

## **Feeding The World Trustees Report**

The trustees present their report and accounts for the year ended 31 October 2023. The trustees, who are also directors of the Feeding The World for the purpose of company law and who served during the year and up to the date of this report are set out in page 1.

### **Structure, Governance and Management of the Charity**

The Council for management is elected by the trustees at the Annual General Meeting. They are responsible for the day to day running of the trust.

### **Object of the Charity and principal activities**

The principle objective of the trust is to feed the homeless from factory premises and operate food outlets from which the profits are used to support the various projects the charity is involved in.

The trust manages the day to day running of the charity to help the needy in local area and far reached areas through the various projects it is involved in.

### **Financial Review**

During the year the trust received total income of £0. The total expense during the period was £1800 leaving a surplus of £1800 to be carried to the following year.

### **Trustees' responsibilities**

The trustees are responsible for preparing the Trustee's Annual Report and Financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

Select suitable accounting policies and then apply them consistently;

Observe the methods and principles in the Charities SORP;

Make judgements and estimates that are reasonable and prudent;

State whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

**Feeding The World**  
**Notes to the Accounts**  
**for the year ended 31 October 2023**

**1. Accounting policies**

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and the preceding period.

**1.1. Basis of accounting**

The Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102) (effective 1 January 2015)

**1.2. Incoming resources**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of trants, donations and gifts and is included in full in the statement of financial activities when receivable. Grants where entitlement is not conditional on the delivery of a specific performance by the charity, are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included.

Gifts donated for resale are included as incoming resources within activities for generating funds when they are sold.

Grants, including grants for the purchase of fixed assets, are recognised in full in the statement of financial activities in the year in which they are receivable.

Income from investments is included in the year in which it is receivable.

**1.3. Resources expended**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes including the charity's shop.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management.

**1.4. Tangible fixed assets and depreciation**

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment - 10% Straight Line
