of staff and office rental.

Other donations and income have increased compared with the prior year mainly due to a gala fundraiser which took place during the year. Future funding is constantly being sought to ensure continuity of this service.

The activities for young people and support for their parents is available to all those who fall within the criteria set out in the charity's objectives.

The Trustees of Kidz2gether believe that they have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charities Commission.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

**Section D  
Achievements and  
performance**

**Summary of the main achievements of the charity during the year**

Over 200 disadvantaged children have used the project over the year. The charity provides a variety of activities across the Borough throughout the week offering a lifeline to children with social communication and interaction difficulties (ASD).

The additional funding has enabled the charity to improve its family liaison work in the community. This work provides essential support and care for families, especially those who have recently been told that their child has social communication difficulties or have had a diagnosis of autism.

## Section E Financial review

### Brief statement of the charity's policy on reserves

The Trustees consider that unrestricted cash reserves of between three and six months of annual unrestricted expenditure would be a reasonable level. The Trustees estimate this to be around £25,000.

At 31 July 2020, the unrestricted cash reserves have risen to £12,315 (2019: £2,098) and the restricted cash reserves amounted to £15,236 (2019: £14,625).

The Trustees continue to look for ways to increase the level of unrestricted cash reserves which are required to meet the future needs of the Charity.

### Details of any funds materially in deficit

### Further financial review details (Optional information)

You may choose to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
