CADBURY HEATH

EMERSONS GREEN

A young person came and said they weren't looking forward to winter as it's gonna be dark after school and they can't skate their local... Right there Let's Get Lit was born. We asked The National Lottery if we could buy lots of battery powered LED lights and rock up at different skateparks every Friday night till Easter, and they agreed it was a RAD idea.

We offered an additional 38 hours of healthy activity to 146 young people over the course of the project, and now we're campaigning to get permanent lights fitted at Emersons Green. Head to our website for full info!

Highlights and Outcomes of 2024/25

Since covid we've made some big increases in our offer and support to young people.

We've been able to increase the number of face-to-face hours on offer to young people from 5 hours a week (in our SLA) to 14 hours a week in 2024/25.

This has been due to the fantastic support of our funders, the South Glos youth partnership, Our community of hirers and the young people (of course).

The popularity of our projects and the positive impacts they make on young peoples' lives has meant we've been successful in attracting more funding, to do more work, with more young people!

191 sessions in 2021

392 sessions in 2024/25

266 young people in 2024/25

134 young people in 2021

3000 attendances in 2024/25

1474 attendances in 2021

During our sessions young people have the opportunity to complete a number of accredited courses: South Glos Awards, ASDAN, DofE and SBGB awards!

Each year young people also have the opportunity to attend our star studied South Glos awards night to collect their awards and meet other young people from across South Glos and hear about the amazing projects they've been involved with.

YOUNG CAFE

Youth centre sessions for young people 11 to 19 years old. With different activities each week; Cooking, Art, Games, Challenges!

Come and get involved with the weekly activities or just hang out on our comfy sofas.

There's all the youth club usual suspects like games, pool and crafty things as well as some tasty treats from the kitchen.

If you have any ideas for a new project, have a skill you'd like to share or learn, or just something you've always wanted to try out? let us know and we can add it to our ever-changing weekly programme!

Games Galore

Cooking up a storm

Scrap build day

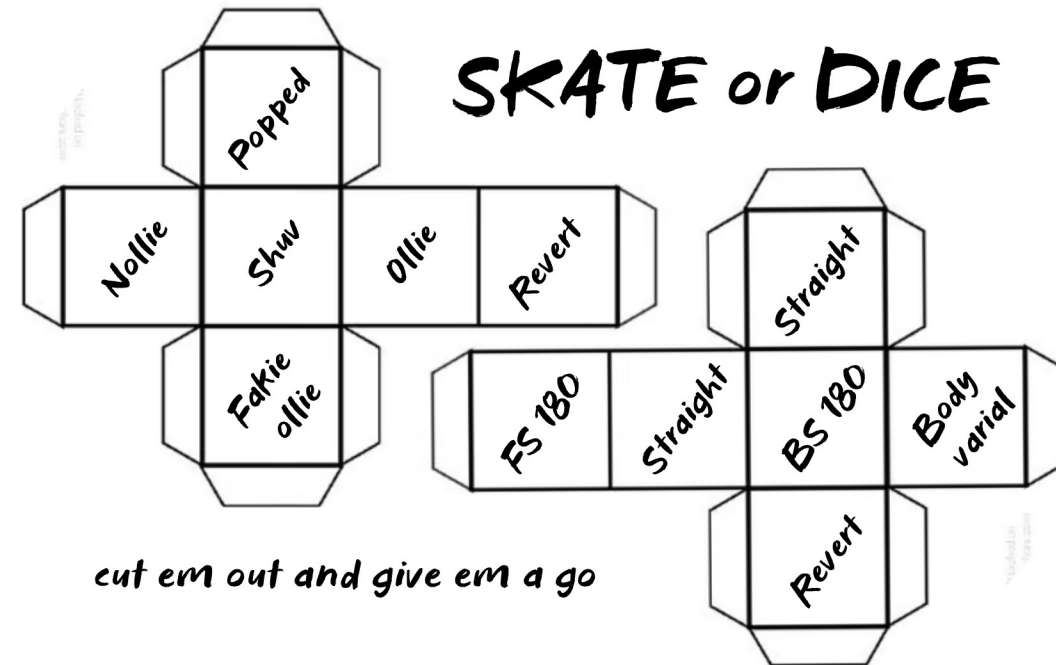

Our youth cafe/club sessions run on Sundays, Mondays and Wednesdays. Please check our website for the most up to date info and times.

Dalgona cookie cutting challenge

We had two residentials in 2024 and our second was all about outdoor pursuits. Young people got the opportunity to try high rope courses, archery tag, survival skills and (why oh why) axe throwing! We teamed up with two other local youth centres so there was lots of team building and getting to know new people (including a mini rave on top of a shipping container) 😄

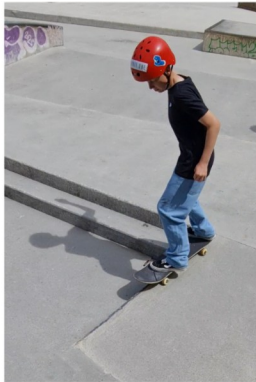

Trips and Residentials

We love going on trips, its a great way of embracing new experiences and new challenges. The last year has been no different with two residentials and eight day trips! Young people are always at the heart of the planning and decision making too

Jams are a great way to get the community together and celebrate all things wheeled sports, being active, and have a go at other elements within the culture like graffiti art or DJing. Above are some pics from some of the Jams we ran trips to, including Warmley which we helped organise. Look out for lots more next year and let us know if theres an event you want us to run a trip to.

Our big skate road trip this year went to Newquay for a weekend of camping! A storm rolled in on our first night and taught us all what guideropes are for, haha! Cornwall has some amazing skateparks as well as the opportunity to try out some surfing. We managed to hit Mount Hawke, Concrete Waves, Truro and Bodmin! Some big tricks, and big laughs!

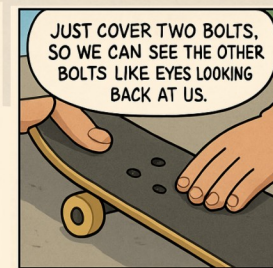

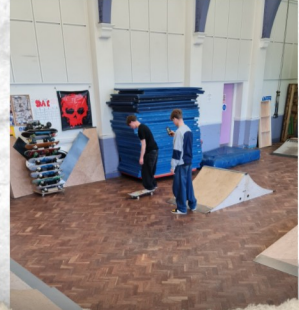

The Boarding School

Three times a week our hall gets transformed into a mega modular skatepark. With ramps of all sizes for all abilities, plus rails, ledges, funboxes, a mini hip and micro spine theres lots of fun to be had. We have a variety of sessions available so head to our website to book the session for you!

We think skateboarding is a great way to deliver youth work: It's creative, expressive and unique to you and your style; Hard work is rewarded and respected; you don't need a team or expensive kit, and we provide everything you need during our sessions (at no extra cost) from pads and helmets to support and advice. Skateboarders understand that falling and making mistakes is an integral part of the learning process and embrace it to create a growth mindset

2024

At the beginning of 2024 a group of young people organised a massive 6 hour charity skate, and raised over a thousand pounds for their friend who passed away in 2023.

Our young people stormed the Bradley Stoke Skatepark Comps placing 1, 2 and 3 in the 15+ group

10 young people organising a skate/camp trip to Newquay

The second residential saw us team up with other youth centres to run an action packed weekend at PGL
Axe Throwing, Climbing, Archery, Survival skills, Giant Swing. And much more

The Warmley skatepark day we held with CYN was so much fun. Comps for skaters, scooters and BMX as well as graffiti, DJing and other activities

Our Halloween jam was crazy from start to finish. Lots of silly games Man ramp providing the boost, a cursed raffle of prizes you dare not win and new spooky obstacles

Thornbury Skatefest Day

Lets Get Lit Taking lights out to skateparks over the winter

8 young people attending the South Glos Awards night

2025

Plus so many things we've not been able to include here! What a year!!!!
