Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Since 2019, we have conducted a successful c.£220,000 refurbishment of a dilapidated church building in our village, transforming it into a modern, efficient, attractive village hall, complete with a modern audio-visual system (AVS). The refurbishment programme ended in June 2021. We raised the funds for this through grants from trusts and foundations, corporate and municipal organisations, and from donations by members of our community. We consider this project a significant achievement.

All expenditure of income has been to refurbish the building, install equipment and facilities, develop the hall's facilities, pay for utilities and aid marketing. There are no paid employees.

To Whom it may Concern,

Dear Sirs,

I act as an independent examiner of the accounts for the Sandleheath Village Hall.

This is to confirm that the financial records are recorded in a timely and accurate manner. They provide the Trustees with consistent data on the sources of income and categories of expenditure.

The charity operates within its means and maintains an appropriate level of reserves to meet any future adverse circumstances.

Sincerely yours,

A handwritten signature in cursive script that reads "Doreen G. Houghton".
